(h) The mining or extraction of soil, sand, gravel, rock, oil, natural gas, fuel or any other mineral substance, using any method that disturbs the surface of the land, is prohibited without the advance written approval of the PACE Board. The PACE Board shall give approval within a reasonable time, unless it determines that the proposed mining or extraction will substantially diminish or impair the agricultural productivity of the restricted land.

(i) The dumping or accumulation of any kind of trash or refuse on the restricted land is prohibited. However, this shall not prevent the storage of agricultural products and by-products on the restricted land, so long as it is done in accordance with all applicable laws, administrative regulations, and ordinances.

(j) Golf courses are prohibited on the restricted land. Buildings and facilities for any other public or private recreational use may not be built on the restricted land without the advance written approval of the PACE Board. The PACE Board shall not give approval unless it determines that the proposed use or facilities will not substantially diminish or impair the agricultural productivity of the restricted land.

(5) Landowners shall retain the right to perform any act not specifically prohibited or limited by this section and administrative regulations promulgated under its provisions. These ownership rights include, but are not limited to, the right to exclude any member of the public from trespassing on the restricted land and the right to sell or otherwise transfer the restricted land to anyone of the landowner's choice.

SECTION 25. A NEW SECTION OF KRS CHAPTER 262 IS CREATED TO READ AS FOLLOWS:

Other than as specified within this section, this section and administrative regulations promulgated under its provisions are not intended to impose any legal or other responsibility on the PACE Board or in any way to affect any existing obligation of the landowner as owner of the restricted land. Accordingly:

(1) The landowner shall continue to be solely responsible for payment of all taxes and assessments levied against the restricted land.

(2) The landowner shall continue to be solely responsible for the upkeep and maintenance of the restricted land, to the extent it may be required by law. The PACE Board and the Commonwealth shall have no obligation for the upkeep or maintenance of the restricted land.

SECTION 26. A NEW SECTION OF KRS CHAPTER 262 IS CREATED TO READ AS FOLLOWS:

A deed conveying an interest in the restricted land shall set forth the language of the assessment restrictions verbatim. Within thirty (30) days of a change in ownership of the restricted land, the prior owner shall notify the PACE Board in writing of the name and address of the new owner, together with the volume and page of the deed book in which the transfer has been recorded.

SECTION 27. A NEW SECTION OF KRS CHAPTER 262 IS CREATED TO READ AS FOLLOWS:

(1) If the PACE Board finds what is believes is a violation of the terms of any easement by the property owner, it may take appropriate legal action. Except when an ongoing or imminent violation could irreversibly diminish or impair the agricultural productivity of the restricted land, the PACE Board shall give the landowners written notice of the violation and sixty (60) days to correct it, before taking legal action.

(2) The owner of the restricted land shall bear all costs associated with the correction of a violation of the easement, including:

(a) Costs of work required and materials used to correct the violation and restore the restricted land to its condition prior to the violation;

(b) Administrative costs incurred by the PACE Board; and

(c) Court costs and reasonable attorney's fees incurred by the PACE Board in enforcing the easement.

SECTION 28. A NEW SECTION OF KRS CHAPTER 262 IS CREATED TO READ AS FOLLOWS:

(1) A grantor may terminate an easement, in whole or in part, only by filing an action in the Franklin Circuit Court, and demonstrating by clear and convincing evidence that conditions on or surrounding the land subject to an agricultural conservation easement have changed so much that agriculture is no longer viable and it has become impossible to fulfill any of the easement's conservation purposes. The grantor shall name the PACE Corporation as the defendant in the action.

(a) In the event that a finding is made by the court that a portion of the land subject to the agricultural conservation easement is no longer suitable for agricultural purposes, the owner shall, at the owner's expense, provide a survey of the land area on which the agricultural conservation easement is to be terminated.

(b) No agricultural conservation easement or portion thereof which has been purchased with Commonwealth funds shall be terminated by the court except upon payment by the grantor to the PACE Corporation of its then fair value. The value of the easement shall be established by one of the following two methods, as determined by the court:

1. The owner shall pay the PACE Corporation an amount equal in current dollars to the full cost of acquiring and monitoring the easement during its full duration, plus reasonable interest as determined by court; or

2. The owner shall pay the PACE Corporation an amount equal to the easement's current market value as determined by independent appraisal, performed at the owner's expense and satisfactory to the Commonwealth.

(c) The PACE Corporation shall place the proceeds from the termination of the easement in the agricultural enhancement fund and use the proceeds consistent with the purposes of Section 19 to Section 29 of this Act.

3. Moneys received by the Commonwealth including proceeds of bonds issued for the purpose of funding the PACE Program as dedicated sources of revenue for the fund; and

4. Moneys appropriated to the fund.

(b) The fund shall be in the custody of the Commonwealth. All or any part of these funds may be invested in any securities in which public funds may lawfully be invested. All income derived from investments shall be paid into the fund and become a part thereof. The moneys so invested shall at all times be subject to withdrawal from investment for use as provided in this subsection.

(c) Upon authorization of the PACE Board, the moneys in the fund may be used for:

1. The acquisition of agricultural conservation easements on eligible lands within the Commonwealth;

2. The acquisition of options to purchase agricultural conservation easements on eligible lands within the Commonwealth;

6. Other expenditures as specified by the PACE Board, providing that the expenditures are consistent with Sections 19 to 29 of this Act and administrative regulations promulgated by the PACE Board and are for the express purpose of retaining agricultural lands, supporting and abetting agricultural lands, and supporting and abetting agricultural practices and activities which shall improve conservation and natural resource protection practices, enhance the viability of the agriculture industry, and expand the economic contribution that agriculture makes to the Commonwealth.

(d) No more than ten percent (10%) of the moneys in the fund shall be expended in any one (1) fiscal year to administer Sections 19 to 29 of this Act.

SECTION 30. A NEW SECTION OF KRS CHAPTER 262 IS CREATED TO READ AS FOLLOWS:

(1) The State Department of Agriculture shall identify lands of statewide agricultural importance through the use of the United States Department of Agriculture's land evaluation and site assessment program and the state's geographic information system. The department shall provide information on the location of agricultural lands of statewide importance to each local planning unit operating under the requirements of KRS Chapter 100.

(2) The department is authorized to promulgate administrative regulations to implement this section.

Section 31. KRS 100.191 is amended to read as follows:

All elements of the comprehensive plan shall be based upon but not limited to, the following research, analysis, and projections:

(1) An analysis of the general distribution and characteristics of past and present population and a forecast of the extent and character of future population as far into the future as is reasonable to foresee;

(2) An economic survey and analysis of the major existing public and private business activities, and a forecast of future economic levels, including a forecast of anticipated necessary actions by the community to increase the quality of life of its current and future population through the encouragement of economic development as far into the future as is reasonable to foresee;

(3) Research and analysis as to the nature, extent, adequacy, and the needs of the community for the existing land and building use, transportation, and community facilities in terms of their general location, character and extent***, including, the identification and mapping of agricultural lands of statewide importance and analysis of the impacts of community land use needs on these lands***; and

(4) Additional background information for the elements of the comprehensive plan may include any other research analysis, and projections which, in the judgment of the planning commission, will further serve the purposes of the comprehensive plan.

Section 32. KRS 262.850 is amended to read as follows:

(1) This section shall be known as "the Agricultural District and Conservation Act."

(2) It is the policy of the state to conserve, protect and to encourage development and improvement of its agricultural lands for the production of food and other agricultural products. It is also the policy of this state to conserve and protect the agricultural land base as a valuable natural resource which is both fragile and finite. The pressure imposed by urban expansion, transportation systems, water impoundments, surface mining of mineral resources, utility rights-of-way and industrial development has continually reduced the land resource base necessary to sufficiently produce food and fiber for our future needs. It is the purpose of this section to provide a means by which agricultural land may be protected and enhanced as a viable segment of the state's economy and as an important resource.

(3) The local governing administrative body for an agricultural district shall be the conservation district board of supervisors. The Soil and Water Conservation Commission shall be responsible for statewide administration of the agricultural district program and shall have sole authority to certify or deny agricultural district petitions. The commission may apply for assistance and funds from the Federal Farmland Protection Act of 1981 (PL 97-377) which may be available for the development of the agricultural district program and may accept easements as provided in KRS 65.410 to 65.480.

(4) Any owner or owners of land may submit a petition to the local conservation district board of supervisors requesting the creation of an agricultural district within ***the*** ~~[such]~~ county. ***The*** ~~[Such]~~ petition shall include a description of the proposed area, description of each land parcel, location of the proposed boundaries, petitioners' names and addresses, adjacent landowners' names and addresses, and other pertinent information as required in the petition application. The boundary of an agricultural district shall be contiguous. No land shall be included in an agricultural district without the consent of the owner.

(5) Upon receipt of a petition, the local conservation district board of supervisors shall notify the fiscal court and any local or regional planning or zoning body, if any, by sending a copy of the petition and accompanying materials to that body.

(6) The following factors shall be considered by the local conservation district board of supervisors and the Soil and Water Conservation Commission when considering the formation of any agricultural district:

(a) The capability of the land to support agricultural production, as indicated by: soil, climate, topography or other natural factors;

(b) The viability of active farmlands, as indicated by: markets for farm products, extent and nature of farm improvements, present status of farming, anticipated trends in agricultural economic conditions and technology;

(c) That the proposed agricultural district meets the minimum size limit of two hundred fifty (250) contiguous acres***, unless the local conservation district board and the Soil and Water Conservation Commission allow fewer than two hundred fifty (250) contiguous acres if the proposed area meets a minimum annual production performance established by the district board and approved by the commission***;

(d) County development patterns and needs and the location of the district in relation to any urban development boundaries within the county; ~~[and]~~

(e) Any matter which may be relevant to evaluate the petition***; and***

(f) Whether an application is from more than one (1) farm owner, in which case a preference shall be given to the application.

(7) The local soil and water conservation district board of supervisors shall review the petition application and submit a recommendation to the Soil and Water Commission within sixty (60) days of receipt. The local conservation district recommendation shall be submitted to the commission in the form of approval, approval with modifications, or denial of the petition accompanied by justification for such a denial.

(8) The Soil and Water Conservation Commission shall review the recommendation of the district board of supervisors and certify or deny the agricultural district's petition within sixty (60) days of receipt.

(9) Upon the approval of a petition by the Soil and Water Conservation Commission, the commission shall notify the area development district in which the agricultural district will lie***, the local county clerk,*** and the secretary of the Governor's Cabinet.

(10) Land within the boundary of an agricultural district shall not be annexed.

(11) Any member, or any successor heir of the member, of an agricultural district may withdraw from the district upon notifying the local conservation district board of supervisors in writing.

(12) It shall be the policy of all state agencies to support the formation of agricultural districts as a means of preserving Kentucky's farmlands and to mitigate the impact of their present and future plans and programs upon the continued agricultural use of land within an agricultural district.

(13) Agricultural districts shall be comprised only of agricultural land as defined in KRS 132.010.

(14) An agricultural district shall be established for five (5) years with a review to be made by the local soil and water conservation district board of supervisors at the end of the five-year period and every five (5) years thereafter. ***Each owner of land shall agree to remain in the district for a five (5) year period, which is renewable at the end of the five (5) years.*** However, the board shall make a review any time upon the written request of a local government which demonstrates that the review is necessary in order to consider development needs of the local government. The board shall consider whether the continued existence of the district is justified, any adjustments which may be necessary due to urban or county development, and other factors the board finds relevant. The board shall revise the district as necessary based on the review and subject to approval of the State Soil and Water Conservation Commission. Before the state commission takes final action, all interested parties shall be given the opportunity to request the state commission to amend or overturn the local board's decision.

(15) The withdrawal of a member from a district reducing the remaining acreage of agricultural district land to less than two hundred fifty (250) acres or resulting in the remaining land being noncontiguous shall not cause the decertification of the district.

(16) Any member of an agricultural district who has received a summons of condemnation proceedings being instituted concerning the member's land located in the district may request the local soil and water conservation district board of supervisors to hold a public hearing on the proposed taking of land. However a hearing under this section shall not be held if the petitioner in the condemnation proceeding is a utility as defined in KRS 278.010(3) and obtained a certificate of convenience and necessity as required by KRS 278.020(1).

(17) (a) The board shall notify the local property valuation administrator of the farms which belong to an agricultural district and whenever a farm is withdrawn from a district. The board shall also inform all members of a district of the right to have their land assessed by the local property valuation administrator at the land's agricultural use value and shall offer advice and assistance on obtaining such an assessment.

(b) The board shall also notify the local property valuation administrator whenever a farm is released or withdrawn from an agricultural district.

(18) The board may allow an amendment to an existing certified agricultural district if approved by the commission.

Section 33. KRS 262.875 is amended to read as follows:

(1) There shall be created a committee to advise the Governor on state activities that may contribute to the conversion of farmland to nonfarm uses. The committee shall be called the Interagency Farmland Advisory Committee and the members shall be appointed by the Governor and shall include one (1) representative for each of the following:

(2) The representative of the Natural Resources and Environmental Protection Cabinet shall be the chairperson of the committee, and the representative of the Soil and Water Conservation Commission shall be the vice chairperson of the committee. The staff for the committee shall be provided by the Natural Resources and Environmental Protection Cabinet.

(3) In order to advise the Governor, the committee shall review proposed state projects which will convert farmland to nonfarm use. The review shall consider alternatives to the project proposal in an effort to balance the public purpose to be served by the state project against the public purpose of conserving productive farmland.

(4) The Interagency Farmland Advisory Committee shall review proposed projects of all state agencies, including but not limited to, boards and commissions. The review shall be limited to proposed projects which will require the acquisition of more than fifty (50) acres of farmland.

(5) During the planning stage of the project and before any action is taken to acquire farmland, the state agency shall submit a report to the committee. The report shall explain the project, ***contain an agricultural impact assessment,*** highlight the location of land that must be acquired, present the reasons for needing the land, and explain the reasons for rejecting alternatives to the proposed project.

Moneys from the fund shall be used for a cost-sharing program to provide financial assistance for implementation of best management practices for the purpose of providing cleaner

water through the reduction in sediment loading of Kentucky's streams, rivers, and lakes, and reducing the loss of topsoil vital to the sustained production of food.

(2) The commission is hereby empowered to promulgate administrative regulations establishing practices eligible for cost-sharing funds and prescribing amounts and limits of cost sharing. Local conservation districts shall determine the eligibility of landowners to receive the funds as may be allocated to the districts by the commission.

(3) Any landowner who has executed a written agreement with a local conservation district or any member of an agricultural district may be considered for funding under this section if the landowner or member has executed a soil and water conservation plan with the local conservation district and agrees to maintain best management practices for a period of time specified by the commission. Priority for funding within each local conservation district shall be given to animal waste management systems where animal waste has been identified as a major problem to the local community. No cost-sharing funds shall be available for land which does not exceed the soil tolerable limits. Up to five percent (5%) of any total annual appropriation may be used for technical assistance grants to districts and up to five percent (5%) of any total annual appropriation may be used for administrative costs to districts and the commission.

HB 9, AN ACT relating to liens.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 376.010 is amended to read as follows:

(1) Any person who performs labor or furnishes materials, for the erection, altering or repairing of a house or other structure or for any fixture or machinery therein, for the excavation of cellars, cisterns, vaults, wells or for the improvement in any manner of real property including the furnishing of agricultural lime, fertilizer, concrete pipe or drainage tile, crushed rock, gravel for roads or driveways, and materials used in the construction or maintenance of fences, by contract with, or by the written consent of, the owner, contractor, subcontractor, architect or authorized agent, shall have a lien thereon, and upon the land upon which the improvements were made or on any interest the owner has therein, to secure the amount thereof with interest as provided in KRS 360.040 and costs. The lien on the land or improvements shall be superior to any mortgage or encumbrance created subsequent to the beginning of the labor or the furnishing of the materials, and the lien, if asserted as hereinafter provided, shall relate back and take effect from the time of the commencement of the labor or the furnishing of the materials. The lien shall not be for a greater amount in the aggregate than the contract price of the original contractor, and should the aggregate amount of the liens exceed the price agreed upon between the original contractor and the owner there shall be a pro rata distribution of the original contract price among the lienholders.

(2) The lien shall not take precedence over a mortgage or other contract lien or bona fide conveyance for value without notice, duly recorded or lodged for record according to law, unless the person claiming the prior lien shall, before the recording of the mortgage or other contract lien or conveyance, file in the office of the county clerk of the county wherein he has furnished or expects to furnish labor or materials, a statement showing that he has furnished or expects to furnish labor or materials, and the amount in full thereof. The lien shall not, as against the holder of a mortgage or other contract lien or conveyance, exceed the amount of the lien claimed or expected to be claimed as set forth in the statement. The statement shall, in other respects, be in the form prescribed by KRS 376.080.

(3) No person who has not contracted directly with the owner or his agent shall acquire a lien under this section unless he notifies in writing the owner of the property to be held liable or his authorized agent, within seventy-five (75) days on claims amounting to less than $1,000 and one hundred twenty (120) days on claims in excess of $1,000 after the last item of material or labor is furnished, of his intention to hold the property liable and the amount for which he will claim a lien. It shall be sufficient to prove that the notice was mailed to the last known address of the owner of the property upon which the lien is claimed, or to his duly authorized agent within the county in which the property to be held liable is located.

(4) No person who has not contracted directly with the owner or his authorized agent shall acquire a lien under this section on an owner-occupied single or double family dwelling, the appurtenances or additions thereto, or upon other improvements for agricultural or personal use to the real property or real property contiguous thereto and held by the same owner, upon which the owner-occupant's dwelling is located, unless he notifies in writing the owner of the property to be held liable or his authorized agent not more than forty-five (45) days after the last item of material or labor is furnished, of the delivery of the material or performance of labor and of his intention to hold the property liable and the amount for which he will claim a lien. It shall be sufficient to prove that the notice was mailed to the last known address

of the owner of the property upon which the lien is claimed, or to his duly authorized agent. This notice is in lieu of the notice provided for in subsection (3). Notwithstanding the foregoing provisions of this subsection, the lien provided for under this section shall not be applicable to the extent that an owner-occupant of a single or double family dwelling or owner of other property as described in this subsection has, prior to receipt of the notice provided for in this subsection, paid the contractor, subcontractor, architect or authorized agent for work performed or materials furnished prior to such payment. The contractor or subcontractor cannot be the authorized agent under this subsection. This subsection shall apply to the construction of single or double family homes constructed pursuant to a construction contract with a property owner and intended for use as the property owner's dwelling.

(5) For purposes of this section, "labor" includes but is not limited to, all ***supplies and*** work done by teams, trucks, machinery, and mechanical equipment, whether the owner furnishes a driver or operator or not.

(6) "Supplies" includes small tools and equipment reasonably necessary in performing the work required to be done, including picks, shovels, sledge hammers, axes, pulleys, wire cables, ropes, and other similar items costing not more than fifty dollars ($50) per item, and tires and tubes furnished for use on vehicles engaged in the performance of the work;

(7) "Supplies" also includes the cost of labor, materials, and repair parts supplied or furnished for keeping all machinery and equipment used in the performance of the work in good operating condition; and, shall include the agreed or reasonable rental price of equipment and machinery used in performing the work to be done:

(a) The lien for rental equipment or machinery shall not be more than the aggregate sum of six (6) months' rental, and the aggregate amount of such rental shall not exceed sixty percent (60%) of the agreed value of the machinery or equipment; and

(b) The liens for supplies as defined in this subsection are subordinate to the liens for labor, material and supplies as defined in this section.

[~~(2)~~] A violent offender who has been ***sentenced to imprisonment for life without benefit of probation or parole*** [~~convicted of a capital offense and who has received a life sentence (and has not been sentenced to twenty-five (25) years without parole), or a Class A felony and receives a life sentence,~~] or to death and his sentence is commuted to a life sentence shall not be released on parole***, probation, or conditional discharge or any other means*** [~~until he has served at least twelve (12) years in the penitentiary~~].

(2)[~~(3)~~] A violent offender [~~who has been convicted of a capital offense or Class A felony with a sentence of a term of years or Class B felony who is a violent offender~~] shall not be released on parole until he has served at least fifty percent (50%) of the sentence imposed.

(3)[~~(4)~~] This section shall not apply to a person who has been determined by a court to have been a victim of domestic violence or abuse pursuant to KRS 533.060 with regard to the offenses involving the death of the victim or serious physical injury to the victim. The provisions of this subsection shall not extend to rape in the first degree or sodomy in the first degree by the defendant.

(4)[~~(5)~~] This section shall apply only to those persons who commit offenses after July 15, 1986.

Section 2. KRS 532.025 is amended to read as follows:

(1) (a) Upon conviction of a defendant in cases where the death penalty may be imposed, a hearing shall be conducted. In such hearing, the judge shall hear additional evidence in extenuation, mitigation, and aggravation of punishment, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant, or the absence of any prior conviction and pleas; provided, however, that only such evidence in aggravation as the state has made known to the defendant prior to his trial shall be admissible. The judge shall also hear argument by the defendant or his counsel and the prosecuting attorney, as provided by law, regarding the punishment to be imposed. The prosecuting attorney shall open and the defendant shall conclude the argument. In cases in which the death penalty may be imposed, the judge when sitting without a jury shall follow the additional procedure provided in subsection (2) of this section. Upon the conclusion of the evidence and arguments, the judge shall impose the sentence or shall recess the trial for the purpose of taking the sentence within the limits prescribed by law. If the trial court is reversed on appeal because of error only in the presentence hearing, the new trial which may be ordered shall apply only to the issue of punishment;

(b) In all cases in which the death penalty may be imposed and which are tried by a jury, upon a return of a verdict of guilty by the jury, the court shall resume the trial and conduct a presentence hearing before the jury. Such hearing shall be conducted in the same manner as presentence hearings conducted before the judge as provided in paragraph (a) of this subsection, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant. Upon the conclusion of the evidence and arguments, the judge shall give the jury appropriate instructions, and the jury shall retire to determine whether any mitigating or aggravating circumstances, as defined in subsection (2) of this section, exist and to recommend a sentence for the defendant. Upon the findings of the jury, the judge shall fix a sentence within the limits prescribed by law.

(2) In all cases of offenses for which the death penalty may be authorized, the judge shall consider, or he shall include in his instructions to the jury for it to consider, any mitigating circumstances or aggravating circumstances otherwise authorized by law and any of the following statutory aggravating or mitigating circumstances which may be supported by the evidence:

(a) Aggravating circumstances:

1. The offense of murder or kidnapping was committed by a person with a prior record of conviction for a capital offense, or the offense of murder was committed by a person who has a substantial history of serious assaultive criminal convictions;

2. The offense of murder or kidnapping was committed while the offender was engaged in the commission of arson in the first degree, robbery in the first degree, burglary in the first degree, rape in the first degree, or sodomy in the first degree;

4. The offender committed the offense of murder for himself or another, for the purpose of receiving money or any other thing of monetary value, or for other profit;

5. The offense of murder was committed by a person who was a prisoner and the victim was a prison employee engaged at the time of the act in the performance of his duties;

6. The offender's act or acts of killing were intentional and resulted in multiple deaths; and

(b) Mitigating circumstances:

2. The capital offense was committed while the defendant was under the influence of extreme mental or emotional disturbance even though the influence of extreme mental or emotional disturbance is not sufficient to constitute a defense to the crime;

3. The victim was a participant in the defendant's criminal conduct or consented to the criminal act;

4. The capital offense was committed under circumstances which the defendant believed to provide a moral justification or extenuation for his conduct even though the circumstances which the defendant believed to provide a moral justification or extenuation for his conduct are not sufficient to constitute a defense to the crime;

5. The defendant was an accomplice in a capital offense committed by another person and his participation in the capital offense was relatively minor;

6. The defendant acted under duress or under the domination of another person even though the duress or the domination of another person is not sufficient to constitute a defense to the crime;

7. At the time of the capital offense, the capacity of the defendant to appreciate the criminality of his conduct to the requirements of law was impaired as a result of mental illness or retardation or intoxication even though the impairment of the capacity of the defendant to appreciate the criminality of his conduct or to conform the conduct to the requirements of law is insufficient to constitute a defense to the crime; and

8. The youth of the defendant at the time of the crime.

(3) The instructions as determined by the trial judge to be warranted by the evidence or as required by KRS 532.030(4) shall be given in charge and in writing to the jury for its deliberation. The jury, if its verdict be a recommendation of death, [~~or imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence,~~] shall designate in writing, signed by the foreman of the jury, the aggravating circumstance or circumstances which it found beyond a reasonable doubt. In nonjury cases, the judge shall make such designation. In all cases unless at least one (1) of the statutory aggravating circumstances enumerated in subsection (2) of this section is so found, the death penalty [~~or the sentence to imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall not be imposed~~].

Section 3. KRS 532.030 is amended to read as follows:

(a) A term of imprisonment authorized by this chapter; or

(b) A fine authorized by KRS Chapter 534; or

(c) Both imprisonment and a fine unless precluded by the provisions of KRS Chapter 534.

(4) In all cases in which the death penalty may be authorized the judge shall instruct the jury in accordance with subsection (1) of this section. The instructions shall state, subject to the aggravating and mitigating limitations and requirements of KRS 532.025, that the jury may recommend upon a conviction for a capital offense a sentence of death, or a term of imprisonment for life without benefit of probation or parole ~~[until the defendant has served a minimum of twenty-five (25) years of his sentence, or a sentence of life,]~~ or to a term of not less than twenty (20) years.

Section 4. KRS 532.060 is amended to read as follows:

(1) A sentence of imprisonment for a felony shall be an indeterminate sentence, the maximum of which shall be fixed within the limits provided by subsection (2), and subject to modification by the trial judge pursuant to KRS 532.070.

(2) The authorized maximum terms of imprisonment for felonies are:

(a) For a Class A felony, ***imprisonment for life without benefit of probation or parole or a term of*** not less than twenty (20) years ~~[nor more than life imprisonment]~~;

(b) For a Class B felony, not less than ten (10) years nor more than twenty (20) years;

(c) For a Class C felony, not less than five (5) years nor more than ten (10) years; and

(d) For a Class D felony, not less than one (1) year nor more than five (5) years.

(3) The actual time of release within the maximum established by subsection (1), or as modified pursuant to KRS 532.070, shall be determined under procedure established elsewhere by law.

Section 5. KRS 532.080 is amended to read as follows:

(1) When a defendant is found to be a persistent felony offender, the jury, in lieu of the sentence of imprisonment assessed under KRS 532.060 for the crime of which such person presently stands convicted, shall fix a sentence of imprisonment as authorized by subsection (5) or (6) of this section. When a defendant is charged with being a persistent felony offender, the determination of whether or not he is such an offender and the punishment to be imposed pursuant to subsection (5) or (6) of this section shall be determined in a separate proceeding from that proceeding which resulted in his last conviction. Such proceeding shall be conducted before the court sitting with the jury that found the defendant guilty of his most recent offense unless the court for good cause discharges that jury and impanels a new jury for that purpose.

(2) A persistent felony offender in the second degree is a person who is more than twenty-one (21) years of age and who stands convicted of a felony after having been convicted of one (1) previous felony. As used in this provision, a previous felony conviction is a conviction of a felony in this state or conviction of a crime in any other jurisdiction provided:

(a) That a sentence to a term of imprisonment of one (1) year or more or a sentence to death was imposed therefor; and

(b) That the offender was over the age of eighteen (18) years at the time the offense was committed; and

(c) That the offender:

1. Completed service of the sentence imposed on the previous felony conviction within five (5) years prior to the date of commission of the felony for which he now stands convicted; or

2. Was on probation, parole, conditional discharge, conditional release, furlough, appeal bond, or any other form of legal release from any of the previous felony convictions at the time of commission of the felony for which he now stands convicted; or

3. Was discharged from probation, parole, conditional discharge, conditional release, or any other form of legal release on any of the previous felony convictions within five (5) years prior to the date of commission of the felony for which he now stands convicted; or

4. Was in custody from the previous felony conviction at the time of commission of the felony for which he now stands convicted; or

5. Had escaped from custody while serving any of the previous felony convictions at the time of commission of the felony for which he now stands convicted.

(3) A persistent felony offender in the first degree is a person who is more than twenty-one (21) years of age and who stands convicted of a felony after having been convicted of two (2) or more felonies. As used in this provision, a previous felony conviction is a conviction of a felony in this state or conviction of a crime in any other jurisdiction provided:

(a) That a sentence to a term of imprisonment of one (1) year or more or a sentence to death was imposed therefor;

and

(b) That the offender was over the age of eighteen (18) years at the time the offense was committed; and

(c) That the offender:

1. Completed service of the sentence imposed on any of the previous felony convictions within five (5) years prior to the date of the commission of the felony for which he now stands convicted; or

2. Was on probation, parole, conditional discharge, conditional release, furlough, appeal bond, or any other form of legal release from any of the previous felony convictions at the time of commission of the felony for which he now stands convicted; or

3. Was discharged from probation, parole, conditional discharge, conditional release, or any other form of legal release on any of the previous felony convictions within five (5) years prior to the date of commission of the felony for which he now stands convicted; or

4. Was in custody from the previous felony conviction at the time of commission of the felony for which he now stands convicted; or

5. Had escaped from custody while serving any of the previous felony convictions at the time of commission of the felony for which he now stands convicted.

(4) For the purpose of determining whether a person has two (2) or more previous felony convictions, two (2) or more convictions of crime for which that person served concurrent or uninterrupted consecutive terms of imprisonment shall be deemed to be only one (1) conviction, unless one (1) of the convictions was for an offense committed while that person was imprisoned.

(5) A person who is found to be a persistent felony offender in the second degree shall be sentenced to an indeterminate term of imprisonment pursuant to the sentencing provisions of KRS 532.060(2) for the next highest degree than the offense for which convicted. A person who is found to be a persistent felony offender in the second degree shall not be eligible for probation, shock probation or conditional discharge.

(6) A person who is found to be a persistent felony offender in the first degree shall be sentenced to imprisonment as follows:

(a) If the offense for which he presently stands convicted is a Class A or Class B felony, a persistent felony offender in the first degree shall be sentenced to an indeterminate term of imprisonment, the maximum of which shall not be less than twenty (20) years ~~[nor more than life imprisonment]~~; or

(b) If the offense for which he presently stands convicted is a Class C or Class D felony, a persistent felony offender in the first degree shall be sentenced to an indeterminate term of imprisonment, the maximum of which shall not be less than ten (10) years nor more than twenty (20) years.

(7) A person who is found to be a persistent felony offender in the first degree shall not be eligible for probation, shock probation, or conditional discharge, nor for parole until having served a minimum term of incarceration of not less than ten (10) years.

As used in this chapter, unless the context otherwise requires:

The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

For policies with provisions for deductibles with effective dates on or before December 31, 1993, for which the insurance carrier did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy.***

(28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the ***commissioner*** [~~Workers' Compensation Board~~] using generally accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The ***commissioner*** [~~board~~] shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each [~~such~~] claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of ***the*** [~~such~~] claims using the adjusted weekly benefit shall then be calculated by the ***commissioner*** [~~board~~]. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.

(b) The ***commissioner*** [~~board~~] shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from [~~board~~] records ***of the department*** and from the records of the Division of Unemployment Insurance. The ***commissioner*** [~~board~~] shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

(c) The ***commissioner*** [~~board~~] shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.12

and shall then be multiplied by the employer's most recent annualized payroll, calculated using [~~board~~] records ***of the department*** and ***the*** Division of Unemployment Insurance data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

(d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the ***commissioner,*** [~~board~~] which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on ***the*** [~~such~~] lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the ***commissioner*** [~~board~~] pursuant to KRS 342.340(1).

(f) If an employer is certified to carry his own risk after having previously insured ***the*** [~~such~~] risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured, he shall be assessed only upon the premium calculated under this subsection.

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection, except that the value for each such employer's claims shall be the total of the indemnity benefits paid by the employer, adjusted to current benefit levels, plus the medical benefits paid.

(29)[~~(26)~~] "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.

(30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

If the hearing officer determines, based upon substantial evidence of record, that the center's findings resulted from fraud, or willful and wanton misconduct, the findings shall be disregarded and the employee shall be referred to another certified occupational medicine center for evaluation and a written report of findings on all disputed medical questions. All costs associated with the subsequent evaluations shall be paid by the offending party, individual, or occupational medicine center, pursuant to orders of the hearing officer.

(2) *No provider of medical services or treatment required by this chapter, its agent, servant, employee, assignee, employer, or independent contractor acting on behalf of any medical provider, shall knowingly collect, attempt to collect, coerce, or attempt to coerce, directly or indirectly, the payment of any charge, for services covered by a workers' compensation insurance plan for the treatment of a work-related injury or occupational disease, in excess of that provided by a schedule of fees, or cause the credit of any employee to be impaired by reason of the employee's failure or refusal to pay the excess charge. In addition to the penalty imposed in Section 63 of this Act for violations of this subsection, any individual who sustains damages by any act in violation of the provisions of this subsection shall have a civil cause of action in Circuit Court to enjoin further violations and to recover the actual damages sustained by the individual, together with the costs of the lawsuit, including a reasonable attorney's fee.*

(3) Where *these* [~~such~~] requirements are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting it. No compensation shall be payable for the death or disability of an employee if his death is caused, or if and insofar as his disability is aggravated, caused*,* or continued, by an unreasonable failure to submit to or follow any competent surgical treatment or medical aid or advice.

(5) (a) To ensure compliance with subsections (1) and (4) of this section, the commissioner shall promulgate administrative regulations by December 31, 1994, which require each insurance carrier, group self-insurer, and self-insured employer to certify to the commissioner the program or plan it has adopted to ensure compliance.

(b) In addition, the commissioner shall periodically have an independent audit conducted by a qualified independent person, firm, company, or other entity hired by the commissioner, in accordance with the personal service contract provisions contained in KRS 45A.690 to 45A.725, to ensure that the requirements of subsections (1) and (4) of this section are being met. The independent person, firm, company, or other entity selected by the commissioner to conduct the audit shall protect the confidentiality of any information it receives during the audit, shall divulge information received during the audit only to the commissioner, and shall use the information for no other purpose than the audit required by this paragraph.

(c) If medical utilization review activities are conducted by an insurance carrier, group self-insurer, or self-insured employer pursuant to this section, these activities shall be performed by a private review agent which is licensed or certified as a private review agent by the Cabinet for Human Resources.

(d) On October 1, 1994, and thereafter as often as required, the commissioner shall report to the Labor and Industry Committee of the General Assembly the degree of compliance or lack of compliance with the provisions of this section and make recommendations thereon.

(e) The cost of implementing and carrying out the requirements of this subsection shall be paid by the Workers' Compensation Funding Commission.

However, in no event shall a photocopying fee of a medical provider or photocopying service exceed fifty cents ($0.50) per page. In addition, there shall be no charge for reviewing any records of a medical provider, during regular business hours, by any party who is authorized to review the records and who requests a review pursuant to this chapter.

SECTION 20. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(d) Requiring reports from providers on the condition of the employee; and

(e) Establishing procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of medical services shall be resolved.

(2) Pending the effective date of administrative regulations promulgated by the commissioner, all administrative

regulations heretofore promulgated by the Workers' Compensation Board pertaining to these matters shall remain in effect, it being determined that those administrative regulations are within the statutory grant of authority and meet legislative intent.

Section 21. KRS 342.735 is amended to read as follows:

The ***commissioner*** ~~[board]~~ shall ***promulgate administrative*** ~~[establish rules and]~~ regulations to expedite the payment of temporary total disability and medical expense benefits. ***The commissioner may promulgate administrative regulations incorporating managed care or other concepts intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.***

PART 6

(d) Expediting the restoration of the injured worker to employment;

(e) Assuring prompt rendition of benefits granted by this chapter;

(f) Implementing early referral of the employee for medical and vocational evaluations where required; and

(g) Other investigative and conciliation functions as the commissioner may direct.

(2) The division shall be staffed by personnel trained in mediation techniques, familiar with medical and vocational rehabilitation principles and knowledgeable of the provisions of this chapter and the Americans with Disabilities Act, 42 U.S.C. sec. 12101.

(3) The employee, employer, carrier, self-insured administrator, and medical providers shall promptly comply with reasonable information requests from an ombudsman.

(4) The ombudsman, upon the request of the employee, employer, carrier, or self-insured administrator, or on his own initiative, may refer the employee to a certified occupational medicine center.

(a) Upon receipt of the certified occupational medicine center's report, the ombudsman shall direct the parties to comply with the findings of the report. This shall include the ordering of medical benefits and temporary total disability income benefits or a return to work order as indicated in the certified occupational medicine center's report. If the employer fails to return the employee to work after proper order of the ombudsman, the ombudsman may direct the employer, carrier, or self-insured administrator to commence payment of temporary disability income benefits and medical expenses; if benefits are ordered as a result of an employer failing to return an employee to work the claim shall be referred by the ombudsman to a hearing officer for resolution under the procedures of KRS 342.230(3). If an employee refuses to return to work after an ombudsman orders a return, the ombudsman may order the employee's benefits ceased and refer the claim to a hearing officer for resolution under the procedures of KRS 342.230(3). However, no claim for benefits shall be made until the employee reaches maximum medical improvement as determined by a certified occupational medicine center unless there is a dispute pursuant to paragraph (c) of this subsection.

(b) The ombudsman may order rehabilitation services for an injured employee pursuant to KRS 342.710 if in accordance with the findings of the certified occupational medicine center.

(5) The ombudsman may approve an agreement between the employer and employee, if it meets the requirements for these agreements specified by the commissioner through administrative regulation.

(6) Matters brought before an ombudsman shall be processed in accordance with administrative regulations promulgated by the commissioner.

(7) In the event either party fails to comply with his orders, the ombudsman may make recommendations to a hearing officer that costs be assessed against the noncomplying party pursuant to KRS 342.310.

PART 7

TWENTY-FOUR HOUR COVERAGE

SECTION 23. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) By January 1, 1995, the commissioner of the Department of Workers' Compensation Coverage and Compliance shall promulgate administrative regulations pursuant to KRS Chapter 13A authorizing the establishment by March 1, 1995, of pilot projects for twenty-four (24) hour health coverage.

(a) A twenty-four (24) hour policy may cover general health care for purposes of general health insurance, auto insurance, workers' compensation, or health care normally covered by any line of insurance written in the Commonwealth;

(b) A twenty-four (24) hour coverage policy shall not contain deductibles or copayments for medical services or treatment for work-related injuries or diseases; and

(c) There shall be no transfer of liabilities or expenses between or among particular lines of insurance whose medical or health components have been combined into a twenty-four (24) hour coverage for health care.

(2) No policy for twenty-four (24) hour coverage shall become effective until it is reviewed and approved by the commissioner, in consultation with the commissioner of the Department of Insurance.

(3) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, each insurer authorized or licensed to write insurance in the Commonwealth shall provide any information requested by the commissioner for the purpose of developing a twenty-four (24) hour health policy.

(4) The purchase of a twenty-four (24) hour health policy shall not constitute an exemption from statutory provisions which require other nonmedical insurance coverage. However, an insurance carrier shall reduce its premium for insurance coverage written without the medical or health care component. Notwithstanding the provisions of Subtitle 13 of KRS Chapter 304, the premium reduction required in this subsection shall be subject to the approval of the commissioner of the Department of Insurance.

(5) If an employer obtains a twenty-four (24) hour health insurance policy, pursuant to this section, to secure payment of compensation for medical care and treatment under this chapter, the employer shall also procure an insurance policy which shall provide indemnity benefits to ensure that the total coverage afforded by both the twenty-four (24) hour insurance policy and the policy providing indemnity benefits, shall provide the total compensation required by this chapter.

(6) The participants in a pilot project for twenty-four (24) hour health coverage shall comply with periodic reporting requirements of the commission.

(7) Each insurer authorized or licensed to write insurance in the Commonwealth shall cooperate with the commissioner and shall provide any information requested by the commissioner for the purpose of studying twenty-four (24) hour health policy.

(8) Each agency of state government shall cooperate with the commissioner if requested to provide information for the purposes of this section.

Section 24. KRS 342.375 is amended to read as follows:

Every policy or contract of workers' compensation insurance under this chapter, issued or delivered in this state, shall cover the entire liability of the employer for compensation to every one of his employees subject to this chapter, except as otherwise provided in KRS 342.345 *or in Section 23 of this Act*. However, if specifically authorized by the commissioner *of the Department of Workers' Compensation Coverage and Compliance*, a separate insurance policy may be issued for a specified plant or work location if the liability of *the* [~~such~~] employer under this chapter to all his other employees subject to this chapter is otherwise secured and provided that no employee transferred from one plant or work location to another within the employment of the same employer shall thereby lose any benefit rights accumulated under the average weekly wage concept.

PART 8

PERMANENT PARTIAL DISABILITY, RIB, TELEDYNE, AND REOPENING

Section 25. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

(a) For total disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred *ten* percent *(110%)* [~~(100%)~~] of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during *that* [~~such~~] disability. *Nonwork-related disability shall not be considered in determining whether the employee is totally disabled for purposes of this subsection, unless the employee has filed and pursued in good faith a claim for social security disability benefits and the claim has been finally denied by the Social Security Administration appeals council. If the employee's social security disability claim is pending when his workers' compensation claim is decided, the hearing officer shall defer decision on the issue of duration of benefits until provided with proof of the ruling of the appeals council.*

(b) For permanent, partial disability, *when the employee is not returned to work at an average weekly wage at least equal to the employee's preinjury average weekly wage,* sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by his percentage of ***permanent functional impairment*** ~~[disability]~~ caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, ***or other criteria adopted by the commissioner for use when these guides are not applicable,*** or by his percentage of disability as determined under KRS 342.0011(11), whichever is greater, for a maximum period, from the date the disability arises, of four hundred twenty-five (425) weeks. ~~[Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section.]~~ Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(c) If an injured employee is employed and the average weekly wage of the employee is at least equal to the employee's preinjury average weekly wage, the employee shall be paid income benefits of sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by his percentage of permanent functional impairment caused by the injury as determined by using the American Medical Association's Guides to the Evaluation of Permanent Impairment, latest available edition, or other criteria adopted by the commissioner for use when these guides are not applicable. The maximum period for payment of the income benefits shall be four hundred twenty-five (425) weeks from the date of the injury.

(d) If the injured employee, through no fault of his own, becomes unemployed and is unable to obtain comparable employment as a result of the injury, or fails to receive a wage increase as a result of the injury, or suffers a wage decrease as a result of the injury, the employee may move to reopen his claim pursuant to the requirements and limitations set forth in KRS 342.125 and receive income benefits based upon his disability as provided for in subsections (1)(a) or (1)(b) of this section, except if the reopening results in an award of permanent partial disability benefits, the income benefits shall be paid for a maximum period of four hundred twenty-five (425) weeks from the date the motion to reopen the claim is filed with the Department of Workers' Claims. Any income benefits previously awarded based upon the employee's permanent impairment or disability resulting from the injury shall be excluded from any income benefits awarded through the reopening of the claim. All income benefits awarded under this subsection shall be based upon the employee's average weekly wage and the state average weekly wage in effect on the date of the filing of the motion to reopen with the Department of Workers' Claims.

(e) Any temporary total disability period within the maximum period for permanent, partial disability benefits or functional impairment benefits shall extend the maximum four hundred twenty-five (425) week period, but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section.

(2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.

(3) When an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after ***the*** ~~[such]~~ death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

(a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

(b) If there are both ~~[such]~~ a widow or widower and such a child or children, to ***the*** ~~[such]~~ widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of ***those*** ~~[such]~~ benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or

(c) If there is no ~~[such]~~ widow or widower but such a child or children, then to ***the*** ~~[such]~~ child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of ***those*** ~~[such]~~ benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or

(d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in ~~[such]~~ proportions ***that*** ~~[as]~~ the ***commissioner provides*** ~~[board may~~

~~provide]~~ by ***administrative*** regulation.

(e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if ***the*** ~~[such]~~ proportioned benefits remain unpaid, to be paid in a lump sum.

(4) All benefits awarded under this chapter based upon the life expectancy of the employee shall be based on the life expectancies contained in the overall male or female mortality tables in the most recent available edition of the United States Decennial Life Tables. If the most recent edition of the United States Decennial Life Tables includes Kentucky tables, these tables shall be used. If it does not, the national tables shall be used.

(5) The commissioner shall provide by administrative regulation for the periodic reporting to the employer, carrier, special fund, or uninsured employers' fund, of all earnings of any nature by the injured employee entitled to or claiming benefits for permanent total disability. The employer, carrier, special fund, or uninsured employers' fund shall not be required to make any payment of benefits for permanent total disability for any period during which the employee willfully fails or refuses to report upon request by any of them in the manner prescribed by administrative regulation.

Section 26. KRS 342.732 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust shall be paid as follows:

(a) ***1.*** If the ***hearing officer*** ~~[administrative law judge]~~ finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, resulting from exposure to coal dust, which is validated by two (2) X-rays and reports of the X-rays which conform to the standards for X-rays contained in subsection (2) of KRS 342.316, he shall award a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by fifty percent (50%) and shall be payable for a period not to exceed two hundred and eight (208) weeks ***Except as provided in subparagraph 2. below,***. the one (1) time only retraining incentive benefit awarded under this paragraph may be collected semimonthly as provided in KRS 342.040, by the employee while he continues to work in the mining industry. The retraining incentive benefit may be collected in a lump sum when the employee leaves his hazardous employment in the mining industry if the parties agree and the agreement is approved by the ***hearing officer*** ~~[administrative law judge. Based upon this examination, the administrative law judge may make appropriate findings and enter an award if indicated]~~.

2. The one (1) time only retraining incentive benefit may be collected semimonthly as provided in KRS 342.040 by the employee while he continues to work in the mining industry if that the employee is enrolled and actively participating in a bona fide state or federally approved, sponsored, or certified training or education program. In this event, the benefit shall be paid directly to the institution conducting the training or education program on a semimonthly basis, unless another payment method is approved by the commissioner. The benefit shall not be paid for a period in which the employee ceases to participate in the program.

(b) If the ***hearing officer*** ~~[administrative law judge]~~ finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the guides, to the evaluation of permanent impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee has an occupational disability rating of seventy-five percent (75%) resulting from exposure to coal dust and the ***hearing officer*** ~~[administrative law judge]~~ shall award an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage multiplied by the disability rating of seventy-five (75%) but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed four hundred and twenty-five (425) weeks.

(c) If the ***hearing officer*** ~~[administrative law judge]~~ finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the Guides to the Evaluation of Permanent Impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the ***hearing officer*** ~~[administrative law judge]~~ shall award income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during ***the*** [~~such~~] disability.

(d) If the ***hearing officer*** [~~administrative law judge~~] finds that an employee has occupational pneumoconiosis with a radiographic classification of category 2/1, 2/2, 2/3, 3/2, 3/3, or progressive massive fibrosis, based on the latest ILO International Classification of Radiographics, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the ***hearing officer*** [~~administrative law judge~~] shall award income benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.

(2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.

(3) When valid spirometric tests are not provided and a physician certifies to the ***hearing officer*** [~~administrative law judge~~] that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the ***hearing officer*** [~~administrative law judge~~] shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to ***the*** [~~such~~] occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula (103.5 - 0.42X), where X equals the claimant's age at the time of the arterial blood gas study.

Section 27. KRS 342.125 is amended to read as follows:

(1) Upon its own motion or upon the application of any party and a showing of change of ***condition*** [~~occupational disability~~], mistake or fraud***,*** or newly discovered evidence, the ***hearing officer*** [~~administrative law judge~~] may at any time reopen and review any award or order, except as provided in subsection ***(3)*** [~~(2)~~] of this section, ending, diminishing***,*** or increasing the compensation previously awarded, within the maximum and minimum provided in this chapter, or change or revoke his previous order, sending immediately to the parties a copy of his subsequent order or award. Reopening and review under this section shall be had upon notice to the parties and in the same manner as provided for an initial proceeding hereunder but shall not affect the previous order or award as to any sums already paid thereunder. The employer shall not suspend the payment of benefits during the pendency of any reopening procedures. ***An employee who is receiving income benefits for permanent functional impairment pursuant to subsection (1)(c) of Section 25 of this Act shall not be permitted to reopen his claim or award based upon a showing of a change of condition, unless he has become unemployed as a result of the worsening of his condition.***

(2) ***For injuries occurring on or after the effective date of this Act, upon the motion or application of the injured employee showing that the employee following his workplace injury and return to employment has become unemployed, through no fault of his own, and is unable to obtain comparable employment as a result of the injury, or has failed to receive a wage increase as a result of the injury, or has suffered a wage decrease as a result of the injury, the hearing officer may review any award or order and increase the compensation previously awarded within the maximum and minimum provided in this chapter. Applications or motions to reopen based upon the grounds set forth in this subsection must be made within two (2) years of the last payment of permanent impairment or permanent disability income benefits or within four hundred twenty-five (425) weeks from the date of injury, whichever is later, or any additional award of income benefits shall be barred. No reopening under this subsection shall be allowed when the employee has voluntarily removed himself from his employment through longevity retirement or through a voluntary change of occupations or jobs which results in a decrease in the employee's earnings.***

(3) (a) Upon the application of the affected employee, and a showing of progression of his previously diagnosed occupational pneumoconiosis resulting from exposure to coal dust and development of respiratory impairment due to ***that*** [~~such~~] pneumoconiosis, the ***hearing officer*** [~~administrative law judge~~] may review an award of a retraining incentive benefit because of ***the*** [~~such~~] diagnosis, and upon a finding of respiratory impairment due to ***that*** [~~such~~] pneumoconiosis shall make an award for benefits as provided in KRS 342.732. Such a reopening may also occur upon a showing of progression of respiratory impairment in a claim for which benefits were previously awarded under the provisions of KRS 342.732. An application for review under this subsection shall be made within one (1) year of the date the employee knew or reasonably should have known that a progression of his disease and development or progression of respiratory impairment have occurred. Review under this subsection shall include a review of all evidence admitted in all prior proceedings.

(b) Benefits awarded as a result of a review under this subsection shall be reduced by the amount of retraining incentive benefits previously awarded and, if applicable, also by the amount of income benefits previously awarded under KRS 342.732. The amount to be deducted shall be subtracted from the total amount awarded, and the remaining amount shall be divided by the number of weeks, for which the award was made, to arrive at the weekly benefit amount [~~which shall be apportioned in accordance with the provisions of KRS 342.316~~].

(4)[~~(3)~~] Where an agreement has become an award by approval of the ***ombudsman or hearing officer*** [~~administrative law judge~~], and a reopening and review of ***that*** [~~such an~~] award is initiated, no statement contained in the agreement, whether as to jurisdiction, liability of the employer, nature and extent of disability, or as to any other matter, shall be considered by the ***hearing officer*** [~~administrative law judge~~] as an admission against the interests of any party. The parties may raise any issue upon reopening and review of this type of award which could have been considered upon an original application for benefits.

PART 9

ATTORNEY'S FEES

Section 28. KRS 342.320 is amended to read as follows:

(1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of the ***hearing officer*** [~~administrative law judge~~] pursuant to the statutes and administrative regulations. In an original claim, no ***attorney's*** [~~attorney~~] fees shall be allowed or approved against any party not represented by ***an*** [~~said~~] attorney, nor shall any ***attorney's*** [~~attorney~~] fee be allowed or approved exceeding an amount equal to twenty percent (20%) of the first twenty-five thousand dollars ($25,000), fifteen percent (15%) of the next ten thousand dollars ($10,000)***,*** and five percent (5%) of the remainder of the amount recovered as actuarially determined on past and future benefits according to the life expectancies contained in the overall male or female mortality tables in the most recent available edition of the ***United States*** [~~U.S.~~] Decennial Life Tables and the Remarriage Tables of the Dutch Royal Insurance Institute. ***However, in no event shall the attorney's fee exceed ten thousand dollars ($10,000).*** If the most recent edition of the ***United States*** [~~U.S.~~] Decennial Life Tables includes Kentucky tables, those tables shall be used. If it does not, the national tables shall be used. [~~Provided, however,~~] The ***hearing officer*** [~~administrative law judge~~], in making an allowance of ***attorney's*** [~~attorney~~] fees, shall in each case examine the record to ascertain the extent of the services rendered, and fix a reasonable fee for the services rendered, not to exceed the maximum authorized by this section. The factors to be considered by the ***hearing officer*** [~~administrative law judge~~] in making the allowance of ***an attorney's*** [~~attorney~~] fees shall include, but not necessarily be limited to: nature, scope, and quality of the attorney's services; level of skill and competence required of the attorney in rendering the services; results achieved; experience and skill level of the attorney; and contingent nature of the case. In the order making the allowance of ***an attorney's*** [~~attorney~~] fees, the ***hearing officer*** [~~administrative law judge~~] shall set forth findings sufficient to support the amount approved. The ***hearing officer*** [~~administrative law judge~~] may reduce the attorney's fee to an amount commensurate with the services performed, or may deny or reduce an attorney's fee upon proof of solicitation of employment. Any award made to a claimant in a nonresisted claim as established under the provisions of KRS 342.316 shall result in an award of an ***attorney's*** [~~attorney~~] fee not exceeding seven hundred fifty dollars ($750).

(2) ***(a)*** No attorney's fee in any case involving benefits under this chapter shall be paid until the ***expenses incurred in preparing and processing the case are reviewed and until the*** fee is ***reviewed and*** approved by the ***hearing officer*** [~~administrative law judge~~], and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an ***attorney's*** [~~attorney~~] fee shall be submitted within thirty (30) days following finality of the last appealable order of the ***hearing officer*** [~~administrative law judge~~]. The ***attorney's*** [~~attorney~~] fee shall be paid in one (1) of the following ways:

[~~(a) The entire attorney's fee in a lump sum shall be paid directly to the attorney of record and the *hearing officer* administrative law judge shall order the payment of same, commuting sufficient of the final payments of compensation payable under the award to a lump sum for that purpose; or~~]

1.[~~(b)~~] The claimant may pay the attorney's fee out of his personal funds ***or from the proceeds of a lump sum settlement***; or

2.[~~(c)~~] The ***hearing officer*** [~~administrative law judge~~], upon request of the claimant, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the claimant in equal installments over the duration of the award or until the attorney's fee has been paid***, commuting sufficient sums to pay the fee.***

(b) In the event of a lump-sum settlement or payment of an award by lump sum, the hearing officer, upon request of the claimant, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the lump sum due to the claimant.

(3) The attorney shall explain to the claimant the methods by which this section provides for the payment of the attorney's fee, and the claimant shall select the method in which his attorney's fee[~~,~~] is to be paid. His selection and statement that he fully understands the method to be used shall be submitted ***by his attorney***, on a notarized form signed by the claimant, [~~by his attorney~~] at the time the motion for approval of the attorney's fee is submitted. The ***commissioner*** [~~board~~] shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of ***an attorney's*** [~~attorney~~] fees and an explanation in

nontechnical language of each method.

(4) The General Assembly declares that by the enactment of subsection (2)(b) of KRS 342.316, it is the legislative intent to encourage settlement and prompt administrative handling of ***those*** [~~such~~] claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the ***hearing officer*** [~~administrative law judge~~] shall give due regard to ***this*** [~~such~~] legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.

(5) The ***hearing officer*** [~~administrative law judge~~] shall approve any contract between attorney and client if the ***fees are reviewed and approved by the hearing officer pursuant to subsection (1) of this section and if the*** limits on fees enumerated below are followed:

(a) When the claim is uncontested under the provisions of KRS 342.316, the ***attorney's*** [~~attorney~~] fee shall not exceed an amount equal to seven hundred fifty dollars ($750).

(b) In all other claims, the fee of the attorney shall not exceed the amounts provided in subsection (1) of this section.

(6) (a) In a claim that has been reopened pursuant to the provisions of this chapter, an ***attorney's*** [~~attorney~~] fee may be awarded by the ***hearing officer*** [~~administrative law judge~~]. In awarding the ***attorney's*** [~~attorney~~] fee, the ***hearing officer*** [~~administrative law judge~~] shall consider the factors set forth in subsection (1) of this section.

(b) Thereafter, the ***hearing officer*** [~~administrative law judge~~] shall fix the ***attorney's*** [~~attorney~~] fee. No ***attorney's*** [~~attorney~~] fee shall be allowed or approved against any party not represented by ***that*** [~~said~~] attorney, nor shall any ***attorney's*** [~~attorney~~] fee be allowed or approved exceeding the amounts provided in subsection (1) of this section applicable to any additional amount recovered. If there is no additional amount recovered in a reopened claim, there shall be no ***attorney's*** [~~attorney~~] fee.

(7) (a) In addition to the review of attorney's fees required in this section, an attorney for an employer in a case shall provide an affidavit to the hearing officer at the conclusion of each case which includes the following:

1. The number of hours billed to the employer/carrier;

2. The hourly rate charged for handling, processing, or practicing the case;

3. The number of depositions and medical examinations with the cost of each;

4. Itemized amounts spent on telephone calls, photocopying, traveling, or other expenses;

5. The hourly rate charged for legal practice other than workers' compensation; and

6. The total amount billed to employer or carrier.

(b) The hearing officer shall review the affidavit required by paragraph (a) and apply the standards of review contained in this section that pertain to review of attorney's fees.

PART 10

SPECIAL FUND - SCOPE AND COVERAGE

Section 29. KRS 342.120 is amended to read as follows:

[~~(1)~~] There is created the Division of the Special Fund in the Department of ***Workers' Compensation Coverage and Compliance*** [~~Workplace Standards~~] which shall be responsible for the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund. The Division of the Special Fund shall be headed by a director appointed by the commissioner, with the prior written approval of the governor pursuant to KRS 12.050. The director shall be responsible for overseeing the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund.

[~~(2) A claimant may name the special fund as a party in the original application for benefits, or either party shall by motion not later than forty-five (45) days prior to the first scheduled prehearing conference, unless there is a showing of good cause, request the administrative law judge to and the administrative law judge shall, cause the special fund to be made a party to the proceedings if either or both of the following appears:~~

~~(a) The employee is disabled, whether from a compensable injury, occupational disease, pre-existing disease, or otherwise, and has received a subsequent compensable injury by accident, or has developed an occupational disease;~~

~~(b) The employee is found to have a dormant nondisabling disease or condition which was aroused or brought into disabling reality by reason of a subsequent compensable injury by accident or an occupational disease.~~

~~(3) All motions to join the special fund shall include proper allegations demonstrating the basis for joinder and certification of the fact that a copy of the motion and the entire case file has been forwarded to the special fund at the cost of the movant.~~

~~(4) Failure to move for joinder of the special fund within the time limit prescribed by this section, without a showing of good cause, shall bar any recovery against the special fund.~~

~~(5) When the special fund has been made a party, the administrative law judge may direct the procedures provided in KRS~~

~~342.121.~~

~~(6) If it is found that the employee is a person mentioned in paragraphs (a) or (b) of subsection (2) of this section and a subsequent compensable injury or occupational disease has resulted in additional permanent disability so that the degree of disability caused by the combined disabilities is greater than that which would have resulted from the subsequent injury or occupational disease alone, and the employee is entitled to receive compensation on the basis of the combined disabilities, the employer shall be liable for the payment of all income benefits until the benefits paid have reached a percentage of the full income benefits awarded by the administrative law judge which is equal to the percentage of disability which would have resulted from the latter injury or occupational disease had there been no pre-existing disability or dormant, but aroused disease or condition.~~

~~(7) The remaining compensation for which such resulting condition would entitle the employee, including any compensation for disability resulting from a dormant disease or condition aroused into disabling reality by the injury or occupational disease, but excluding all compensation which the provisions of this chapter would have afforded on account of prior disabling disease or injury had it been compensated thereunder, shall be paid out of the special fund provided for in KRS 342.122. Such remaining compensation shall be paid directly to the employee under such regulations as the secretary of finance and administration may provide for such purpose.~~

~~(8) In making the computation for the apportionment of benefits under this section, the administrative law judge shall determine the amount of the employee's weekly income benefits and apportion the award between the employer and special fund as follows:~~

~~(a) For benefits awarded under KRS 342.730(1)(b), the portions shall be based on the number of weeks stated therein;~~

~~(b) For all other benefits awarded under this chapter, except retraining incentive benefits awarded pursuant to KRS 342.732, the portions shall be based on the life expectancies contained in the overall male or female mortality tables in the most recent available edition of the U.S. Decennial Life Tables. If the most recent edition of the U.S. Decennial Life Tables includes Kentucky tables, these tables shall be used. If it does not, the national tables shall be used.~~]

Section 30. KRS 342.316 is amended to read as follows:

(1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator. Said employer shall have the right to contribution from each previous employer, as determined in an independent civil action, wherein the employee was similarly exposed to the hazard of said occupational disease, in a sum equal to the ratio that each exposure employment time bears to the total exposure employment time, except as otherwise provided in paragraph (a) of subsection (10) of this section; and

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, except that the time of the beginning of retraining incentive benefits awarded under KRS 342.732 shall be the date the award for ***those*** [~~such~~] benefits by the ***hearing officer*** [~~administrative law judge~~] becomes final.

(2) (a) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to ***the*** [~~such~~] disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted ***the*** [~~such~~] disease, or a diagnosis of ***the*** [~~such~~] disease is first communicated to him, whichever shall first occur;

(b) Except as provided in paragraph (d) of this subsection, the procedure with respect to filing of claims shall be as follows:

1. a. The application shall set forth the complete work history of the applicant with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least two (2) written medical reports supporting his claim. These medical reports shall be made on the basis of comprehensive clinical examinations performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The reports shall be made by duly licensed physicians. [~~Within one hundred and eighty (180) days following October 26, 1987,~~] The

commissioner [~~board~~] shall promulgate administrative regulations which prescribe the format of the medical reports required ***by this section*** [~~herein~~] and the manner in which ***the*** [~~such~~] reports shall be completed.

b. For coal-related occupational pneumoconiosis claims, each clinical examination shall include chest X-ray examinations and spirometric tests.

c. For other compensable occupational pneumoconiosis claims, each clinical examination shall include X-ray examinations and appropriate pulmonary function tests.

2. To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust, shall comply with accepted medical standards as follows:

a. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report.

b. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and the 1978 ATS epidemiology standardization project. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.

3. The board shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of subsection (2)(b) of this section. The ***commissioner*** [~~board~~] shall periodically review the applicability of the spirometric test values contained in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.

(c) Except as provided in paragraph (d) of this subsection, the procedure with respect to the determination of claims shall be as follows:

1. Immediately upon receipt of said application for adjustment of claim, the commissioner shall notify the affected employer, the special fund and any other interested party of such claim and shall furnish them with a full and complete copy of the claim;

2. Upon receipt of notice of the claim***,*** the employer[~~, the special fund, and any other interested party shall have the right to have the claimant examined by competent medical experts, at their expense, including a reasonable sum for travel. Within thirty (30) days of any such examination, the claimant or his representative shall be furnished a copy of said medical report by the party requesting such report. Also, the employer, the special fund, or any other party to the claim~~] shall have the right to have the claimant evaluated by vocational experts or institutions, at ***the employer's*** [~~their~~] expense, including a reasonable sum for travel. Within thirty (30) days of any ***vocational*** [~~such~~] examination, the claimant or his representative, shall be furnished a copy of ***that*** [~~said~~] vocational report by the party requesting ***that*** [~~such~~] report; and

3. Within sixty (60) days of the receipt of the claim, the employer, [~~the special fund,~~] and any other interested party shall notify the ***commissioner*** [~~board~~] and the claimant whether or not the claim will be resisted. If the claim is not resisted, then ***a hearing officer*** [~~an administrative law judge~~] shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the ***hearing officer*** [~~administrative law judge~~] shall set a date for a prehearing conference and shall notify all parties thereof. In litigated claims the regular procedures prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] shall be followed. Upon request of an interested party and a showing of good cause, the ***hearing officer*** [~~administrative law judge~~] may extend, one (1) time, the time period for filing a notice of resistance as prescribed in this subparagraph, ***but the*** [~~provided said~~] extension shall not exceed thirty

(30) days.

(d) For claims filed under subsection (1)(a) of KRS 342.732, the procedure shall be as follows:

1. For retraining incentive benefits under KRS 342.732, the claimant shall file two (2) X-rays and the reports thereof which shall conform to the standard for X-rays contained ***in this subsection*** [~~herein~~].
2. The commissioner shall notify the affected employer of ***the*** [~~such~~] claim and shall furnish him with a full and complete copy of the claim.
3. Within sixty (60) days of the receipt of the claim, the employer shall notify the commissioner and the claimant whether or not the claim will be resisted. If the claim is not resisted, ***a hearing officer*** [~~an administrative law judge~~] shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the ***hearing officer*** [~~administrative law judge~~] shall notify the affected employee thereof. In litigated claims, the regular procedures prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] shall be followed.

(3) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the ***commissioner*** [~~Workers' Compensation Board~~] within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within ***that*** [~~said~~] period, unless a claim therefor be filed with the ***commissioner*** [~~Workers' Compensation Board~~] within three (3) years after ***the*** [~~such~~] death; ***but*** [~~provided, however,~~] that notice of [~~such~~] claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or, if the incurrence of the disease or the death of the employee and its cause was known to the employer. [~~Provided,~~] However, [~~that~~] the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the ***commissioner*** [~~Workers' Compensation Board~~] within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

(b) Income or retraining incentive benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.

(4) The amount of compensation payable for disability due to occupational disease or for death from ***the*** [~~such~~] disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but***:***

(a) In no event ***shall the payment*** [~~to~~] exceed ***the*** [~~such~~] amounts ***that*** [~~as~~] were in effect at the time of the last injurious exposure***;***[~~, and provided further, that~~]

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later***;***[~~,~~] and

(c) [~~provided further, that~~] In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, ***and*** an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section.

(5) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(6) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of ***the occupational*** [~~such~~] disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration***,*** and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(7) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which, under the provisions of this chapter would give right to compensation, arose, subsequent to the beginning of the first compensable disability, ***except*** [~~save~~] only ***for*** [~~to~~] after-born children of a marriage existing at the beginning of such disability.

(8) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of ***the*** [~~such~~] cause, that the claim for injury, disability***,*** or death which was the basis for ***his*** [~~such~~] application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to

assert a claim for [~~such~~] injury, disability***,*** or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and [~~such~~] compensation may be awarded ***that*** [~~as~~] is warranted by the whole evidence pursuant to the provisions of this chapter. When [~~such~~] amendment ***of this type*** is submitted, further or additional evidence may be heard by the ***hearing officer*** [~~administrative law judge~~] when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required ***by this subsection*** [~~herein~~].

(9) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier; except as otherwise provided ***in this chapter*** [~~herein~~].

(10) (a) Except as provided in paragraph (c) of this subsection, the employer liable for compensation for occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, shall be the employer in whose employment the employee was last exposed to the hazard of ***that*** [~~such~~] occupational disease. [~~In those cases where disability or death are not conclusively proven to be the result of such last exposure all compensation shall be paid out of the special fund for all claims filed prior to January 1, 1973; and seventy-five percent (75%) shall be paid by the special fund and twenty-five percent (25%) by the employer for all claims filed thereafter. In all other cases of occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, the compensation for disability or death due to such diseases shall be paid jointly by the employer and the special fund, and the employer shall be liable for sixty percent (60%) of the compensation due and the special fund shall be liable for forty percent (40%) of the compensation due. Provided, however, that when there is a joint award against the carrier or self-insured employer and the special fund under this section, all of the compensation awarded shall be paid pursuant to KRS 342.120 and under such regulations as the board may provide for such purpose; and~~

~~(b) In all claims for compensation partially payable by the special fund, the Director of the Division of the Special Fund shall be designated as codefendant.~~]

(b)[~~(c)~~]The employer in whose employment the employee was last exposed to the hazard of the disease shall alone be liable for payment of retraining incentive benefits awarded under KRS 342.732.

PART 11

SPECIAL FUND ASSESSMENTS, KWCFC, AND DEDUCTIBLE POLICIES

Section 31. KRS 342.122 is amended to read as follows:

(1) (a) For the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Division of Special Fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and, financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards and Mediation and the Office of Labor-Management Relations, as reflected in the enacted budget of the Commonwealth enacted by the General Assembly, a special fund assessment at the rate of sixteen and nine-tenths percent (16.9%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1990, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4) and there is hereby imposed on and after January 1, 1990, a special fund assessment at the rate of sixteen and nine-tenths percent (16.9%) against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional special fund assessment at the rate of forty-seven percent (47%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1990, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal. Likewise, on and after January 1, 1990, an additional assessment at the rate of forty-seven percent (47%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his own risk.

(c) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on such premiums.

(2) [~~On November 15, 1991, and~~] Each November 15, [~~thereafter,~~] the funding commission shall determine the amount of premiums reported and assessments imposed in subsection (1) of this section for ***the*** [~~such~~] past period as appropriate. If the funding commission determines that the special fund assessment rate imposed to produce seventy million dollars ($70,000,000) or the additional special fund assessment rate imposed to produce forty million dollars ($40,000,000) are likely to produce more or less than seventy million dollars ($70,000,000) or forty million dollars ($40,000,000) during

the next annual period, the commission shall, based upon such determination, calculate such adjustments to each rate as shall be necessary to provide seventy million dollars ($70,000,000) and forty million dollars ($40,000,000) respectively, during the next annual period beginning on January 1 of each year. On or before December 1 of each year, the commission shall notify each insurance company writing workers' compensation insurance in the Commonwealth, every group of self-insurers, and each employer carrying his own risk of the adjusted rates which shall become effective on January 1, of each year, unless modified by the General Assembly.

(3) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(4) ***These*** ~~[Such]~~ assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(5) The assessments ~~[herein]~~ imposed ***by this section*** may be collected by the insurance carrier from his insured***.***~~[, provided]~~ However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, ***the*** ~~[such]~~ assessment shall be collected at the same time and in the same proportion as the premium is collected. ***The assessment for an insurance policy providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible.*** Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages ***imposed by this chapter. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees***.***~~[, provided]~~ However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Division of Unemployment Insurance is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(7) Each self-insured employer, group self-insurer or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(8) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. ***The*** ~~[Such]~~ registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(9) The fund heretofore designated as the subsequent claim fund is abolished and there is substituted therefor the special fund as ~~[herein]~~ set out ***by this section,*** and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(10) Notwithstanding any other provision of this section or this chapter, or the Kentucky Revised Statutes, generally, the assessment rates for the special fund, as determined ***by this section*** ~~[herein]~~, which were in force and effect on January 1, 1990, shall continue in force and effect until December 1, 1991, and the total amount of funds collected pursuant to ***the*** ~~[such]~~ assessment rates shall not be limited to the provisions of this section.

Assessments levied pursuant to KRS 342.122 and unpaid on the date on which they are due and payable shall bear interest at the rate specified in KRS 131.183 plus a penalty of one and one-half percent (1.5%) per month ***or portion thereof without proration*** from the date ***on which the*** ~~[such]~~ assessment was due and payable.

Section 33. KRS 342.1222 is amended to read as follows:

(1) Every insurance carrier shall be entitled to a refund or credited with assessments paid on all canceled or returned premiums, including dividends paid or credited to policyholders***, if the assessments are returned by the insurance carrier to the policyholder in addition to the canceled or returned premium***.

(2) The assessments paid pursuant to the provisions of this chapter shall be refunded or credited in the manner provided in KRS 134.580, ***if effective January 1, 1994,*** [~~provided that~~] the claim for refund or credit is made by the insurance carrier within one (1) year ***from the transaction date of the activity that generated the refund*** [~~of the end of the policy year~~].

Section 34. KRS 342.1227 is amended to read as follows:

Except as provided in Section 51 of this Act, funds which are under the jurisdiction of the commission shall not:

Section 35. KRS 342.340 is amended to read as follows:

(1) Every employer under this chapter shall either insure and keep insured his liability for compensation hereunder in some corporation, association, or organization authorized to transact the business of workers' compensation insurance in this state or shall furnish to the ***commissioner of the Department of Workers' Compensation Coverage and Compliance*** [~~board~~] satisfactory proof of his financial ability to pay directly the compensation in the amount and manner and when due as provided for in this chapter. The filing shall be made within ten (10) days after the issuance of a policy, endorsement to a policy, or similar documentation of coverage.*** Every employer who has complied with the foregoing provision and has subsequently canceled its insurance or its membership in an approved group self-insurance association, as the case may be, shall immediately notify, or have notice given on its behalf to the ***department*** [~~Workers' Compensation Board~~] of ***the*** [~~such~~] cancellation, the date thereof, and the reasons therefor; and every insurance carrier or group self-insurance association shall in like manner notify the ***commissioner*** [~~Workers' Compensation Board~~] upon the cancellation, lapse, termination, expiration by reason of termination of policy period, or nonrenewal of any policy issued by it or termination of any membership agreement, whichever is applicable under the provisions of this chapter, except that the carrier or group self-insurance association need not set forth its reasons therefor unless requested by the ***commissioner*** [~~Workers' Compensation Board~~]. The above filings are to be made on the forms prescribed by the ***commissioner*** [~~board~~]. Termination of any policy of insurance issued under the provisions of this chapter shall take effect no greater than ten (10) days prior to the receipt of ***the*** [~~such~~] notification by the ***commissioner*** [~~Workers' Compensation Board~~] unless the employer has obtained other insurance and the ***commissioner*** [~~Workers' Compensation Board~~] is notified of that fact by the insurer assuming the risk. Upon determination that any employer under this chapter has failed to comply with these provisions, the ***commissioner*** [~~board~~] shall promptly notify interested government agencies of ***this*** [~~said~~] failure and, with particular reference to employers engaged in coal mining, the ***commissioner*** [~~board~~] shall promptly report any [~~such~~] failures to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

Section 36. KRS 342.345 is amended to read as follows:

But the ***commissioner*** [~~board~~] may, upon at least ***ten (10)*** [~~sixty (60)~~] days' notice and a hearing to the employer, revoke ***or suspend*** the certificate upon satisfactory evidence ***that*** [~~for such~~] revocation ***or suspension is appropriate*** [~~having been presented~~]. ***If the commissioner revokes a certificate,*** the ***commissioner*** [~~board~~] may thereafter, upon petition of the employer and a hearing, grant a new certificate, but the employer shall not, as a matter of right, be entitled to a hearing for this purpose sooner than six (6) months *following an order of the commissioner revoking the employer's certificate* [~~after a previous revocation of his certificate~~].

(2) A self-insurer whose certificate to self-insure has been revoked is not relieved of its obligations for compensation to its employees for work-related injuries or occupational diseases that occur during the period of self-insurance. The required security shall be maintained with the commissioner or under the commissioner's control until each claim for workers' compensation benefits has been paid, been settled, or lapsed under this chapter.

PART 13

COMPETITIVE STATE FUND AND RESIDUAL MARKET MECHANISM

SECTION 37. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds and declares that:

(a) An adequate and available workers' compensation insurance market does not exist for employers in the Commonwealth;

(b) Approximately fifty percent (50%) of the private workers' compensation insurance market resides in the residual market mechanism for workers' compensation;

(c) The voluntary insurance market has declined to the point that employers in the Commonwealth, who lack the financial capability to cover their own risk, have few insurance options except the residual market mechanism through which to maintain their statutorily required workers' compensation coverage;

(d) A lack of an adequate market for workers' compensation insurance threatens the economic welfare of the Commonwealth and its ability to create and maintain jobs for the citizens of Kentucky;

(e) Employers in the Commonwealth and other states are required by law to provide workers' compensation coverage to their employees and, therefore, the General Assembly has a responsibility to ensure employers an available and adequate insurance mechanism through which employers may discharge their statutory duty regarding workers' compensation; and

(f) State funds have historically and traditionally been a viable participant in the workers' compensation insurance market, that workers' compensation state funds exist in twenty-five (25) states, and that at least seven (7) states have created competitive state funds since 1983.

(2) Therefore, it is the intent of the General Assembly in creating the Employers' Mutual Insurance Authority to establish a self-supporting competitive state fund for the purpose of providing both a market of last resort for employers in the Commonwealth and another competitive source of insurance in the voluntary market through which employers may secure and maintain their workers' compensation coverage required under this chapter.

SECTION 38. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The Employers' Mutual Insurance Authority is created as a nonprofit, independent, self-supporting de jure municipal corporation and political subdivision of the Commonwealth which shall be a public body corporate and politic to insure employers in the Commonwealth for workers' compensation, and employers' liability insurance incidental to and written in conjunction with workers' compensation. The authority shall function in a manner similar to a governing board for a domestic mutual insurance company and shall be subject to the provisions of Subtitle 24 and other provisions of KRS Chapter 304 applicable to domestic mutual insurance companies unless otherwise provided or exempted in Sections 37 to 57 of this Act.

(2) Except for initial funding for start-up, the authority shall be entirely self-supporting.

(3) The authority or its liabilities shall not be deemed to constitute a debt or a liability of the Commonwealth or a pledge of the faith and credit of the Commonwealth.

(4) On or before July 1, 1995, the authority shall begin to provide coverage and issue policies, as provided in subsection 1 of this Section, as an insurer in the voluntary market and as a residual market mechanism.

The authority shall comply with KRS 61.805 and KRS 61.870 in regard to open meetings and the conduct of ordinary business, except that proceedings which would provide an unfair competitive advantage to private sector competitors providing workers' compensation coverage in the Commonwealth may be closed to the public.

SECTION 58. A NEW SECTION OF SUBTITLE 13 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Any workers' compensation residual market mechanism, in existence by virtue of this subtitle, on the effective date of this section shall cease to exist on September 1, 1995. It shall cease to exist in that it shall not write new policies or renew policies after September 1, 1995. The board of directors of the Employers' Mutual Insurance Authority, the commissioner of the Department of Workers' Compensation Coverage and Compliance, and the commissioner of the Department of Insurance shall develop a plan, which shall be reviewed by the Labor and Industry Committee and the Banking and Insurance Committee of the General Assembly, for the orderly and equitable phase-out of the workers' compensation residual market mechanism in effect on the effective date of this section. The plan developed shall include procedures for application and transfer of the insureds in the residual market to the Authority, who shall be subject to the qualifications and conditions of coverage required in Sections 37 to 57 of this Act.

SECTION 59. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(a) Recommend internal corrective action;

(b) Institute a civil action or action for injunctive relief to compel corrective action;

(d) Any combination of the above listed actions or any other form of action reasonably calculated to assure efficient and honest operations of the authority and those involved with it.

Section 60. KRS 304.13-051 is amended to read as follows:

(1) In a competitive market, every insurer shall file with the commissioner rates and supplementary information to be used in this state for commercial risks as designated by the commissioner and for all personal risks. ***These*** [~~Such~~] rates and supplementary rate information shall be filed not later than fifteen (15) days after the date of first use of the rates, unless the commissioner finds after a hearing that an insurer's rates require closer supervision because of the insurer's financial condition. On such a finding, rates for both personal and commercial risks, supplementary rate information, and supporting information shall be filed with the commissioner at least thirty (30) days before the effective date of the rates. ***This*** [~~Such an~~] order shall expire no later than one (1) year after it is issued.

(2) In a noncompetitive market, every insurer shall file with the commissioner all rates for that market, supplementary rate information, and supporting information at least thirty (30) days before the proposed effective date of the rates. On application of the filer, the commissioner may authorize an earlier effective date.

(3) Any rate filing in effect at the time the commissioner determines that competition does not exist pursuant to KRS 304.13-041 shall be deemed to be effective until disapproved pursuant to the procedures and rating standards of this chapter.

(4) Every insurer shall file with the commissioner all rating manuals and underwriting rules that it uses in this state not later than fifteen (15) days after they become effective. ***These*** [~~Such~~] manuals, rules*,* and guidelines must be adhered to until amended. The commissioner may exempt an insurer from filing supporting information if it files by reference, with or without deviation, to a filing which is in effect for another insurer or an advisory organization.

(5) (a) No insurer shall place into effect any rates, manuals, or underwriting rules which it proposes to use pursuant to subsection (1) or (4) of this section if ***the*** [~~such~~] rates, manuals or underwriting rules will result in an increase or decrease of more than twenty-five percent (25%) from such insurer's then existing rates for any classification of risks in any of its rating territories within a twelve (12) month period of time.

(b) Any insurer which proposes to change its then existing rates, manuals*,* or underwriting rules so as to effectively increase or decrease the rates of any classification of risks within any rating territory more than twenty-five percent (25%) within a twelve (12) month period shall file all [~~such~~] rates and supplemental rating information which shall not become effective until approved by the commissioner.

(6) Rates and supplemental rating information for a residual market mechanism shall not become effective until approved by the commissioner.

(7) The commissioner shall review filings made in accordance with subsections (2), (5)(b) and (6) of this section as soon as reasonably possible after they have been made in order to determine whether they meet the applicable requirements of this chapter. Each filing shall be on file for a waiting period of thirty (30) days before it becomes effective, which period may be extended by the commissioner for an additional period not to exceed thirty (30) days if he gives written notice within such waiting period to the insurer which made the filing that additional time is needed for consideration of the filing. The commissioner may, when he deems it to be in the public interest, hold a public hearing on any filing before said filing becomes effective to determine whether the filing meets the requirements of this subtitle. In the event that a hearing is held under the provisions of this subsection, the waiting periods specified in this subsection shall not begin to run until thirty (30) days after the close of ***the*** [~~such~~] hearing. The burden of establishing that the filing under consideration meets the requirements of this subtitle is on the insurer which makes ***the*** [~~such~~] filing. A filing shall be deemed to meet the requirements of this subtitle unless disapproved by the commissioner within the waiting period or any extension thereof.

(8) Notwithstanding the provisions of subsection (7) of this section or any other section of this subtitle, the commissioner may approve or disapprove or modify a portion or part of a rate or rate filing without a public hearing.

MISCELLANEOUS PROVISIONS

Section 64. KRS 304.14-110 is amended to read as follows:

All statements and descriptions in any application for an insurance policy or annuity contract, by or on behalf of the insured or annuitant, shall be deemed to be representations and not warranties. Misrepresentations, omissions and incorrect statements shall not prevent a recovery under the policy or contract unless either:

(1) Fraudulent; or

(2) Material either to the acceptance of the risk, or to the hazard assumed by the insurer; or

(3) The insurer in good faith would either not have issued the policy or contract, or would not have issued it at the same premium rate, or would not have issued a policy or contract in as large an amount, or would not have provided coverage with respect to the hazard resulting in the loss, if the true facts had been made known to the insurer as required either by the application for the policy or contract or otherwise. ***This subsection shall not apply to applications taken for workers' compensation insurance coverage.***

Section 65. KRS 342.012 is amended to read as follows:

(1) For the purposes of this chapter, an owner or owners of a business, including qualified partners of a partnership owning a business, whether or not employing any other person to perform a service for hire, shall be included within the meaning of the term employee if ***the*** [~~such~~] owner, owners, or qualified partners elect to come under the provisions of this chapter and provide the insurance required thereunder. Nothing in this section shall be construed to limit the responsibilities of ***the*** [~~such~~] owners or partners to provide coverage for their employees and nonqualified partners, if any, required under this chapter.

(2) When an owner, owners, or qualified partners have elected to be included as employees, ***this inclusion*** [~~such~~] shall be accomplished by the issuance of an appropriate endorsement to a workers' compensation insurance policy.

(3) For the purpose of this section, "qualified partner" means a partner who has entered into a meaningful partnership agreement which shows on its face that the partner will substantially participate in the profit or loss of the business engaged in by the partnership and that the partner has made some contribution to the partnership which entitles him to participate in the profits of the business as well as to participate in the decision-making process of the partnership.

(4) For the purposes of this section, "nonqualified partner" means a person who has entered into a partnership agreement which shows on its face that this person will receive regular payments in exchange for work for the business engaged in by the partnership; that the person will not participate in the decision-making of the partnership and will not participate in the profits and losses of the business engaged in by the partnership.

(5) Every partnership filing a partnership agreement for the purpose of exemption pursuant to the provisions of KRS 342.340[~~,~~] shall, on or before April 15 of each year, file with the ***commissioner*** [~~board~~] the partnership identification number assigned to the partnership by the Internal Revenue Service[~~, and shall also file a copy of the tax return of the~~

~~partnership~~]. ***On or before April 15 of each year, each partnership having an agreement on file with the commissioner shall file a copy of the tax return of the partnership with the commissioner.*** Failure to comply with the provisions of this subsection shall be prima facie evidence that the partnership agreement filed with the ***commissioner*** [~~board~~] is composed of "nonqualified partners" as defined in this section, and the ***commissioner*** [~~board~~] shall promptly notify interested government agencies of the failure of the filed partnership agreement to ***indicate compliance with*** [~~provide exemption of the partnership from the provisions of~~] KRS 342.340. With particular reference to employers engaged in coal mining, the ***commissioner*** [~~board~~] shall promptly report the failure to comply with the provisions of this subsection to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

Section 66. KRS 342.038 is amended to read as follows:

(1) Every employer subject to this chapter shall keep a record of all injuries, fatal or otherwise, received by his employees in the course of their employment. (2) The report shall contain the name, nature, and location of the business of the employer and name, age, sex, wages, and occupation of the injured employee, and shall state the date and hour of the accident causing the injury, the nature and cause of the injury, and any other information required by the ***commissioner*** [~~board~~].

(3) ***Every employer subject to this chapter shall report to his workers' compensation insurance carrier or the party responsible for the payment of workers' compensation benefits any work-related injury or disease or alleged work-related injury or disease within three (3) working days of receiving notification of the incident or alleged incident.***

(4) Every employer or insurer subject to this chapter shall file additional reports covering specifically voluntary payments and settlements, and ***any*** [~~such~~] other reports [~~as~~] are required by the ***commissioner*** [~~Workers' Compensation Board~~] by ***administrative*** regulation for the determination of the promptness of voluntary payment and validity and fairness of agreements. In addition, the ***commissioner*** [~~board~~] may require additional information as may be necessary to comply with a federal statute or regulation or any state statute.

(5)[~~(4)~~] Upon the termination of the disability of the injured employee, or if the disability extends beyond a period of sixty (60) days, then also at the expiration of ***that*** [~~such~~] period***,*** the employer shall make a supplementary report to the ***commissioner*** [~~board~~] on blanks procured from the ***department*** [~~board~~] for the purpose.

Section 67. KRS 342.185 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, no proceeding under this chapter for compensation for an injury or death shall be maintained unless a notice of the accident shall have been given to the employer as soon as practicable after the happening thereof and unless an application for adjustment of claim for compensation with respect to ***the*** [~~such~~] injury shall have been made with the ***department*** [~~board~~] within two (2) years after the date of the accident, or in case of death, within two (2) years after ***the*** [~~such~~] death, whether or not a claim has been made by the employee himself for compensation. ***The*** [~~Such~~] notice and ***the*** [~~such~~] claim may be given or made by any person claiming to be entitled to compensation or by someone in his behalf. If payments of income benefits [~~as such~~] have been made***,*** [~~voluntarily~~] the filing of an application for adjustment of claim with the ***department*** [~~board~~] within ***the*** [~~such~~] period shall not be required, but shall become requisite within two (2) years following the suspension of [~~such voluntary~~] payments or within two (2) years of the date of the accident, whichever is later.

(2) The right to compensation under this chapter resulting from work-related exposure to the human immunodeficiency virus shall be barred unless notice of the injurious exposure is given in accordance with subsection (1) of this section and unless an application for adjustment of claim for compensation shall have been made with the commissioner within five (5) years after the injurious exposure to the virus.

SECTION 68. A NEW SECTION OF SUBTITLE 20 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Any insurer providing workers' compensation insurance coverage for a Kentucky location shall provide proof of coverage to the commissioner of the Department of Workers' Claims in the Labor Cabinet in accordance with Section 35 of this Act.

Section 69. KRS 342.700 is amended to read as follows:

(1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some other person than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against ***the*** [~~such~~] other person to recover damages, or proceed both against the employer for compensation and ***the*** [~~such~~] other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against ***the*** [~~such~~] other person to recover damages, he shall give due and timely notice to the employer ***and the special fund*** of the filing of ***the*** [~~such~~] action. If compensation is awarded under this chapter, the employer, his insurance carrier, the special fund, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the

indemnity paid and payable to the injured employee, less the employee's legal fees and expense. ***The notice of civil action shall conform in all respects to the requirements of KRS 411.188(2).***

(2) A principal contractor, intermediate, or subcontractor shall be liable for compensation to any employee injured while in the employ of any one (1) of his intermediate or subcontractors and engaged upon the subject matter of the contract, to the same extent as the immediate employer. Any principal, intermediate, or subcontractor who pays ***the*** [~~such~~] compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but ***the*** [~~such~~] proceedings shall not constitute a waiver of the employee's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall ***the*** [~~such~~] claim be barred by limitations, ***if the*** [~~provided such~~] claim is filed against the principal or intermediate contractor within one (1) year after a final unappealed order has been rendered by ***a hearing officer*** [~~an administrative law judge~~] determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in, or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.

  (c) The wages were fixed by the year, the average weekly wage shall be the yearly wage so fixed divided by fifty-two (52);

(d) The wages were fixed by the day, hour, or by the output of the employee, the average weekly wage shall be the wage most favorable to the employee computed by dividing by thirteen (13) the wages (not including overtime or premium pay) of said employee earned in the employ of the employer in the first, second, third, or fourth period of thirteen (13) consecutive calendar weeks in the fifty-two (52) weeks immediately preceding the injury.

(e) The employee had been in the employ of the employer less than thirteen (13) calendar weeks immediately preceding the injury, his average weekly wage shall be computed under paragraph (d), taking the wages (not including overtime or premium pay) for ***that*** [~~such~~] purpose to be the amount he would have earned had he been so employed by the employer the full thirteen (13) calendar weeks immediately preceding the injury and had worked, when work was available to other employees in a similar occupation.

(f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where ***the*** [~~such~~] services are rendered by paid employees.

(2) In occupations which are exclusively seasonal and therefore cannot be carried on throughout the year, the average weekly wage shall be taken to be one-fiftieth (1/50) of the total wages which the employee has earned from all occupations during the twelve (12) calendar months immediately preceding the injury.

(3) In the case of volunteer firemen, police, and civil defense members or trainees, the income benefits shall be based on the average weekly wage in their regular employment.

(4) If the employee was a minor, apprentice, or trainee when injured, and it is established that under normal conditions his wages should be expected to increase during the period of disability, that fact may be considered in computing his average weekly wage.

(5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of ***the*** [~~such~~] employment prior to the injury, his wages from all ***the*** [~~such~~] employers shall be considered as if earned from the employer liable for compensation.

(6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent ***the*** [~~such~~] gratuities are reported for income tax purposes.

(7) The ***commissioner*** [~~board~~] shall, from time to time, based upon the best available information, determine by ***administrative*** regulation industries which ordinarily do not have a full working day for five (5) days in every week. In ***those*** [~~such~~] industries, compensation shall be computed at the average weekly wage earned by the employee at the time of injury reckoning wages as earned while working full time. "At full time" as used ***in this subsection*** [~~herein~~] means a full working day for five (5) working days in every week regardless of whether the injured employee actually worked all or part of the time.

Section 75. KRS 342.143 is amended to read as follows:

For the purposes of this chapter, the average weekly wage of the state shall be determined by the commissioner as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by fifty-two (52) and the average weekly wage thus determined rounded to the nearest cent. ***The*** [~~Such~~] average weekly wage shall be certified to the commissioner by the Cabinet for Human Resources in a manner prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] by ***administrative*** regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disability in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination. Whenever a change in the average weekly wage of the state is of ***an*** [~~such~~] amount that the minimum weekly income benefits for total disability or for death are increased or decreased by one dollar ($1) or more, or the maximum weekly income benefits for total disability or for death are increased or decreased by two dollars ($2) or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect this increase or decrease, but no change in ***the*** [~~such~~] limitations shall otherwise be made.

Section 76. KRS 342.150 is amended to read as follows:

Whenever compensation has been paid for not less than six (6) months, thereafter, on the application of all parties in any case where the ***hearing officer*** [~~administrative law judge~~] determines that it will be for the best interests of all parties and will not subject the employer or his insurer to an undue risk of overpayment, future payments of compensation or any part thereof may be commuted to a lump sum of an amount which will equal the total sum of the probable future payments so commuted, discounted at four percent (4%) true discount compounded annually on each payment. Upon payment of ***this*** [~~such~~] lump sum, all liability for the payments therein commuted shall cease.

Section 77. KRS 342.155 is amended to read as follows:

Whenever the ***hearing officer*** ~~[administrative law judge]~~ considers it expedient, any lump sum which is paid as provided in KRS 342.150 hereof shall be paid to any suitable person appointed by the District Court of the county of the residence of the injured employee or of his dependents as trustee to administer or apply the same for the benefit of the person or persons entitled thereto. The receipt of ***the*** ~~[such]~~ trustee for the amount so paid to him shall discharge the employer and his insurer. The compensation of a mentally disabled person shall be paid to his guardian or conservator.

(2) If the dependents are a widow, widower, or other head of a family of minor children and one (1) or more minor children, it shall be sufficient for the widow, widower, or head of the family to make application for compensation on behalf of all. Where the dependents are mentally incapacitated or are minors the head of whose family is not a dependent, the application may be made by the guardian, conservator, or next friend of ***those*** ~~[such]~~ dependents.

Section 79. KRS 342.205 is amended to read as follows:

(2) The party requesting an examination pursuant to subsection (1) of this section shall make arrangements to provide all the cost of the examination. The requesting party shall also prepay the cost of transportation of the employee to and from the examination if public transportation is utilized. If the employee uses his own vehicle to travel to and from the examination, the requesting party shall prepay the employee at the state mileage rate. The requesting party shall also reimburse the employee for the cost of meals, lodging, parking, and toll charges upon proof of same by written voucher. The amounts prepaid or reimbursed by the requesting party, as required ***by this subsection*** ~~[herein]~~, shall be the same as, and in accordance with, state travel ***administrative*** regulations and standards promulgated and established pursuant to KRS Chapter ***45*** ~~[18A]~~.

(3) If an employee refuses to submit himself to or in any way obstructs ***the*** ~~[such]~~ examination, his right to take or prosecute any proceedings under this chapter shall be suspended until the refusal or obstruction ceases. No compensation shall be payable for the period during which the refusal or obstruction continues.

The board and the ***hearing officers*** [~~administrative law judges~~] may hold sessions at any place within the state where necessary and shall have power to sue or institute legal proceedings in any court of this state, under existing laws as to jurisdiction of actions. Unless consented to by the ***commissioner*** [~~board~~], all actions or proceedings against ***the board*** [~~it~~] or a member in his official capacity, or against ***a hearing officer*** [~~an administrative law judge~~] or the commissioner in his official capacity shall be brought in the courts of Franklin County.

Section 83. KRS 342.260 is amended to read as follows:

(4) The Circuit Court shall, on application of the board, any member thereof, or any ***hearing officer*** [~~administrative law judge~~], enforce by proper proceedings the attendance and testimony of witnesses and the production and examination of books, papers***,*** and records.

Section 84. KRS 342.265 is amended to read as follows:

If the employee and employer [~~and special fund or any of them~~] reach an agreement conforming to the provisions of this chapter in regard to compensation, a memorandum of the agreement shall be filed with the ***department*** [~~administrative law judge~~], and, if approved [~~by him~~], shall be enforceable as provided in KRS 342.305. In all cases where all parties have not joined in the settlement agreement, the ***ombudsman or hearing officer*** [~~administrative law judge~~] shall not approve the agreement unless the agreement certifies that the party not participating in the settlement has received a copy of the settlement agreement at least ten (10) days prior to submission of the agreement for approval. Nothing ***in this section*** [~~herein~~] shall prevent the voluntary payment of compensation in the amounts and for the periods prescribed in this chapter without formal agreement, but nothing shall operate as a final settlement except a memorandum of agreement filed with the ***department*** [~~administrative law judge~~] and approved by the ***ombudsman or hearing officer*** [~~administrative law judge~~] in accordance with this section. No limitations of time shall begin to run until the date upon which the agreement is filed with and approved by the ***ombudsman or hearing officer*** [~~administrative law judge~~].

Section 85. KRS 342.270 is amended to read as follows:

(1) If the parties fail to reach an agreement in regard to compensation under this chapter, either party may make written application to the ***commissioner*** [~~board~~] for a hearing in regard to the matter at issue and for a ruling thereon. The application must be filed within two (2) years after the accident, or, in case of death, within two (2) years after ***the*** [~~such~~] death, or within two (2) years after the cessation of ***income benefit*** [~~voluntary~~] payments, if any have been made.

(2) Except with respect to uncontested claims for retraining incentive benefits by reason of occupational pneumoconiosis related to exposure to coal dust, or for disability or death by reason of occupational diseases, within thirty (30) days after the application has been received the commissioner shall set the date for a prehearing conference, to be held as soon as practicable in view of the matter involved, and shall notify the parties at issue of the time and place of the prehearing conference.

(3) The prehearing conference shall be held at or convenient to the place where the employee resides, ***but*** [~~provided that such prehearing conference~~] shall be held within the boundaries of the Commonwealth. At the prehearing conference, ***a hearing officer*** [~~an administrative law judge~~] shall confer informally with the parties at issue and their counsel, if any, for the purpose of defining and narrowing the issues, discussing settlement, and considering other relevant matters that may aid in the disposal of the case. If agreement upon any matter is reached, the ***hearing officer*** [~~administrative law judge~~] shall write a memorandum setting forth the matters agreed upon. The ***hearing officer*** [~~administrative law judge~~] and all parties shall sign the memorandum, and the ***hearing officer*** [~~administrative law judge~~] shall file it with the ***commissioner*** [~~board~~]. Once filed, the memorandum shall become a part of the record.

(4) If the parties have previously filed an agreement which has been approved by the ***hearing officer*** [~~administrative law judge~~], and compensation has been paid or is due in accordance therewith and the parties thereafter disagree, either party may invoke the provisions of KRS 342.125, which remedy shall be exclusive.

(5) An application for adjustment of claim shall be held in abeyance by the ***hearing officer*** [~~administrative law judge~~] during any period voluntary payments of compensation are being made under any benefit sections of this chapter to the

maximum which the employee's wages shall entitle him, unless it shall be shown that the prosecution of the employee's claim would be prejudiced by delay.

Section 86. KRS 342.275 is amended to read as follows:

In any claim in which settlement is not reached at the prehearing conference, the ***hearing officer*** [~~administrative law judge~~] shall hold a hearing on the matters at issue within sixty (60) days from the date of the prehearing conference in a location at or convenient to the place where the employee resides, ***but the*** [~~provided that such~~] conference shall be held within the boundaries of the Commonwealth. The ***hearing officer*** [~~administrative law judge~~] may grant continuances according to criteria established in administrative regulations promulgated by the ***commissioner***[~~board~~]. The commissioner shall notify the parties at issue of the time and place of the hearing. The ***hearing officer*** [~~administrative law judge~~] shall render the award, order, or decision within thirty (30) days after the case is submitted. The award, order, or decision, together with a statement of the findings of fact, rulings of law, and any other matters pertinent to the question at issue shall be filed with the record of proceedings, and a copy of the award, order, or decision shall immediately be sent to the parties in dispute.

Section 87. KRS 342.281 is amended to read as follows:

Within fourteen (14) days from the date of the award, order, or decision, any party may file a petition for reconsideration of the award, order, or decision of the ***hearing officer***[~~administrative law judge~~]. The petition for reconsideration shall clearly set out the errors relied upon with the reasons and argument for reconsideration of the pending award, order, or decision. All other parties shall have ten (10) days thereafter to file a response to the petition. The ***hearing officer*** [~~administrative law judge~~] shall be limited in ***the*** [~~such~~] review to the correction of errors patently appearing upon the face of the award, order, or decision and shall overrule the petition for reconsideration or make ***the*** [~~such~~] correction within ten (10) days after submission.

Section 88. KRS 342.285 is amended to read as follows:

(1) An award or order of the ***hearing officer*** [~~administrative law judge~~] as provided in KRS 342.275, if petition for reconsideration is not filed as provided for in KRS 342.281, shall be conclusive and binding as to all questions of fact, but either party may in accordance with administrative regulations promulgated by the ***commissioner*** [~~board~~] appeal to the Workers' Compensation Board for the review of ***the*** [~~such~~] order or award.

(2) No new or additional evidence may be introduced before the board except as to the fraud or misconduct of some person engaged in the administration of this chapter and affecting the order, ruling, or award, but the board shall otherwise hear the appeal upon the record as certified by the ***hearing officer*** [~~administrative law judge~~] and shall dispose of the appeal in summary manner. The board shall not substitute its judgment for that of the ***hearing officer*** [~~administrative law judge~~] as to the weight of evidence on questions of fact, its review being limited to determining whether or not:

  (a) The ***hearing officer*** [~~administrative law judge~~] acted without or in excess of his powers;

  (b) The order, decision, or award was procured by fraud;

  (c) The order, decision, or award is not in conformity to the provisions of this chapter;

  (d) The order, decision, or award is clearly erroneous on the basis of the reliable, probative, and material evidence contained in the whole record; or

  (e) The order, decision, or award is arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

(3) Within thirty (30) days from final submission, the board shall enter its decision affirming, modifying, or setting aside the order, decision, or award, or in its discretion remanding the claim to the ***hearing officer*** [~~administrative law judge~~] for further proceedings in conformity with the direction of the board. The board may, before decision and upon a sufficient showing of fact, remand the claim to the ***hearing officer***[~~administrative law judge~~].

Section 89. KRS 342.305 is amended to read as follows:

Any party in interest may file in the Circuit Court of the county in which the injury occurred a certified copy of a memorandum of agreement approved by the ***hearing officer*** [~~administrative law judge~~] or of an order or decision of the ***hearing officer*** [~~administrative law judge~~] or board, or of an award of the ***hearing officer*** [~~administrative law judge~~] on appeal from, or an award of the board rendered upon an appeal whether or not there is a motion to reopen or review pending under KRS 342.125. The court shall render judgment in accordance therewith and notify the parties. ***The*** [~~Such~~] judgment shall have the same effect, and all proceedings in relation thereto shall thereafter be the same as though it had been rendered in a suit duly heard and determined by that court. Any such judgment, unappealed from or affirmed on appeal or modified in obedience to the mandate of the Court of Appeals shall be modified to conform to any decision of the ***hearing officer*** [~~administrative law judge~~] ending, diminishing, or increasing any weekly payment under the provisions of KRS 342.125 upon a presentation to it of a certified copy of such decision.

Section 90. KRS 342.310 is amended to read as follows:

If any ***hearing officer***[~~administrative law judge~~], the board, or any court before whom any proceedings are brought under this chapter determines that ***the*** [~~such~~] proceedings have been brought, prosecuted, or defended without reasonable ground, he or it may assess the whole cost of the proceedings which shall include actual expenses but not be limited to the following: court costs, travel expenses, deposition costs, physician expenses for attendance fees at depositions, ***attorney's*** [~~attorney~~] fees, and all other out-of-pocket expenses upon the party who has so brought, prosecuted, or defended them.

Section 91. KRS 342.325 is amended to read as follows:

Membership in ***these*** [~~such~~] mutual insurance associations or reciprocal or interinsurance exchanges so approved, together with evidence of the payment of premiums due, shall be evidence of compliance with KRS 342.340.

(2) The ***commissioner*** [~~board~~] may, except as provided in subsection (3), require any mutual insurance association or reciprocal or interinsurance exchange to purchase an annuity or to effect reinsurance with a company authorized to transact insurance in this state or to make ***a*** [~~such~~] deposit with a bank or trust company of this state ***that*** [~~as~~] shall in either case be approved by the ***commissioner*** [~~board~~] for the purpose of fully securing the payment of all deferred installments upon any claim for compensation.

Employers securing certification as group self-insurers are regulated by the ***administrative*** [~~rules and~~] regulations drawn by the ***commissioner*** [~~Workers' Compensation Board~~] and are not to be in any way subject to the provisions of subsections (1), (2), and (3) of this section; [~~provided,~~] however, [~~that~~] the Governor may assign the regulatory authority under this subsection to another board or agency pursuant to KRS 12.028.

Section 93. KRS 342.380 is amended to read as follows:

No policy of insurance or rider to be used therewith shall be issued or delivered until a copy of its form has been filed with the commissioner of the Department of ***Workers' Compensation Coverage and Compliance*** [~~Insurance~~] at least thirty (30) days before such issue or delivery, unless before the expiration of thirty (30) days the commissioner has approved the form thereof in writing; nor if the commissioner notifies the company in writing that in his opinion the form of the policy or rider does not comply with the laws of this state, specifying fully the reasons for his opinion. Upon petition of the company, the decision of the commissioner shall be subject to review by the Franklin Circuit Court and to appeal therefrom to the Court of Appeals.

Section 94. KRS 342.382 is amended to read as follows:

In ***these*** [~~such~~] instances, the filer shall carry the burden of proof. (2) "Administrative hearing" or "hearing" means any type of administrative proceeding conducted by an agency as required or permitted by statute or regulation to adjudicate the legal rights, duties, privileges or immunities of a named person.

(3) "Party" means:

(a) The named person whose legal rights, duties, privileges, or immunities are being adjudicated in the administrative hearing;

SECTION 2. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) The provisions of this chapter shall apply to all administrative hearings conducted by an agency, with the exception of those specifically exempted under this section. This chapter creates only procedural rights and shall not be construed to confer upon any person a right to hearing not expressly provided by law.

(2) The provisions of this chapter shall not apply to investigations or any other type of information gathering or fact

finding activities.

(3) The following administrative hearings shall be exempt from application of this chapter:

(a) Public hearings required in KRS Chapter 13A for the promulgation of administrative regulations;

(b) Military adjudicatory proceedings conducted in accordance with KRS Chapter 35; and

(c) Any other administrative hearing procedure approved for exemption in compliance with Section 19 of this Act and enacted in conforming legislation by the 1996 Regular Session of the General Assembly;

(d) Any administrative hearing or portion thereof certified as exempt by the Attorney General when:

1. The provisions of this chapter conflict with any provision of federal law or regulation with which the agency must comply, or with any federal law or regulation with which the agency must comply to permit the agency or persons within the Commonwealth to receive federal tax benefits or federal funds or other benefits;

2. Conformity with the requirement of this chapter from which exemption is sought would be so unreasonable or so impractical as to deny due process because of undue delay in the conduct of administrative hearings; or

3. The hearing procedures represent either the preliminary stages or the review stages of a multilevel hearing process if the provisions of this chapter are applied at some level within a multilevel process.

(4) The Attorney General shall not exempt an agency from any requirement of this chapter until the agency establishes alternative procedures, by administrative regulation, which insofar as practical shall be consistent with the intent and purpose of this chapter. When regulations for alternative procedures are submitted to the Administrative Regulation Review Subcommittee, they shall be accompanied by the request for exemption and the approval of exemption from the Attorney General. The decision of the Attorney General, whether affirmative or negative, shall be subject to judicial review in the Franklin Circuit Court within thirty (30) days of the date of issuance. (2) In securing hearing officers as necessary to conduct administrative hearings under the jurisdiction of the agency, an agency may:

(a) Employ hearing officers;

(4) All hearing officers, including members of collegial bodies who serve as hearing officers, shall receive training necessary to prepare them to conduct a competent administrative hearing. The training shall pertain to the conduct of administrative hearings generally and to the applications of the provisions of this chapter, specifically. The division shall establish by administrative regulation minimum standards concerning the length of training, course content, and instructor qualifications. Actual training may be conducted by an agency or any other organization, if the training program offered has been approved by the division as meeting minimum standards.

SECTION 4. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) A person who has served as an investigator or prosecutor in an administrative hearing or in its pre-adjudicative stage, shall not serve as hearing officer or assist or advise a hearing officer in the same proceeding. This shall not be construed as preventing a person who has participated in a determination of probable cause or other equivalent preliminary determination, from serving as a hearing officer in the same proceeding.

(2) (a) A hearing officer, agency head, or member of a agency head who is serving as a hearing officer, shall voluntarily disqualify himself and withdraw from any case in which he cannot afford a fair and impartial hearing or consideration. Any party may request the disqualification of a hearing officer, agency head, or member of the agency head by filing an affidavit, upon discovery of facts establishing grounds for a

disqualification, stating the particular grounds upon which he claims that a fair and impartial hearing cannot be accorded. The request for disqualification and the disposition of the request shall be a part of the official record of the proceeding.

(b) Grounds for disqualification of a hearing officer shall include, but shall not be limited to, the following:

1. Serving as an investigator or prosecutor in the proceeding or the preadjudicative stages of the proceeding;

2. Participating in an ex parte communication which would prejudice the proceedings;

3. Having a pecuniary interest in the outcome of the proceeding; or

4. Having a personal bias toward any party to a proceeding which would cause a prejudgment on the outcome of the proceeding.

SECTION 5. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In any administrative hearing, the agency shall conduct the hearing as soon as practicable and shall give notice of the hearing to the parties not less than twenty (20) days in advance of the date set for the hearing. An agency shall make every effort to schedule a hearing on a date and at a location that is convenient to the parties involved.

(2) The notice required by subsection (1) of this section shall be served on the parties by certified mail, return receipt requested, to the last known address of the parties, by personal service, or by any other means which demonstrates actual notice was received. When any indispensable and necessary party to an adjudicatory proceeding consists of a large class, the notice may be served on a reasonable number of them as representatives of the class.

(3) The notice required by this section shall be in plain language and shall include:

(a) A statement of the date, time, place, and nature of the hearing;

(b) The name, official title, mailing address, and phone number of the hearing officer;

(c) The names, official titles, mailing addresses, and phone numbers of all parties to the hearing, including the counsel or representative of the agency;

(d) A statement of the issues involved, in sufficient detail to give the parties reasonable opportunity to prepare evidence and argument;

(e) A reference to the specific statutes and administrative regulations which relate to the issues involved;

(f) A statement advising the person of his right to legal counsel;

(g) A statement of the parties' right to examine any evidence to be used at the hearing and any exculpatory information in the agency's possession; and

(h) A statement advising that any party who fails to attend or participate as required at any stage of the administrative hearing process may be held in default under this chapter.

(4) If an agency decides not to conduct an administrative hearing in response to a petition, the agency shall notify the petitioner of its decision in writing, with a brief statement of the agency's reasons and any administrative review available to the petitioner.

SECTION 6. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) The hearing officer shall grant a petition for intervention if:

(a) The petition is submitted in writing to the hearing officer, with copies mailed to all parties named in the notice of the hearing, at least seven (7) days before the hearing;

(b) The petition states facts demonstrating that the petitioner's legal rights, duties, privileges, immunities, or other legal interests may be substantially affected by the proceeding or that the petitioner qualifies as an intervenor under any provision of law; and

(c) The hearing officer determines that the interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.

(2) The hearing officer may grant a petition for intervention upon determining that the intervention sought is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.

(3) If a petitioner qualifies for intervention, the hearing officer may impose conditions upon the intervenor's participation in the proceedings, either at the time that intervention is granted or at any subsequent time. Conditions may include:

(a) Limiting the intervenor's participation to designated issues in which the intervenor has a particular interest demonstrated by the petition;

(b) Limiting the intervenor's use of discovery, cross-examination, and other procedures so as to promote the

orderly and prompt conduct of the proceedings; and

(c) Requiring two (2) or more intervenors to combine their presentations of evidence and argument, cross-examination, discovery, and other participation in the proceedings.

(4) The hearing officer, at least three (3) days before the hearing, shall issue an order granting or denying each pending petition for intervention, specifying any conditions, and briefly stating the reasons for the order. The hearing officer shall promptly give notice of an order granting, denying, or modifying intervention to the petitioner for intervention and to all parties.

SECTION 7. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) A hearing officer may convene and conduct a prehearing conference upon reasonable notice to all parties to deal with exploration of settlement possibilities, preparation of stipulations, clarification of issues, rulings on witnesses, taking of evidence, issuance of subpoenas and orders, and other matters that will promote the orderly and prompt conduct of the hearing.

(2) Upon conclusion of a prehearing conference, the hearing officer shall issue a prehearing order incorporating all matters determined at the prehearing conference. If a prehearing conference is not held, the hearing officer may issue a prehearing order, based on the pleadings, to regulate the conduct of the hearing.

(3) Except to the extent precluded by another provision of law, informal settlement of matters that may make unnecessary more elaborate proceedings under this chapter is encouraged. Agencies shall establish by administrative regulation specific procedures to facilitate informal settlement of matters. This subsection shall not be construed, however, as requiring any party to settle a matter pursuant to informal procedures.

SECTION 8. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) A hearing officer shall preside over the conduct of an administrative hearing and shall regulate the course of the proceedings in a manner which will promote the orderly and prompt conduct of the hearing. When a prehearing order has been issued, the hearing officer shall regulate the hearing in conformity with the prehearing order.

(2) The hearing officer, at appropriate stages of the proceedings, shall give all parties full opportunity to file pleadings, motions, objections, and offers of settlement. The hearing officer, at appropriate stages of the proceedings, may give all parties full opportunity to file briefs, proposed findings of fact and conclusions of law, and proposed recommended or final orders. A party shall serve copies of any filed item on all parties by mail or any other means prescribed by agency regulation.

(3) The hearing officer may issue subpoenas and discovery orders upon his own motion or when requested by a party. When an order is disobeyed, any party may apply to the Circuit Court of the judicial circuit in which the administrative hearing is held for an order requiring obedience. Failure to comply with an order of the court shall be cause for punishment as a contempt of the court.

(4) To the extent necessary for the full disclosure of all relevant facts and issues, the hearing officer shall afford all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence, except as restricted by limited grant of intervention or a prehearing order.

(5) Any party to an administrative hearing may participate in person or be represented by counsel. If the party is a corporation or other artificial person, a duly authorized representative may participate. A party may be represented by other professionals if appropriate and if permitted by the agency by administrative regulation.

(6) If a party fails to attend or participate in a prehearing conference, hearing, or other stage of the administrative hearing process, the hearing officer may adjourn the proceedings and issue a default order or may continue the proceedings without the participation of the defaulting party, having due regard for the interests of justice and the orderly and prompt conduct of the proceedings. A default order shall be considered a recommended order and shall be processed as provided in Section 11 of this Act.

(7) A hearing officer may conduct all or part of an administrative hearing, or a prehearing conference, by telephone, television, or other electronic means, if each party to the hearing has an opportunity to hear, and, if technically feasible, to see the entire proceeding as it occurs, and if each party agrees in writing.

(8) An administrative hearing shall be open to the public unless specifically closed pursuant to a provision of law. If an administrative hearing is conducted by telephone, television, or other electronic means, and is not closed, public access shall be satisfied by giving the public an opportunity, at reasonable times, to hear or inspect the agency's record.

SECTION 9. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In an administrative hearing, findings of fact shall be based exclusively on the evidence on the record. The hearing officer shall exclude evidence that is irrelevant, immaterial, unduly repetitious, or excludable on constitutional or statutory grounds or on the basis of evidentiary privilege recognized in the courts of this Commonwealth. Hearsay evidence may be admissible, but it shall not be sufficient in itself to support an agency's findings of facts unless it would be admissible over objections in civil actions.

(2) All testimony shall be made under oath or affirmation. Any part of the evidence may be received in written form if doing so will expedite the hearing without substantial prejudice to the interests of any party. Any party shall have the right to inspect the documentary or tangible evidence relating to an administrative hearing either in person or by counsel. Copies of documentary evidence may be obtained upon the payment of a fee, except documents protected from disclosure by state or federal law. Nothing in this section shall be construed as giving a party the right to examine or copy the personal notes, observations or conclusions of the agency staff, unless exculpatory in nature, nor shall it be construed as allowing access to the work product of counsel for the agency. Conditions for examining and copying agency records, fees to be charged, and other matters pertaining to access to these records shall be governed by KRS 61.870 to 61.884.

(3) Objections to evidentiary offers may be made by any party and shall be noted in the record.

(4) The hearing officer may take official notice of facts which are not in dispute, or of generally recognized technical or scientific facts within the agency's specialized knowledge. The hearing officer shall notify all parties, either before or during the hearing, or in preliminary reports or otherwise, of any facts so noticed and their source. All parties shall be given an opportunity to contest facts officially noticed.

(5) The agency shall cause all testimony, motions, and objections in a hearing to be accurately and completely recorded. Any person, upon request, may receive a copy of the recording or a copy of the transcript, if the hearing has been transcribed, at the discretion of the agency, unless the hearing is closed by law. The agency may prepare a transcript of a hearing or a portion of a hearing upon request but the party making the request shall be responsible for the transcription costs. The form of all requests and fees charged shall be consistent with KRS 61.870 to 61.884.

SECTION 10. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) Unless required for the disposition of ex parte matters specifically authorized by statute, a hearing officer shall not communicate off the record with any party to the hearing or any other person who has a direct or indirect interest in the outcome of the hearing, concerning any substantive issue, while the hearing is pending.

(2) The prohibition stated in subsection (1) shall not apply to:

(a) Communication with other agency staff, if the communication is not an ex parte communication received by staff; and

(b) Communication among members of a collegial body or panel which by law is serving as a hearing officer.

(3) When an ex parte communication occurs, the hearing officer shall note the occurrence for the record, and, if in the opinion of the hearing officer, the nature of the communication could have a substantive bearing on the outcome of the hearing, he shall place on the record a copy of the communication, if it was written, or a memorandum of the substance of the communication, if it was oral.

SECTION 11. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) The hearing officer shall complete and submit to the agency head, no later than sixty (60) days after receiving a copy of the official record of the proceeding, a written recommended order which shall include his findings of fact, conclusion of law, and recommended disposition of the hearing, including recommended penalties, if any.

(2) If an extension of time is needed by the hearing officer to complete and submit his recommended order to the agency head, the hearing officer shall show good cause to the agency head, in writing, and based upon substantial proof, that an extension of time is needed.

(3) If the agency head, after a showing of good cause, grants the hearing officer an extension of time:

(a) The extension shall not exceed thirty (30) days from the date the extension was granted;

(b) The statement granting the extension shall be included in the record of the hearing; and

(c) Notice of the extension shall be sent to all parties.

(4) A copy of the hearing officer's recommended order shall also be sent to each party in the hearing and each party shall have fifteen (15) days within which to file exceptions to the recommendations with the agency head. Transmittal of a recommended order shall be in the same manner as provided for notification in Section 5 of this Act.

SECTION 12. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In making the final order, the agency head shall consider the whole record or those portions of the record cited by the parties, and any exceptions duly filed to a recommended order.

(2) The agency head may accept the recommended order of the hearing officer and adopt it as the agency's final order, or it may reject or modify all or part of the recommended order.

(3) The final order in an administrative hearing shall be in writing and stated in the record. If the final order differs from the recommended order, it shall include separate statements of findings of fact and conclusions of law. The final order shall also include the effective date of the order and a statement advising parties fully of available appeal rights.

(4) The agency head shall render a final order in an administrative hearing within ninety (90) days after:

- *(a) The conclusion of the hearing in which there was no hearing officer; or*
- *(b) The hearing officer submits a recommended order to the agency head.*

(5) Unless waived by the party, a copy of the final order shall be transmitted to each party or to his attorney of record in the same manner as provided in Section 5.

(6) This section shall not apply to disposition pursuant to subsection (3) of Section 7 of this Act.

(7) If, pursuant to statute, an agency may review the final order of another agency, the review is deemed to be a continuous proceeding as if before a single agency. The final order of the first agency is treated as a recommended order and the second agency functions as though it were reviewing a recommended order in accordance with Section 12.

SECTION 13. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

In each administrative hearing, an agency shall keep an official record of the proceedings which shall consist of:

- *(1) All notices, pleadings, motions, and intermediate rulings;*
- *(2) Any prehearing orders;*
- *(3) Evidence received and considered;*
- *(4) A statement of matters officially noticed;*
- *(5) Proffers of proof and objections and rulings thereon;*
- *(6) Proposed findings, requested orders, and exemptions;*
- *(7) A copy of the recommended order, exceptions filed to the recommended order, and a copy of the final order;*
- *(8) All requests by the hearing officer for an extension of time, and the response of the agency head;*
- *(9) Ex parte communications placed upon the record by the hearing officer; and*
- *(10) A recording or transcript of the proceedings.*

SECTION 14. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) All final orders of an agency shall be subject to judicial review in accordance with the provisions of this chapter. A party shall institute an appeal by filing a petition in the Circuit Court of venue, as provided in the agency's enabling statutes, within thirty (30) days after the final order of the agency is mailed or delivered by personal service. Copies of the petition shall be served by the petitioner upon the agency and all parties of record. The petition shall include the names and addresses of all parties to the proceeding and the agency involved, and a statement of the grounds on which the review is requested. The petition shall be accompanied by a copy of the final order.

(2) A party may file a petition for judicial review only after the party has exhausted all administrative remedies available within the agency whose action is being challenged, and within any other agency authorized to exercise administrative review. A court may relieve a petitioner of the requirement to exhaust all administrative remedies, to the extent that the administrative remedies are inadequate, or requiring their exhaustion would result in irreparable harm disproportionate to the public benefit derived from requiring exhaustion.

(3) Within twenty (20) days after the service of the petition, or within further time allowed by the court, the agency shall transmit to the reviewing court the original or a certified copy of the official record of the proceeding under review. By stipulation of all parties to the review proceedings, the record may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs. The court may require or permit subsequent correction or additions to the official record.

(4) A petition for judicial review shall not automatically stay a final order pending the outcome of the review, but the petitioner may request a stay.

SECTION 15. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) Review of a final order shall be conducted by the court without a jury and shall be confined to the record, unless there is fraud or misconduct involving a party engaged in administration of this chapter. The court, upon request, may hear oral argument and receive written briefs.

(2) The court shall not substitute its judgment for that of the agency as to the weight of the evidence on questions of fact. The court may affirm the final order or it may reverse the final order, in whole or in part, and remand the case for further proceedings if it finds the agency's final order is:

- *(a) In violation of constitutional or statutory provisions;*
- *(b) In excess of the statutory authority of the agency;*
- *(c) Clearly without support of substantial evidence on the whole record;*
- *(d) Arbitrary, capricious, or characterized by abuse of discretion;*

(e) Based on an ex parte communication which substantially prejudiced the rights of any party and likely affected the outcome of the hearing; or

(f) Prejudiced by a failure of the person conducting a proceeding to be disqualified pursuant to subsection (2) of Section 4 of this Act.

SECTION 16. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

Any aggrieved party may appeal any final judgment of the Circuit Court under this chapter to the Court of Appeals in accordance with the Kentucky Rules of Civil Procedure.

SECTION 17. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) An agency shall have authority to promulgate administrative regulations that are necessary to carry out the provisions of this chapter, including the authority to adopt provisions of the chapter by administrative regulations prior to the effective date of the Act, provided the regulations do not conflict with existing statutes.

(2) By July 1 of each odd-numbered year, each agency shall submit to the Legislative Research Commission a report on the status of the administrative hearing process in that agency. The report shall include a compilation of statistical data, a summary of complaints received and the resolution of the complaints, and other information as requested by the Legislative Research Commission in order to evaluate the effectiveness of administrative hearing procedures. The report shall also include any recommendations an agency may have for improving the administrative hearing process in Kentucky.

SECTION 18. A NEW SECTION OF KRS CHAPTER 15 IS CREATED TO READ AS FOLLOWS:

(1) The Division of Administrative Hearings is created in the Office of Attorney General.

(2) This division shall have the following responsibilities:

(a) Employing and maintaining a pool of hearing officers for assignment to the individual agencies at their request, for the conduct of administrative hearings. The Attorney General's office may charge an agency a reasonable amount for services provided under this section, not to exceed the amount allowed for a sole practitioner under personal service contract. The Attorney General's office may also employ other staff as necessary to carry out functions and responsibilities assigned by KRS Chapter 13B;

(b) Reviewing and approving or disapproving requests from agencies for waivers from provisions of KRS Chapter 13B;

(c) Providing training in administrative hearing procedures for hearing officers as required in Section 3, either by developing and offering the training, or by contracting with appropriate organizations for the provision of training, or by approving training developed and submitted by the agencies;

(d) Consulting with the Department of Personnel and employing agencies in the establishment of relevant and appropriate qualifications for classes of hearing officers;

(e) Establishing, in cooperation with the Division of Consumer Protection, a clearinghouse for complaints concerning the administrative hearing process in Kentucky. Each complaint received shall be referred to the agency that is the subject of the complaint, and the action of the agency to resolve the complaint shall be noted and reported to the division;

(f) Reporting to the Legislative Research Commission by July 1 of each odd-numbered year, the status of the administrative hearing process in Kentucky. The report shall include a compilation of statistical data and other information necessary to assess the effectiveness and efficiency of hearing procedures and recommendations for making improvements to the system. Agencies shall provide the information requested by the Division of Administrative Hearings necessary to complete the report.

Section 19. (1) Sections 1 to 16 of this Act shall become effective on the normal effective date for legislation enacted by the 1996 Regular Session of the General Assembly.

(2) By no later than December 30, 1994, each administrative agency, as defined by Section 1 of this Act, shall submit to the Legislative Research Commission a statement of which existing statutes need to be repealed or amended to conform to the procedures established by this Act. If the agency believes that its unique circumstances warrant its being excluded from the provisions of this Act, it shall also provide the commission with a statement to that effect, including a detailed justification for exclusion, but the submission of a statement requesting exclusion shall not eliminate the obligation of submitting the statement relating to conformance.

(3) With the assistance of the staff of the Legislative Research Commission, each agency shall develop legislation to conform its procedures to the provisions of this Act. After review and approval by the Division of Administrative Hearings, the legislation shall be submitted to the Legislative Research Commission by no later than June 30, 1995. The Legislative Research Commission shall thereupon refer this draft to the appropriate interim joint committee for its consideration and action prior to the 1996 Regular Session of the General Assembly.

(4) If an agency has not submitted the proposed legislation required by subsection (3) of this section on or before June 30, 1995, the Legislative Research Commission shall immediately notify the secretary of the Finance and Administration

Cabinet and the State Treasurer, and no state funds shall be released to that agency beginning July 15, 1995, until the Legislative Research Commission certifies to these officials that the proposed legislation has been received.

The Committee Substitute to **HB 334** is as follows:

HB 334, AN ACT relating to administrative hearings.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

As used in this chapter, unless the context requires otherwise:

(1) "Administrative agency" or "agency" means each state board, bureau, cabinet, commission, department, authority, officer, or other entity authorized by law to conduct administrative hearings. The term does not include any unit in the legislative or judicial branches or any city, county, urban-county, charter county, or any other local unit of government contained in KRS Chapters 74 to 109.

(2) "Administrative hearing" or "hearing" means any type of formal adjudicatory proceeding conducted by an agency as required or permitted by statute or regulation to adjudicate the legal rights, duties, privileges or immunities of a named person.

(3) "Party" means:

(a) The named person whose legal rights, duties, privileges, or immunities are being adjudicated in the administrative hearing;

(b) Any other person who is duly granted intervention in an administrative hearing; and

(c) Any agency named as a party to the adjudicatory proceeding or entitled or permitted by the law being enforced to participate fully in the administrative hearing.

(4) "Agency head" means the individual or collegial body in an agency that is responsible for entry of a final order.

(5) "Recommended order" means the whole or part of a preliminary hearing report to an agency head for the disposition of an administrative hearing.

(6) "Final order" means the whole or part of the final disposition of an administrative hearing, whenever made effective by an agency head, whether affirmative, negative, injunctive, declamatory, agreed, or imperative in form.

(7) "Hearing officer" means the individual, duly qualified and employed pursuant to this chapter, assigned by an agency head as presiding officer for an administrative hearing or the presiding member of the agency head.

(8) "Division" means the Division of Administrative Hearings in the Office of the Attorney General created pursuant to Section 18 of this Act.

SECTION 2. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) The provisions of this chapter shall apply to all administrative hearings conducted by an agency, with the exception of those specifically exempted under this section. This chapter creates only procedural rights and shall not be construed to confer upon any person a right to hearing not expressly provided by law.

(2) The provisions of this chapter shall not apply to investigations or any other type of information gathering or fact finding activities.

(3) The following administrative hearings shall be exempt from application of this chapter:

(a) Public hearings required in KRS Chapter 13A for the promulgation of administrative regulations;

(b) Any nonadjudicatory, legislative public hearing conducted by an administrative agency;

(c) Military adjudicatory proceedings conducted in accordance with KRS Chapter 35;

(d) Any other administrative hearing procedure approved for exemption in compliance with Section 19 of this Act and enacted in conforming legislation by the 1996 Regular Session of the General Assembly. An agency shall establish grounds for exemption of an administrative hearing procedure when:

1. The provisions of this chapter conflict with any provision of federal law or regulation with which the agency must comply, or with any federal law or regulation with which the agency must comply to permit the agency or persons within the Commonwealth to receive federal tax benefits or federal funds or other benefits;

2. Conformity with the requirement of this chapter from which exemption is sought would be so unreasonable or so impractical as to deny due process because of undue delay in the conduct of administrative hearings;

3. The hearing procedures represent informal proceedings which are the preliminary stages or the review stages of a multilevel hearing process, if the provisions of this chapter are applied at some level

within the multilevel process; or

4. The hearing procedures represent a comprehensive hearing process which provides a substantially equivalent level of due process protection as provided in this chapter; and

(e) After the effective date of this section, any administrative hearing, or portion thereof, certified as exempt by the Attorney General based on criteria contained in subsection (3)(d) of this section.

(4) The Attorney General shall not exempt an agency from any requirement of this chapter until the agency establishes alternative procedures, by administrative regulation, which insofar as practical shall be consistent with the intent and purpose of this chapter. When regulations for alternative procedures are submitted to the Administrative Regulation Review Subcommittee, they shall be accompanied by the request for exemption and the approval of exemption from the Attorney General. The decision of the Attorney General, whether affirmative or negative, shall be subject to judicial review in the Franklin Circuit Court within thirty (30) days of the date of issuance. The court shall not overturn a decision of the Attorney General unless the decision was arbitrary or capricious or contrary to law.

(5) Except to the extent precluded by another provision of law, a person may waive any procedural right conferred upon that person by this chapter.

SECTION 3. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) An agency head may exercise all powers conferred on an agency relating to the conduct of administrative hearings, and he may delegate conferred powers to a hearing officer or a member of a collegial body that serves as an agency head. An agency head may not, however, delegate the power to issue a final order unless specifically authorized by statute, or unless disqualified in accordance with subsection (2) of Section 4 of this Act.

(2) (a) In securing hearing officers as necessary to conduct administrative hearings under the jurisdiction of the agency, an agency may:

1. Employ hearing officers;

2. Contract with another agency for hearing officers; or

3. Contract with private attorneys through personal service contract.

(b) An agency may secure hearing officers pursuant to subsection (2)(a)3. of this section only if the Attorney General has first determined that the Attorney General's Office cannot provide the needed hearing officers to the agency. If the Attorney General determines that the Attorney General's Office can provide the needed hearing officers to the agency, the agency shall use the hearing officers provided by the Attorney General's Office. The expenses incurred by the Attorney General's Office in providing the hearing officers to the agency shall be paid to the Attorney General's Office by the agency in the following manner:

1. The amount to be paid by the agency to the Attorney General's Office shall be established by vouchers submitted by the Attorney General's Office to the agency which shall be promptly paid by the agency, at the beginning of, at the end of, or at any time during the provision of the hearing officers by the Attorney General's Office.

2. The expenses to be paid to the Attorney General's Office shall be calculated according to the amount of time spent by the salaried hearing officers of the Attorney General's Office in providing the services. The charge for time spent shall not exceed twenty-five percent (25%) more than the amount allowed for a sole practitioner under personal service contract. The Attorney General may require payment in advance of the provision of the requested services based on his calculation of the amount of time that will be spent by the salaried hearing officers of the Attorney General's Office in providing the services. The agency shall be reimbursed for any overpayment at the conclusion of the provision of services by the Attorney General's Office.

(3) A hearing officer shall possess and meet qualifications as the Department of Personnel, the division and the employing agency may find necessary to assure competency in the conduct of an administrative hearing. The qualifications in this subsection shall not, however, apply to a member of a board, commission, or other collegial body who may serve as a hearing officer in his capacity as a member of the collegial body.

(4) All hearing officers, including members of collegial bodies who serve as hearing officers, shall receive training necessary to prepare them to conduct a competent administrative hearing. The training shall pertain to the conduct of administrative hearings generally and to the applications of the provisions of this chapter, specifically. The division shall establish by administrative regulation minimum standards concerning the length of training, course content, and instructor qualifications. Actual training may be conducted by an agency or any other organization, if the training program offered has been approved by the division as meeting minimum standards.

SECTION 4. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) A person who has served as an investigator or prosecutor in an administrative hearing or in its pre-adjudicative stage, shall not serve as hearing officer or assist or advise a hearing officer in the same proceeding. This shall not be

construed as preventing a person who has participated in a determination of probable cause or other equivalent preliminary determination, from serving as a hearing officer in the same proceeding.

(2) (a) A hearing officer, agency head, or member of a agency head who is serving as a hearing officer, shall voluntarily disqualify himself and withdraw from any case in which he cannot afford a fair and impartial hearing or consideration. Any party may request the disqualification of a hearing officer, agency head, or member of the agency head by filing an affidavit, upon discovery of facts establishing grounds for a disqualification, stating the particular grounds upon which he claims that a fair and impartial hearing cannot be accorded. The request for disqualification and the disposition of the request shall be a part of the official record of the proceeding.

(b) Grounds for disqualification of a hearing officer shall include, but shall not be limited to, the following:

1. Serving as an investigator or prosecutor in the proceeding or the preadjudicative stages of the proceeding;

2. Participating in an ex parte communication which would prejudice the proceedings;

3. Having a pecuniary interest in the outcome of the proceeding; or

4. Having a personal bias toward any party to a proceeding which would cause a prejudgment on the outcome of the proceeding.

SECTION 5. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In any administrative hearing, the agency shall conduct the hearing as soon as practicable and shall give notice of the hearing to the parties not less than twenty (20) days in advance of the date set for the hearing. An agency shall make every effort to schedule a hearing on a date that is convenient to the parties involved.

(2) The notice required by subsection (1) of this section shall be served on the parties by certified mail, return receipt requested, sent to the last known address of the parties, or by personal service. Service by mail shall be complete upon mailing.

(3) The notice required by this section shall be in plain language and shall include:

(a) A statement of the date, time, place, and nature of the hearing;

(b) The name, official title, and mailing address of the hearing officer;

(c) The names, official titles, mailing addresses, and, if available, telephone numbers of all parties to the hearing, including the counsel or representative of the agency;

(d) A statement of the issues involved, in sufficient detail to give the parties reasonable opportunity to prepare evidence and argument;

(e) A reference to the specific statutes and administrative regulations which relate to the issues involved;

(f) A statement advising the person of his right to legal counsel;

(g) A statement of the parties' right to examine, prior to the hearing, any evidence to be used at the hearing and any exculpatory information in the agency's possession; and

(h) A statement advising that any party who fails to attend or participate as required at any stage of the administrative hearing process may be held in default under this chapter.

(4) If an agency decides not to conduct an administrative hearing in response to a petition, the agency shall notify the petitioner of its decision in writing, with a brief statement of the agency's reasons and any administrative review available to the petitioner.

SECTION 6. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) The hearing officer shall grant a petition for intervention if:

(a) The petition is submitted in writing to the hearing officer, with copies mailed to all parties named in the notice of the hearing, at least seven (7) days before the hearing;

(b) The petition states facts demonstrating that the petitioner's legal rights, duties, privileges, immunities, or other legal interests may be substantially affected by the proceeding or that the petitioner qualifies as an intervenor under any provision of law; and

(c) The hearing officer determines that the interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.

(2) The hearing officer may grant a petition for intervention upon determining that the intervention sought is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.

(3) If a petitioner qualifies for intervention, the hearing officer may impose conditions upon the intervenor's participation in the proceedings, either at the time that intervention is granted or at any subsequent time. Conditions may include:

(a) Limiting the intervenor's participation to designated issues in which the intervenor has a particular interest demonstrated by the petition;

(b) Limiting the intervenor's use of discovery, cross-examination, and other procedures so as to promote the orderly and prompt conduct of the proceedings; and

(c) Requiring two (2) or more intervenors to combine their presentations of evidence and argument, cross-examination, discovery, and other participation in the proceedings.

(4) The hearing officer, at least three (3) days before the hearing, shall issue an order granting or denying each pending petition for intervention, specifying any conditions, and briefly stating the reasons for the order. The hearing officer shall promptly give notice of an order granting, denying, or modifying intervention to the petitioner for intervention and to all parties.

SECTION 7. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) A hearing officer may convene and conduct a prehearing conference upon reasonable notice to all parties to deal with exploration of jurisdictional matters, settlement possibilities, preparation of stipulations, clarification of issues, rulings on witnesses, taking of evidence, issuance of subpoenas and orders, and other matters that will promote the orderly and prompt conduct of the hearing.

(2) Upon conclusion of a prehearing conference, the hearing officer shall issue a prehearing order incorporating all matters determined at the prehearing conference. If a prehearing conference is not held, the hearing officer may issue a prehearing order, based on the pleadings, to regulate the conduct of the hearing.

(3) Except to the extent precluded by another provision of law, informal settlement of matters that may make unnecessary more elaborate proceedings under this chapter is encouraged. Agencies shall establish by administrative regulation specific procedures to facilitate informal settlement of matters. This subsection shall not be construed, however, as requiring any party to settle a matter pursuant to informal procedures.

SECTION 8. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) A hearing officer shall preside over the conduct of an administrative hearing and shall regulate the course of the proceedings in a manner which will promote the orderly and prompt conduct of the hearing. When a prehearing order has been issued, the hearing officer shall regulate the hearing in conformity with the prehearing order.

(2) The hearing officer, at appropriate stages of the proceedings, shall give all parties full opportunity to file pleadings, motions, objections, and offers of settlement. The hearing officer, at appropriate stages of the proceedings, may give all parties full opportunity to file briefs, proposed findings of fact and conclusions of law, and proposed recommended or final orders. The original of all filings shall be mailed to the agency and copies of any filed item shall be served on all parties by mail or any other means prescribed by agency regulation.

(3) The hearing officer may issue subpoenas and discovery orders when requested by a party. When a subpoena is disobeyed, any party may apply to the Circuit Court of the judicial circuit in which the administrative hearing is held for an order requiring obedience. Failure to comply with an order of the court shall be cause for punishment as a contempt of the court.

(4) To the extent necessary for the full disclosure of all relevant facts and issues, the hearing officer shall afford all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence, except as restricted by limited grant of intervention or a prehearing order.

(5) Any party to an administrative hearing may participate in person or be represented by counsel. In informal proceedings, a party may be represented by other professionals if appropriate and if permitted by the agency by administrative regulation.

(6) If a party fails to attend or participate in a prehearing conference, hearing, or other stage of the administrative hearing process, or fails to comply with the orders of a hearing officer, the hearing officer may adjourn the proceedings and issue a default order or may continue the proceedings without the participation of the defaulting party, having due regard for the interests of justice and the orderly and prompt conduct of the proceedings. A default order shall be considered a recommended order and shall be processed as provided in Section 11 of this Act.

(7) A hearing officer may conduct all or part of an administrative hearing, or a prehearing conference, by telephone, television, or other electronic means, if each party to the hearing has an opportunity to hear, and, if technically feasible, to see the entire proceeding as it occurs, and if each party agrees in writing.

(8) An administrative hearing shall be open to the public unless specifically closed pursuant to a provision of law. If an administrative hearing is conducted by telephone, television, or other electronic means, and is not closed, public access shall be satisfied by giving the public an opportunity, at reasonable times, to hear or inspect the agency's record.

SECTION 9. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In an administrative hearing, findings of fact shall be based exclusively on the evidence on the record. The hearing officer shall exclude evidence that is irrelevant, immaterial, unduly repetitious, or excludable on constitutional or

statutory grounds or on the basis of evidentiary privilege recognized in the courts of this Commonwealth. Hearsay evidence may be admissible, but it shall not be sufficient in itself to support an agency's findings of facts unless it would be admissible over objections in civil actions.

(2) All testimony shall be made under oath or affirmation. Any part of the evidence may be received in written form if doing so will expedite the hearing without substantial prejudice to the interests of any party. Any party shall have the right to inspect, prior to the hearing, the documentary or tangible evidence relating to an administrative hearing either in person or by counsel. Copies of documentary evidence may be obtained upon the payment of a fee, except documents protected from disclosure by state or federal law. Nothing in this section shall be construed as giving a party the right to examine or copy the personal notes, observations or conclusions of the agency staff, unless exculpatory in nature, nor shall it be construed as allowing access to the work product of counsel for the agency. Conditions for examining and copying agency records, fees to be charged, and other matters pertaining to access to these records shall be governed by KRS 61.870 to 61.884.

(3) Objections to evidentiary offers may be made by any party and shall be noted in the record.

(4) The hearing officer may take official notice of facts which are not in dispute, or of generally recognized technical or scientific facts within the agency's specialized knowledge. The hearing officer shall notify all parties, either before or during the hearing, or in preliminary reports or otherwise, of any facts so noticed and their source. All parties shall be given an opportunity to contest facts officially noticed.

(5) The agency shall cause all testimony, motions, and objections in a hearing to be accurately and completely recorded. Any person, upon request, may receive a copy of the recording or a copy of the transcript, if the hearing has been transcribed, at the discretion of the agency, unless the hearing is closed by law. The agency may prepare a transcript of a hearing or a portion of a hearing upon request but the party making the request shall be responsible for the transcription costs. The form of all requests and fees charged shall be consistent with KRS 61.870 to 61.884.

SECTION 10. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) Unless required for the disposition of ex parte matters specifically authorized by statute, a hearing officer shall not communicate off the record with any party to the hearing or any other person who has a direct or indirect interest in the outcome of the hearing, concerning any substantive issue, while the proceeding is pending.

(2) The prohibition stated in subsection (1) shall not apply to:

(a) Communication with other agency staff, if the communication is not an ex parte communication received by staff; and

(b) Communication among members of a collegial body or panel which by law is serving as a hearing officer.

(3) If an ex parte communication occurs, the hearing officer shall note the occurrence for the record, and, if in the opinion of the hearing officer, the nature of the communication could have a substantive bearing on the outcome of the hearing, he shall place on the record a copy of the communication, if it was written, or a memorandum of the substance of the communication, if it was oral.

SECTION 11. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) Except when a shorter time period is provided by law, the hearing officer shall complete and submit to the agency head, no later than sixty (60) days after receiving a copy of the official record of the proceeding, a written recommended order which shall include his findings of fact, conclusion of law, and recommended disposition of the hearing, including recommended penalties, if any.

(2) If an extension of time is needed by the hearing officer to complete and submit his recommended order to the agency head, the hearing officer shall show good cause to the agency head, in writing, and based upon substantial proof, that an extension of time is needed.

(3) If the agency head, after a showing of good cause, grants the hearing officer an extension of time:

(a) The extension shall not exceed thirty (30) days from the date the extension was granted;

(b) The statement granting the extension shall be included in the record of the hearing; and

(c) Notice of the extension shall be sent to all parties.

(4) A copy of the hearing officer's recommended order shall also be sent to each party in the hearing and each party shall have fifteen (15) days from the date the recommended order is mailed within which to file exceptions to the recommendations with the agency head. Transmittal of a recommended order may be sent by regular mail to the last known address of the party.

SECTION 12. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In making the final order, the agency head shall consider the record including the recommended order and any exceptions duly filed to a recommended order.

(2) The agency head may accept the recommended order of the hearing officer and adopt it as the agency's final order, or it may reject or modify all or part of the recommended order.

(3) The final order in an administrative hearing shall be in writing and stated in the record. If the final order differs from the recommended order, it shall include separate statements of findings of fact and conclusions of law. The final order shall also include the effective date of the order and a statement advising parties fully of available appeal rights.

(4) The agency head shall render a final order in an administrative hearing within ninety (90) days after:

(a) The conclusion of the hearing in which there was no hearing officer; or

(b) The hearing officer submits a recommended order to the agency head.

(5) Unless waived by the party, a copy of the final order shall be transmitted to each party or to his attorney of record in the same manner as provided in Section 5.

(6) This section shall not apply to disposition pursuant to subsection (3) of Section 7 of this Act.

(7) If, pursuant to statute, an agency may review the final order of another agency, the review is deemed to be a continuous proceeding as if before a single agency. The final order of the first agency is treated as a recommended order and the second agency functions as though it were reviewing a recommended order in accordance with Section 12.

SECTION 13. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

In each administrative hearing, an agency shall keep an official record of the proceedings which shall consist of:

(1) All notices, pleadings, motions, and intermediate rulings;

(2) Any prehearing orders;

(3) Evidence received and considered;

(4) A statement of matters officially noticed;

(5) Proffers of proof and objections and rulings thereon;

(6) Proposed findings, requested orders, and exemptions;

(7) A copy of the recommended order, exceptions filed to the recommended order, and a copy of the final order;

(8) All requests by the hearing officer for an extension of time, and the response of the agency head;

(9) Ex parte communications placed upon the record by the hearing officer; and

(10) A recording or transcript of the proceedings.

SECTION 14. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) All final orders of an agency shall be subject to judicial review in accordance with the provisions of this chapter. A party shall institute an appeal by filing a petition in the Circuit Court of venue, as provided in the agency's enabling statutes, within thirty (30) days after the final order of the agency is mailed or delivered by personal service. Copies of the petition shall be served by the petitioner upon the agency and all parties of record. The petition shall include the names and addresses of all parties to the proceeding and the agency involved, and a statement of the grounds on which the review is requested. The petition shall be accompanied by a copy of the final order.

(2) A party may file a petition for judicial review only after the party has exhausted all administrative remedies available within the agency whose action is being challenged, and within any other agency authorized to exercise administrative review.

(3) Within twenty (20) days after the service of the petition, or within further time allowed by the court, the agency shall transmit to the reviewing court the original or a certified copy of the official record of the proceeding under review. By stipulation of all parties to the review proceedings, the record may be shortened. The court may require or permit subsequent correction or additions to the official record.

(4) A petition for judicial review shall not automatically stay a final order pending the outcome of the review, but the petitioner may request a stay from the court.

SECTION 15. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) Review of a final order shall be conducted by the court without a jury and shall be confined to the record, unless there is fraud or misconduct involving a party engaged in administration of this chapter. The court, upon request, may hear oral argument and receive written briefs.

(2) The court shall not substitute its judgment for that of the agency as to the weight of the evidence on questions of fact. The court may affirm the final order or it may reverse the final order, in whole or in part, and remand the case for further proceedings if it finds the agency's final order is:

(a) In violation of constitutional or statutory provisions;

(b) In excess of the statutory authority of the agency;

(c) Without support of substantial evidence on the whole record;

(d) Arbitrary, capricious, or characterized by abuse of discretion;

(e) Based on an ex parte communication which substantially prejudiced the rights of any party and likely affected the outcome of the hearing;

(f) Prejudiced by a failure of the person conducting a proceeding to be disqualified pursuant to subsection (2) of Section 4 of this Act; or

(g) Deficient as otherwise provided by law.

SECTION 16. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

Any aggrieved party may appeal any final judgment of the Circuit Court under this chapter to the Court of Appeals in accordance with the Kentucky Rules of Civil Procedure.

SECTION 17. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) An agency shall have authority to promulgate administrative regulations that are necessary to carry out the provisions of this chapter.

(2) Nothing in this chapter shall be construed to prohibit an agency from enacting administrative hearing procedures by administrative regulations which are supplemental to the provisions of this chapter.

SECTION 18. A NEW SECTION OF KRS CHAPTER 15 IS CREATED TO READ AS FOLLOWS:

(1) The Division of Administrative Hearings is created in the Office of Attorney General.

(2) This division shall have the following responsibilities:

(a) Employing and maintaining a pool of hearing officers for assignment to the individual agencies at their request, for the conduct of administrative hearings. The Attorney General's office may also employ other staff as necessary to carry out functions and responsibilities assigned by KRS Chapter 13B;

(b) Reviewing and approving or disapproving requests from agencies for waivers from provisions of KRS Chapter 13B;

(c) Providing training in administrative hearing procedures for hearing officers as required in Section 3, either by developing and offering the training, or by contracting with appropriate organizations for the provision of training, or by approving training developed and submitted by the agencies;

(d) Consulting with the Department of Personnel and employing agencies in the establishment of relevant and appropriate qualifications for classes of hearing officers;

(e) Establishing, in cooperation with the Division of Consumer Protection, a clearinghouse for complaints concerning the administrative hearing process in Kentucky. Each complaint received shall be referred to the agency that is the subject of the complaint, and the action of the agency to resolve the complaint shall be noted and reported to the division;

(f) Reporting to the Legislative Research Commission by July 1 of each odd-numbered year, the status of the administrative hearing process in Kentucky. The report shall include a compilation of statistical data and other information necessary to assess the effectiveness and efficiency of hearing procedures and recommendations for making improvements to the system. Agencies shall provide the information requested by the Division of Administrative Hearings necessary to complete the report.

Section 19. (1) By no later than December 30, 1994, each administrative agency, as defined by Section 1 of this Act, shall submit to the Legislative Research Commission the following:

(a) A statement of which existing statutes need to be repealed or amended to conform to the procedures established by this Act;

(b) If the agency believes that its unique circumstances warrant its being exempted from the provisions of this Act, it shall provide the commission with a statement to that effect, including a detailed justification for exemption based on criteria contained in subsection (3)(d) of Section 2 of this Act; and

(c) Any information requested by Legislative Research Commission to assess the fiscal impact of conforming with the provisions of this Act.

(2) With the assistance of the staff of the Legislative Research Commission, each agency shall develop legislation to conform its procedures to the provisions of this Act. After review and approval by the Division of Administrative Hearings, the legislation shall be submitted to the Legislative Research Commission by no later than June 30, 1995. The Legislative Research Commission shall thereupon refer this draft to the appropriate interim joint committee for its consideration and action prior to the 1996 Regular Session of the General Assembly.

(3) If an agency has not submitted the proposed legislation required by subsection (2) of this section on or before June 30, 1995, the Legislative Research Commission shall immediately notify the secretary of the Finance and Administration Cabinet and the State Treasurer, and no state funds shall be released to that agency beginning July 15, 1995, until the Legislative Research Commission certifies to these officials that the proposed legislation has been received.

(4) An administrative agency may adopt the provisions of Sections 1 to 17 of this Act by promulgation of administrative regulations prior to the effective date of Sections 1 to 17 of this Act if the administrative regulations do not conflict with existing statutes.

Section 20. Sections 1 to 17 of this Act shall become effective on the normal effective date for legislation enacted by the 1996 Regular Session of the General Assembly.

The Committee Amendment No. 1 to the Committee Substitute to **HB 334** is as follows:

On page 20, after lines 18, by adding the following:

SECTION 21. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

This Act shall be named "The Albert Jones Act of 1994."

HB 355, AN ACT relating to public financing of campaigns of slates of candidates for Governor and Lieutenant Governor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 121A.060 is amended to read as follows:

(1) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(2) The registry shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:

(a) A statement of intent accepting maximum expenditure limitations;

(b) A copy of the slate's nomination papers;

(c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio. [~~The threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor that elects to be eligible to receive a transfer from the fund in a primary election shall be six hundred thousand dollars ($600,000) in qualifying contributions.~~] The minimum threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor in a ***primary or*** regular election that elects to be eligible to receive a transfer from the fund shall be ***one*** [~~three~~] hundred ***fifty*** thousand dollars ***($150,000)*** [~~($300,000)~~] in qualifying contributions and the maximum threshold qualifying amount for a ***primary or*** regular election shall be six hundred thousand dollars ($600,000) in qualifying contributions for any one (1) election. Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district. No transfer from the fund shall be made for qualifying contributions which a slate of candidates may receive in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080(4) or (5). The threshold qualifying amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election; and

(d) Any other information reasonably necessary that is required by the registry.

(3) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) calendar days after the slate submits the required documentation.

(4) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) calendar days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.

(5) A separate determination and certification shall be made for a primary and a regular election.

(6) The certification issued by the registry shall indicate:

(a) Whether a slate of candidates is eligible to receive a transfer; and

(b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.

(7) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.

(8) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

(a) State the reasons why the slate of candidates is not eligible to receive a transfer; and

(b) What action, if any, the slate of candidates may take to qualify for a transfer.

(9) A slate of candidates may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification. The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.

(10) A slate of candidates denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

(11) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).

(12) No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary election unless at least one (1) additional slate of candidates seeking the same party's nomination for Governor and Lieutenant Governor in the primary election has received and deposited in its candidate campaign account funds in an amount not less than the threshold qualifying amount for the primary election as established in KRS 121A.060(2)(c). No qualifying slate of candidates seeking election to the offices of Governor and Lieutenant Governor in a regular election shall be eligible to receive transfers from the fund unless at least one (1) additional slate of candidates seeking election to the offices of Governor and Lieutenant Governor in the regular election has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount for the regular election as established in KRS 121A.060(2)(c). ***After this requirement has been met in a primary or regular election, qualifying slates may independently qualify for subsequent transfers in that election without regard to the ability of another qualifying in that election slate to qualify for subsequent transfers in that election.***

Section 2. KRS 121A.080 is amended to read as follows:

(1) If the registry certifies that a qualifying slate of candidates is eligible to receive a transfer from the fund, the slate may submit a transfer entitlement voucher to the registry, complying with the procedures of subsection (7) of this section. ***Qualifying slates of candidates may receive transfers from the fund according to the matching ratio and threshold levels of qualifying contributions received specified in KRS 121A.060(2)(c). Subject to subsections (4) and (5) of this section,*** a transfer entitlement voucher may document total qualifying contributions ***of*** [~~equal to six hundred thousand dollars ($600,000) for a primary election and~~] not less than ***one*** [~~three~~] hundred ***fifty*** thousand dollars ***($150,000)*** [~~($300,000)~~] but not more than six hundred thousand dollars ($600,000) for a ***primary or*** regular election for receipt of ***total*** [~~a~~] fund ***transfers*** [~~transfer in an amount~~] equal to twice the amount of qualifying contributions documented. A qualifying slate may submit multiple transfer entitlement vouchers as additional qualifying contributions are received in ***an*** [~~a regular~~] election, but the maximum amount of fund transfers a slate may receive in a primary or regular election shall not exceed ***one million two hundred thousand dollars ($1,200,000)*** [~~twice the amount of the maximum threshold qualifying amount~~], subject to the provisions of subsections (4) and (5) of this section.

(2) The fund transfer which a qualifying slate of candidates for Governor and Lieutenant Governor in a runoff primary may receive shall be three hundred thousand dollars ($300,000).

(3) The fund transfer amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment annually, beginning in 1996, and in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election. If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that the existing appropriations in the fund are insufficient to cover the anticipated fund transfers, the registry shall reduce the matching ratio to the ratio the registry determines so as not to exceed the amount of the fund. If the matching ratio is reduced for a primary election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the primary election. If the matching ratio is reduced for a regular election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the regular election.

(4) (a) If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that in the course of a primary election, runoff primary election, or regular election campaign a slate of candidates for Governor and Lieutenant Governor that has not accepted the provisions of this chapter has received contributions or made expenditures in excess of the expenditure limit as provided in KRS 121A.030(1), the registry shall certify that those slates of candidates that have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from expenditure limitations ***and may receive and submit for fund transfers qualifying contributions in excess of six hundred thousand dollars ($600,000)***. Slates of candidates released from expenditure limitations in a primary or regular election shall continue to be eligible to receive transfers from the fund. A slate of candidates that is released from expenditure limitations in a runoff primary shall not be eligible for transfers from the fund

in excess of three hundred thousand dollars ($300,000), but shall be eligible to accept qualifying contributions for the runoff primary;

(b) The registry shall conduct a public hearing within three (3) days after any report submitted to the registry by a campaign committee of a slate of candidates indicates that the slate of candidates has, or may have, received contributions or made expenditures in excess of the expenditure limits as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing; and

(c) A public hearing shall be conducted within three (3) days upon petition to the registry by a slate of candidates that, based upon its knowledge and belief, another slate of candidates has, or may have, received contributions in excess of the expenditure limitations as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing.

(5) Nothing in this section shall prevent any slate of candidates from notifying the registry in writing that its campaign committee has received contributions or made expenditures in excess of the expenditure limitations as provided in KRS 121A.030(1). In that case, no public hearing shall be held and the registry shall certify that those slates of candidates who have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers for that election shall be released from expenditure limitations for that election and shall continue to be eligible to receive transfers from the fund if qualified by law.

(6) A slate of candidates shall establish a separate candidate campaign account for each primary, runoff primary, and regular election in which it participates. The unexpended balance of contributions and fund transfers in a candidate campaign account of a slate of candidates which remains after all financial obligations of the particular election for which the account is established have been satisfied shall be forwarded to the registry for deposit in the fund when the account is closed. The payment to the fund shall be made not later than ten (10) working days after the candidate campaign account for a particular election is closed. Funds in the candidate campaign account of a slate of candidates shall be expended only for expenses incurred in the particular election for which the account is established and shall not be used to pay expenses incurred in any other election or for any other purpose.

(7) To receive fund transfers for which it is eligible, each qualifying slate of candidates shall submit to the registry at the times and in the form and manner the registry may require, a transfer entitlement voucher. The voucher shall include the full name of all persons making a contribution to the campaign committee of the slate of candidates together with the date, the exact amount of the contribution, the specific address of the contributor, the congressional district in which the contributor resides, the occupation and employer of the contributor and the spouse of the contributor, or, if the contributor or the spouse of contributor is self-employed, the name under which he is doing business.

(8) Within three (3) working days of the receipt of the voucher, the registry shall:

(a) Make a determination, according to the procedures the registry may establish by administrative regulation, whether each contribution enumerated on the voucher is consistent with the provisions of this chapter;

(b) Certify for payment to the qualifying slate of candidates the amount of fund transfer for which it is eligible; and

(c) Promptly upon certification, issue a warrant on the fund for a transfer to the qualifying slate of candidates or its authorized treasurer in the amount certified by the registry.

(9) For the purpose of financing primary election campaigns, the registry shall make no transfer to a qualifying slate of candidates entitled to transfers from the fund earlier than January 1 of a year in which the Governor and Lieutenant Governor are elected.

(10) Transfers from the fund for a regular election campaign shall not be made earlier than the date the results of the primary election preceding the regular election of a year in which the Governor and Lieutenant Governor are elected are certified. If a qualifying slate of candidates is unopposed in a primary election, or has no opposition that has received contributions of not less than the threshold qualifying amount for the primary election, the registry shall make no transfer to that slate from the fund for the primary election. If a qualifying slate of candidates is unopposed in a regular election, or has no opposition that has received contributions of not less than the minimum threshold qualifying amount for the regular election, the registry shall make no transfer to that slate from the fund for the regular election.

(11) If a vacancy occurs in a slate of candidates before the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry not later than the deadline for printing primary election ballots, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a vacancy occurs in a slate of candidates after the ballots are printed for the primary election, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry prior to the primary election, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a replacement for a vacant candidate is made after the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, notices informing the voters of the change in the composition of the slate

shall be posted at each precinct polling place.

(12) The provisions of KRS 118.105 shall apply to vacancies occurring in the nomination of a qualifying slate of candidates.

(13) If during the course of a primary or regular election, a qualifying slate of candidates withdraws, is otherwise removed from the ballot, becomes the only slate of candidates for a party nomination or election on the ballot, or if both candidates on the slate die, the registry shall certify and pay on vouchers previously submitted by that slate, but any subsequent vouchers submitted by that slate shall not be certified nor shall transfers be made.

(14) The registry shall not certify any contribution made to a qualifying slate of candidates entitled to transfers from the fund, which, when added to other contributions made by the same contributor to the slate in connection with the ***primary*** ~~[regular]~~ election and in connection with the ***regular*** ~~[general]~~ election, violates the provisions of KRS 121A.050 or 121.150.

(15) The registry shall perform a continuing audit of all slates of candidates for Governor and Lieutenant Governor to ensure that they are in compliance with this chapter and the election laws of the Commonwealth.

The Committee Substitute to **HB 355** is as follows:

HB 355, AN ACT relating to public financing of campaigns of slates of candidates for Governor and Lieutenant Governor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 121A.060 is amended to read as follows:

(1) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(2) The registry shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:

(a) A statement of intent accepting maximum expenditure limitations;

(b) A copy of the slate's nomination papers;

(c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio. ~~[The threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor that elects to be eligible to receive a transfer from the fund in a primary election shall be six hundred thousand dollars ($600,000) in qualifying contributions.]~~ The minimum threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor in a ***primary or*** regular election that elects to be eligible to receive a transfer from the fund shall be three hundred thousand dollars ($300,000) in qualifying contributions and the maximum threshold qualifying amount for a ***primary or*** regular election shall be six hundred thousand dollars ($600,000) in qualifying contributions for any one (1) election. Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district. No transfer from the fund shall be made for qualifying contributions which a slate of candidates may receive in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080(4) or (5). The threshold qualifying amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election; and

(d) Any other information reasonably necessary that is required by the registry.

(3) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) calendar days after the slate submits the required documentation.

(4) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) calendar days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.

(5) A separate determination and certification shall be made for a primary and a regular election.

(6) The certification issued by the registry shall indicate:

(a) Whether a slate of candidates is eligible to receive a transfer; and

(b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.

(7) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.

(8) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

(a) State the reasons why the slate of candidates is not eligible to receive a transfer; and

(b) What action, if any, the slate of candidates may take to qualify for a transfer.

(9) A slate of candidates may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification. The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.

(10) A slate of candidates denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

(11) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).

(12) No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary election unless at least one (1) additional slate of candidates seeking the same party's nomination for Governor and Lieutenant Governor in the primary election has received and deposited in its candidate campaign account funds in an amount not less than the threshold qualifying amount for the primary election as established in KRS 121A.060(2)(c). No qualifying slate of candidates seeking election to the offices of Governor and Lieutenant Governor in a regular election shall be eligible to receive transfers from the fund unless at least one (1) additional slate of candidates seeking election to the offices of Governor and Lieutenant Governor in the regular election has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount for the regular election as established in KRS 121A.060(2)(c). ***After this requirement has been met in a primary or regular election, qualifying slates may independently qualify for subsequent transfers in that election without regard to the ability of another qualifying slate in that election to qualify for subsequent transfers in that election.***

Section 2. KRS 121A.080 is amended to read as follows:

(1) If the registry certifies that a qualifying slate of candidates is eligible to receive a transfer from the fund, the slate may submit a transfer entitlement voucher to the registry, complying with the procedures of subsection (7) of this section. ***Qualifying slates of candidates may receive transfers from the fund according to the matching ratio and threshold levels of qualifying contributions received specified in KRS 121A.060(2)(c). Subject to subsections (4) and (5) of this section,*** a transfer entitlement voucher may document total qualifying contributions ***of*** ~~[equal to six hundred thousand dollars ($600,000) for a primary election and]~~ not less than three hundred thousand dollars ($300,000) but not more than six hundred thousand dollars ($600,000) for a ***primary or*** regular election for receipt of ***total*** ~~[a]~~ fund ***transfers*** ~~[transfer in an amount]~~ equal to twice the amount of qualifying contributions documented. A qualifying slate may submit multiple transfer entitlement vouchers as additional qualifying contributions are received in ***an*** ~~[a regular]~~ election, but the maximum amount of fund transfers a slate may receive in a primary or regular election shall not exceed ***one million two hundred thousand dollars ($1,200,000)*** ~~[twice the amount of the maximum threshold qualifying amount]~~, subject to the provisions of subsections (4) and (5) of this section.

(2) The fund transfer which a qualifying slate of candidates for Governor and Lieutenant Governor in a runoff primary may receive shall be three hundred thousand dollars ($300,000).

(3) The fund transfer amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment annually, beginning in 1996, and in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election. If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that the existing appropriations in the fund are insufficient to cover the anticipated fund transfers, the registry shall reduce the matching ratio to the ratio the registry determines so as not to exceed the amount of the fund. If the matching ratio is reduced for a primary election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the primary election. If the matching ratio is reduced for a regular election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the regular election.

(4) (a) If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that in the course of a primary election, runoff primary election, or regular election campaign a slate of candidates for Governor and Lieutenant Governor that has not accepted the provisions of this chapter has received contributions or made expenditures in excess of the expenditure limit as provided in KRS 121A.030(1), the registry shall certify that those slates of candidates that have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from expenditure limitations ***and may receive and submit for fund transfers qualifying contributions in excess***

of six hundred thousand dollars ($600,000). Slates of candidates released from expenditure limitations in a primary or regular election shall continue to be eligible to receive transfers from the fund. A slate of candidates that is released from expenditure limitations in a runoff primary shall not be eligible for transfers from the fund in excess of three hundred thousand dollars ($300,000), but shall be eligible to accept qualifying contributions for the runoff primary;

(b) The registry shall conduct a public hearing within three (3) days after any report submitted to the registry by a campaign committee of a slate of candidates indicates that the slate of candidates has, or may have, received contributions or made expenditures in excess of the expenditure limits as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing; and

(c) A public hearing shall be conducted within three (3) days upon petition to the registry by a slate of candidates that, based upon its knowledge and belief, another slate of candidates has, or may have, received contributions in excess of the expenditure limitations as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing.

(5) Nothing in this section shall prevent any slate of candidates from notifying the registry in writing that its campaign committee has received contributions or made expenditures in excess of the expenditure limitations as provided in KRS 121A.030(1). In that case, no public hearing shall be held and the registry shall certify that those slates of candidates who have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers for that election shall be released from expenditure limitations for that election and shall continue to be eligible to receive transfers from the fund if qualified by law.

(6) A slate of candidates shall establish a separate candidate campaign account for each primary, runoff primary, and regular election in which it participates. The unexpended balance of contributions and fund transfers in a candidate campaign account of a slate of candidates which remains after all financial obligations of the particular election for which the account is established have been satisfied shall be forwarded to the registry for deposit in the fund when the account is closed. The payment to the fund shall be made not later than ten (10) working days after the candidate campaign account for a particular election is closed. Funds in the candidate campaign account of a slate of candidates shall be expended only for expenses incurred in the particular election for which the account is established and shall not be used to pay expenses incurred in any other election or for any other purpose.

(7) To receive fund transfers for which it is eligible, each qualifying slate of candidates shall submit to the registry at the times and in the form and manner the registry may require, a transfer entitlement voucher. The voucher shall include the full name of all persons making a contribution to the campaign committee of the slate of candidates together with the date, the exact amount of the contribution, the specific address of the contributor, the congressional district in which the contributor resides, the occupation and employer of the contributor and the spouse of the contributor, or, if the contributor or the spouse of contributor is self-employed, the name under which he is doing business.

(8) Within three (3) working days of the receipt of the voucher, the registry shall:

(a) Make a determination, according to the procedures the registry may establish by administrative regulation, whether each contribution enumerated on the voucher is consistent with the provisions of this chapter;

(b) Certify for payment to the qualifying slate of candidates the amount of fund transfer for which it is eligible; and

(c) Promptly upon certification, issue a warrant on the fund for a transfer to the qualifying slate of candidates or its authorized treasurer in the amount certified by the registry.

(9) For the purpose of financing primary election campaigns, the registry shall make no transfer to a qualifying slate of candidates entitled to transfers from the fund earlier than January 1 of a year in which the Governor and Lieutenant Governor are elected.

(10) Transfers from the fund for a regular election campaign shall not be made earlier than the date the results of the primary election preceding the regular election of a year in which the Governor and Lieutenant Governor are elected are certified. If a qualifying slate of candidates is unopposed in a primary election, or has no opposition that has received contributions of not less than the threshold qualifying amount for the primary election, the registry shall make no transfer to that slate from the fund for the primary election. If a qualifying slate of candidates is unopposed in a regular election, or has no opposition that has received contributions of not less than the minimum threshold qualifying amount for the regular election, the registry shall make no transfer to that slate from the fund for the regular election.

(11) If a vacancy occurs in a slate of candidates before the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry not later than the deadline for printing primary election ballots, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a vacancy occurs in a slate of candidates after the ballots are printed for the primary election, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry prior to the primary election, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a

reason specified in this subsection. If a replacement for a vacant candidate is made after the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, notices informing the voters of the change in the composition of the slate shall be posted at each precinct polling place.

(12) The provisions of KRS 118.105 shall apply to vacancies occurring in the nomination of a qualifying slate of candidates.

(13) If during the course of a primary or regular election, a qualifying slate of candidates withdraws, is otherwise removed from the ballot, becomes the only slate of candidates for a party nomination or election on the ballot, or if both candidates on the slate die, the registry shall certify and pay on vouchers previously submitted by that slate, but any subsequent vouchers submitted by that slate shall not be certified nor shall transfers be made.

(14) The registry shall not certify any contribution made to a qualifying slate of candidates entitled to transfers from the fund, which, when added to other contributions made by the same contributor to the slate in connection with the ***primary*** ~~[regular]~~ election and in connection with the ***regular*** ~~[general]~~ election, violates the provisions of KRS 121A.050 or 121.150.

(15) The registry shall perform a continuing audit of all slates of candidates for Governor and Lieutenant Governor to ensure that they are in compliance with this chapter and the election laws of the Commonwealth.

The board may utilize video equipment to record and preserve the proceeding at its hearings and the videotape shall be the record on appeal. The board may charge a reasonable fee to a party requesting a copy or copies of the taped proceeding***.

(23) (a) If the board finds that the action complained of was taken by the appointing authority in violation of laws prohibiting favor for, or discrimination against, or bias with respect to***,*** his political or religious opinions or affiliations or ethnic origin, or in violation of laws prohibiting discrimination because of such individual's sex or age or ***disability*** [~~handicap~~], the appointing authority shall immediately reinstate the employee to his former position or a position of like status and pay, without loss of pay for the period of his penalization, or otherwise make the employee whole ***unless the order is stayed by the board or the court on appeal***;

(b) If the board finds that the action complained of was taken without just cause, the board shall order the immediate reinstatement of the employee to his former position or a position of like status and pay, without loss of pay for the period of his penalization, or otherwise make the employee whole ***unless the order is stayed by the board or the court on appeal***;

(c) If the board finds that the action taken by the appointing authority was excessive or erroneous in view of all the surrounding circumstances, the board shall ***direct the appointing authority to*** alter, modify, or rescind the disciplinary action;

Employees who had an insufficient amount of leave time shall be credited with leave time equal to the amount of time spent at their hearings before the board or court.

(27) The board shall, within sixty (60) days after an appeal is filed, hear the appeal, and shall, within ninety (90) days after an appeal is filed, issue a final determination for the disposition thereof.

(28) If the appointing authority appeals the final order of the board, unless the board rules otherwise, the reinstated employee shall remain in his former position, or a position of like status or pay, until the conclusion of the appeals process, at which time the appointing authority shall take action in accordance with the court order.

The appellant shall furnish a copy of the petition to the opposing party and the board. Summons shall be issued by the Circuit Court clerk upon the petition directing the adverse party or parties to file an answer within twenty (20) days after service of summons. Service on the board shall be had by serving the Attorney General or any assistant attorney general. The executive director of the board shall within thirty (30) days after service of the summons file an attested copy of the order with the Circuit Court clerk, and of all ***documents in the record of*** [~~the steps taken by~~] the board relative to the attested order. If either party requests a transcript of the ***testimony or a copy of a videotape of the hearing*** [~~evidence~~], the requesting party shall bear the cost of the original copy of the transcript***, or cost of the videotape copy. The copy of the transcript*** [~~and it~~] shall be furnished within ninety (90) days ***and the copy of the videotape shall be furnished within thirty (30) days***.

(3) The board, the employee, and the appointing authority shall be necessary parties to [~~such~~] appeals. It shall not be necessary for the board to file responsive pleadings unless it so desires. If the appeal is from an order upholding the dismissal, demotion, suspension, or other penalization, the burden of appearing and defending the action of the board

(4) The case shall be set down by the court for as early a day as possible for a hearing, and shall in all respects be expedited.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 186A IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that purchasers when buying vehicles are entitled to know if the vehicle has sustained prior severe damage. The most feasible mechanism for conveying that information is a designation on the title that the vehicle has previously sustained severe damage or has been rebuilt after being declared "junk," "salvage," or "water damaged."

SECTION 2. A NEW SECTION OF KRS CHAPTER 186A IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 4 of this Act, unless the context otherwise requires:

(1) "Brand" means a designation affixed to a motor vehicle title that establishes a portion of the history of the motor vehicle and that shall be fixed to all subsequently issued titles for that vehicle;

(2) "Dealer" means a person or business as defined in KRS 190.010 who sells or offers for sale a motor vehicle;

(3) "Junk vehicle" means a vehicle which meets the description set forth in KRS 186A.295(1)(a);

(4) "Motor vehicle" means a motor vehicle as defined in KRS 186.010(8)(a) and (b);

(5) "Owner" means an individual, insurance company or other entity with legal title to the motor vehicle pursuant to KRS Chapter 186A;

(6) "Rebuilt salvage vehicle" means a vehicle that has been repaired to a road worthy condition after having been registered as a salvage vehicle pursuant to Section 3 of this Act, or a similar salvage designation from another licensing jurisdiction; and

(7) "Water damage" means damage to a motor vehicle caused by submerging or partially submerging the vehicle in water to the extent that the vehicle was submerged or partially submerged at any water level above the dashboard of the vehicle, regardless of the actual dollar amount of the damage.

Section 3. KRS 186A.335 is amended to read as follows:

(1) A salvage title shall be obtained by the owner ***of a*** [~~for any~~] motor vehicle ***that meets the following definition of a salvage vehicle:***

(a) A vehicle which has been wrecked, destroyed, or damaged, to the extent that the total estimated or actual cost of parts and labor to rebuild or reconstruct the vehicle to its pre-accident condition and for legal operation on the roads or highways exceeds seventy-five percent (75%) of the retail value of the vehicle, as set forth in a current edition of the National Automobile Dealer's Association price guide.

(b) The value or repair parts for purposes of this definition shall be determined by using the current published retail cost of the original equipment manufacturer parts or the actual retail cost of the repair parts used in repair.

(c) The labor costs of repairs for purposes of this section shall be computed by using the hourly labor rate and time allocations which are reasonable and customary in the automobile repair industry in the community where the repairs are performed [~~subject to titling and registration pursuant to this chapter which is deemed to have damages of seventy-five percent (75%) or more of NADA book value. Provided, however, that For the purposes of this chapter, a motor vehicle on which ownership has been transferred to an insurance company through payment of damages, pursuant to subsection (1) of this section, the insurance company making the payment of damages shall be deemed the owner of such vehicle~~].

(3) The county clerk shall retain a copy of each salvage title application received and shall forward the original and its supporting documents to the Department of Vehicle Regulation in a manner similar to that for handling of an application for a title.

(4) The Department of Vehicle Regulation shall process the salvage title application in a manner similar to that used in processing a title application and the salvage title shall be delivered in a like manner of a title. Salvage titles shall be construed as proof of ownership of a vehicle in a state as to be unusable upon the highways of the Commonwealth. [~~Under no circumstances shall any~~] ***A*** vehicle ***shall not*** be issued a registration for highway use as long as a salvage title is in force.

(5) The only ***time*** [~~instance under which~~] a vehicle with a salvage title may be operated upon the highways of the Commonwealth is when it is in route to or from an inspection by the certified inspector prior to obtaining a certificate of title after having been rebuilt as per KRS 186.115.

SECTION 4. A NEW SECTION OF KRS CHAPTER 186A IS CREATED TO READ AS FOLLOWS:

(1) The owner of a motor vehicle that meets the definition of a salvage vehicle as set forth in subsection (1) of Section 3 of this Act and has been issued a salvage certificate of title in Kentucky, or the equivalent thereof by another licensing jurisdiction, and has been rebuilt, may make application for a new certificate of title pursuant to KRS 186.115. The Transportation Cabinet may promulgate administrative regulations pursuant to KRS Chapter 13A governing the form of application.

(2) Upon receipt of a salvage certificate of title, or similar title issued by another state, and proof of passing the inspection required by KRS 186A.115, the cabinet shall issue a new certificate of title with the words "rebuilt salvage vehicle" printed on the face of the title. The brand shall be carried forward and printed in the appropriate section on the face of all titles issued thereafter for that motor vehicle.

(3) If ownership of a motor vehicle has been transferred to an insurance company through payment of damages, the insurance company making the payment of damages shall be deemed the owner of the vehicle.

(4) The owner of a water damaged vehicle shall make application to the cabinet for a salvage certificate of title as provided for in Section 3 of this Act. The owner of a vehicle with a brand from another jurisdiction identifying the vehicle as water damaged or other similar designation who is making application for a Kentucky title shall be issued a title with the words "water damaged" printed on the face of the title.

(5) A Kentucky certificate of title shall not be issued from an out-of-state junking certificate or other ownership document bearing a designation of "junk" or similar classification. Any motor vehicle damaged to the extent that it has been labeled as "junk" shall not be titled in the Commonwealth of Kentucky, but may be dismantled for parts or scrap.

(6) (a) When an insurance company makes a claim settlement on a vehicle that has been stolen and not recovered at the time the vehicle ownership is transferred, the company shall apply for a salvage certificate of title as provided for in Section 3 of this Act. If when the vehicle is recovered the vehicle has not sustained damage or has sustained only minor damage, the insurance company shall provide the Transportation Cabinet with the following information:

1. The motor vehicle shall receive an initial inspection by the certified inspector. The certified inspector shall make a minimum of two (2) photographs of the motor vehicle. The documentation shall be notarized and include the name, address, and place of employment of the technician who performed the inspection.

Upon receipt of this information, the cabinet shall issue the company a certificate of title to replace a salvage certificate of title. The cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A regarding the forms and any additional information which insurance companies shall be required to obtain and submit when seeking a certificate of title to replace a salvage certificate of title.

(b) In claim settlements that do not involve transfer of the vehicle to the insurance company, an insurer shall not render payment on a damage claim for a vehicle whose damage meets or exceeds seventy-five percent (75%) of the value of the vehicle, until the insurer has received proof that the owner has surrendered the title or has applied for a salvage certificate of title as set forth in Section 3 of this Act.

(c) An insurance company shall not refuse coverage to, and shall not reclassify coverage of, a vehicle that has been issued a rebuilt salvage title pursuant to the provisions of this section.

(7) A motor vehicle owner or a motor vehicle dealer licensed in this state who offers for sale, trade, or transfer a motor vehicle which carries a title brand, as set forth in subsection (2) of this section, shall disclose the nature of the brand to any prospective buyer or transferee, prior to the sale, and according to the following:

(b) Nondealer disclosure shall be made on the vehicle transaction record form provided for by KRS 186A.060. The cabinet shall design the form so that disclosure information appears near the beginning and informs the buyer that the vehicle is a rebuilt salvage vehicle.

(8) Failure of a dealer to procure the buyer's acknowledgment signature on the buyer's notification form or failure of any person other than a dealer to procure the buyer's acknowledgment signature on the vehicle transaction record form shall render the sale voidable at the election of the buyer. The election to render the sale voidable shall be limited to forty-five (45) days after issuance of the title. This provision shall not bar any other remedies otherwise available to the purchaser.

(9) The notification provisions of this section shall not apply to motor vehicles more than ten (10) model years old.

(10) The Transportation Cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A, regarding the administration of the title branding procedure within ninety (90) days from the effective date of this Act. The administrative regulations may include designation of additional brands which provide significant information to the owner.

(5) Any person who violates any provisions of this chapter, or regulations promulgated pursuant thereto, and for which a specific penalty is not prescribed by statute, shall be guilty of a Class A misdemeanor.

HB 533, AN ACT relating to driver's license.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 159.051 is amended to read as follows:

(1) When a student age sixteen (16) or seventeen (17) drops out of school or is declared to be academically deficient, the school administrator or his designee shall notify the superintendent of schools of the district in which the student is a resident or is enrolled. The reports shall be made at the end of each semester but may be made earlier in the semester for accumulated absences. A student shall be deemed to have dropped out of school when he has nine (9) or more unexcused absences in the preceding semester. Any absences due to suspension shall be unexcused absences. A student shall be deemed to be academically deficient when he has not received passing grades in at least four (4) courses in the preceding semester. The local school board shall adopt a policy to reflect a similar standard for academic deficiency for students in alternative, special education, or part-time programs.

(2) Within ten (10) days after receiving the notification, the superintendent shall report the student's name and Social Security number to the Transportation Cabinet. As soon as possible thereafter, the cabinet shall notify the student that his operator's license, permit, or privilege to operate a motor vehicle has been revoked or denied and shall inform the student of his right to a hearing before the District Court of appropriate venue to show cause as to the reasons his driver's license should be reinstated. Within fifteen (15) days after this notice is sent, the custodial parent, legal guardian, or next friend of the student may request an ex parte hearing before the District Court. The student shall not be charged District Court filing fees. The notification shall inform the student that he is not required to have legal counsel. Revocation under this subsection shall not be permitted unless the local school district shall operate an alternative education program approved by the Department of Education designed to meet the learning needs of students who are unable to succeed in the regular program.

(3) In order for the student to have his license reinstated, the court shall be satisfied that the license is needed to meet family obligations or family economic consideration which if unsatisfied would create an undue hardship or that the student is the only licensed driver in the household or the student is not considered a dropout or academically deficient pursuant to this section. If the student satisfies the court, the court shall notify the cabinet to reinstate the student's license at no cost. The student, if aggrieved by a decision of the court issued pursuant to this section, may appeal the decision within thirty (30) days to the Circuit Court of appropriate venue. A student who is being schooled at home shall be considered to be enrolled in school.

(4) A student who has had his license revoked under the provisions of this section may reapply for his driver's license as early as the end of the semester during which he enrolls in school and successfully completes the educational requirements. ***A student may also reapply for his driver's license at the end of a summer school semester which results in the student having passed at least four (4) courses during the successive spring and summer semesters, and the courses meet the educational requirements for graduation.*** He shall provide proof issued by his school within the preceding ***sixty (60)*** [~~thirty (30)~~] days that he is enrolled and is not academically deficient.

Section 2. KRS 186.450 is amended to read as follows:

(1) Any person who, except for his lack of instruction in operating a motor vehicle, would otherwise be qualified to obtain a permanent operator's license, may make application for and obtain an instruction permit, to be issued by the Circuit Court clerk in the county of the applicant's residence, and such permit shall be valid for not more than six (6) months. An applicant for relicensing after revocation shall pay the clerk a fee of twenty-five dollars ($25). The twenty-five dollar ($25) fee shall not apply to any person whose license was suspended for failure to meet the conditions described in KRS 186.411 when, within one (1) year of suspension, the driving privileges of such individuals are reinstated and persons reinstated pursuant to KRS 159.051. The permit holder shall have this permit in his possession and be accompanied by a licensed operator occupying the seat beside the operator at all times while operating a motor vehicle upon the highway.

(2) Any person who, except for his lack of instruction in operating a motorcycle or moped, would otherwise be qualified to obtain a permanent motorcycle operator's license, may make application for and obtain an instruction permit, to be issued by the Circuit Court clerk in the county of the applicant's residence, and such permit shall be valid for not more than six (6) months. The permit holder shall have this permit in his possession at all times while operating a motorcycle upon the highway.

(3) The clerk, after determining that the applicant has fully complied with the laws governing the issuance of instruction permits shall, upon the request of the applicant, issue a permanent moped license. Any valid motor vehicle operator license may also be used in the operation of a moped.

(4) Any applicant for a permit who is under the age of eighteen (18) who has not graduated from high school shall provide proof issued by his school within the preceding ***sixty (60)*** [~~thirty (30)~~] days that the applicant is currently enrolled or has been enrolled in the prior semester of school and is not or has not been found academically deficient. ***If*** [~~In the case of~~] a student ***is*** being schooled at home, a statement from his parent or guardian that he is being schooled at home and is not academically deficient shall be provided.

Section 3. KRS 186.470 is amended to read as follows:

(1) The application of any minor under the age of eighteen (18) for an operator's license, motorcycle operator's license, or any instruction permit shall not be granted unless the application is signed by a parent or legal guardian of the applicant. Regardless of which parent signs the application, both parents shall be responsible as provided in KRS 186.590. If the minor has no father, mother, or guardian, an operator's license or instruction permit shall not be granted to the minor unless his application is signed by a person willing to assume the obligation imposed by KRS 186.590 upon a person signing the application of a minor. Such a signature need not be required in the case of the renewal of a minor's license but the signature on the original application shall continue to make the parent, guardian, or other person liable under the provisions of KRS 186.590 on all renewals of the minor's license until he reaches the age of eighteen (18) unless the license, or any renewal thereof, is canceled as provided in subsection (2) of this section.

(2) A parent or a guardian of a minor applicant may file with the cabinet a verified written request that the license of the minor be canceled. Thereupon the license of the minor shall be canceled and the person who signed the application shall be relieved as to subsequent acts of the minor from the liability imposed by subsection (1) of KRS 186.590.

(3) The cabinet upon receipt of satisfactory evidence of the death of the person who signed the application of a minor for a license shall have the license canceled and no new license shall be issued to the minor until a new application, signed and verified, is made as required by this section.

(4) Any applicant for an operator's license who is under the age of eighteen (18) who has not graduated from high school shall provide proof issued by his school within the preceding ***sixty (60)*** [~~thirty (30)~~] days that the applicant is currently enrolled or has been enrolled in the prior semester of school and is not or has not been found academically deficient. ***If*** [~~In the case of~~] a student ***is*** being schooled at home, a statement from his parent or guardian that he is being schooled at home and is not academically deficient shall be provided.

(c) A licensed motor vehicle dealer who transfers physical possession of a motor vehicle to a purchaser pursuant to a bona fide sale, and complies with the requirements of KRS 186A.220, shall not be deemed the owner of that motor vehicle solely due to an assignment to his dealership or a certificate of title in the dealership's name. Rather, under these circumstances, ownership shall transfer upon delivery of the vehicle to the purchaser, subject to any applicable security interest.

(8) (a) "Vehicle," as used in KRS 186.020 to 186.260, includes all agencies for the transportation of persons or property over or upon the public highways of this Commonwealth and all vehicles passing over or upon said highways, excepting road rollers, road graders, farm tractors, vehicles on which power shovels are mounted, such other construction equipment customarily used only on the site of construction and which is not practical for the transportation of persons or property upon the highways, such vehicles as travel exclusively upon rails, and such vehicles as are propelled by electric power obtained from overhead wires while being operated within any municipality or where said vehicles do not travel more than five (5) miles beyond the city limit of any municipality.

The possession by an operator of a vehicle of a valid Kentucky operator's license shall be prima-facie evidence that the operator is a resident of Kentucky.

Section 2. KRS 186A.220 is amended to read as follows:

(1) Except as otherwise provided in this chapter, when any motor vehicle dealer licensed in this state buys or accepts such a vehicle in trade, which has been previously registered or titled for use in this or another state, and which he holds for resale, he shall not be required to obtain a certificate of title for it, but shall, within fifteen (15) days after acquiring such vehicle, notify the county clerk of the assignment of the motor vehicle to his dealership and pay the required transferor fee.

(2) Upon purchasing such a vehicle or accepting it in trade, the dealer shall obtain from his transferor, properly executed, all documents required by KRS 186A.215, to include the odometer disclosure statement thereon, together with a properly assigned certificate of title.

(5) When he assigns the vehicle to a purchaser for use, he shall deliver the properly assigned certificate of title, and a properly executed vehicle transaction record, to such purchaser, who shall make application for registration and a certificate of title thereon. ***The dealer may, with the consent of the purchaser, deliver the assigned certificate of title, and the executed vehicle transaction record of a new or used vehicle, directly to the county clerk, and on behalf of the purchaser, make application for registration and a certificate of title. In so doing, the dealer shall require from the purchaser proof of insurance as mandated by KRS 304.39-080 before delivering possession of the vehicle. Notwithstanding the provisions of KRS 186.020, 186A.065, 186A.095, 186A.215, and 186A.300, if a dealer elects to deliver the title documents to the county clerk and has not received a clear certificate of title from a prior owner, the dealer shall retain the documents in his possession until the certificate of title is obtained.***

(6) The Department of Vehicle Regulation shall assure that the automated system is capable of accepting instructions from the county clerk that a certificate of title shall not be produced under a dealer registration situation.

Section 3. KRS 138.465 is amended to read as follows:

(1) Any person other than a dealer, as defined in KRS 186.010***(10)***[~~(9)~~], who sells or transfers a motor vehicle in this state shall deliver to the county clerk the certificate of registration and ownership with the assignment form on the reverse side properly executed and shall transfer the vehicle to the new owner within ten (10) days of the date of the sale or transfer of ownership.

(2) Any person who violates subsection (1) of this section shall be subject to the penalties set out in KRS 186.990(2).

SJR 13, A JOINT RESOLUTION directing the Governor to submit a written certification to the United States Secretary of Transportation to comply with Section 159 (a)(3)(B) of Public Law 101-516, stating the opposition of the Kentucky General Assembly to the enactment of the federal "Drug Offender's Driving Privileges Suspension Act of 1990" or a similar qualifying license suspension law for drug offenders.

WHEREAS, Congress passed Public Law 101-516 requiring the United States Secretary of Transportation to withhold five percent (5%) of a state's highway related funds if that state does not meet the requirements of Public Law 101-516 by October 1, 1993, and, in addition, beginning October 1, 1995, and each fiscal year thereafter ten percent (10%) of state highway funds are required to be withheld; and

WHEREAS, five percent (5%) of Kentucky's federal highway funds is approximately $9.4 million and ten percent is approximately $19.3 million; and

WHEREAS, Section 159 (a)(3)(B) of Public Law 101-516 provides that a state has complied with Public Law 101-516 and will not lose federal highway funding if each house of the state legislature has adopted a resolution expressing its opposition to enactment of a law that complies with the major provisions of Public Law 101-516, which requires a six month suspension of the driver's license of any individual convicted of any violation of the Controlled Substances Act or any drug law, regardless of whether a motor vehicle was involved in the offense; and

WHEREAS, to fully comply with Section 159 (a)(3)(B) of Public Law 101-516, the Governor must also submit a written certification to the United States Secretary of Transportation expressing his opposition to the enactment or enforcement of a driver license suspension law similar to Public Law 101-516; and

WHEREAS, after careful examination of Public Law 101-516, the Kentucky General Assembly hereby determines:

1. That driver license revocations pursuant to Public Law 101-516 do not have to be related to the operation of a motor vehicle upon the public highways in Kentucky;

2. That current Kentucky law (KRS Chapter 189A) prohibits a person from driving under the influence of any substance that impairs his ability to operate a motor vehicle and, based upon the number of convictions against the person for the same offense, mandates a person's driver's license be revoked for a period between ninety (90) days and five (5) years, a fine between $200 and $1,000, imprisonment between forty-eight (48) hours and five (5) years, and community labor between ten (10) days and one (1) year;

3. That current Kentucky law (KRS 218A.410) makes a person's car subject to seizure and forfeiture to the state if the motor vehicle has been used to transport, sell, or receive a controlled substance; and

4. That current Kentucky law (218A.991) provides for the suspension of driving privileges for a minimum of one (1) year of persons between the ages of fourteen (14) and eighteen (18) convicted of engaging in prohibited conduct involving the possession, use, sale, or consumption of controlled substances; and

WHEREAS, the Kentucky General Assembly believes that if a person is not deterred from criminal drug activity by the threat of his motor vehicle being seized and forfeited to the state, enactment of Public Law 101-516 requiring the person's driver's license to be suspended for six (6) months will certainly not deter criminal drug activity; and

WHEREAS, the Kentucky General Assembly believes that it is unnecessary to enact the license suspension provisions of Public Law 101-516 because the state has already enacted sufficient laws to deter illegal drug activity; and

WHEREAS, the Kentucky General Assembly believes that the license suspension provisions of Public Law 101-516 would unnecessarily strain limited state financial and manpower resources to enforce, as well as unnecessarily increase the paperwork and bureaucracy of state government;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. That the General Assembly is opposed to the federal government mandating that states enact a law that provides for the suspension or revocation of a person's driver's license based upon a conviction of a drug offense regardless of whether the person operated a motor vehicle at the time of the offense.

Section 2. That the Honorable Brereton C. Jones, Governor of the Commonwealth of Kentucky, is directed to submit a written certification to Federico F. Pena, United States Secretary of Transportation, that the Kentucky General Assembly has adopted this Resolution, as authorized by United States Code Title 23, Section 159(a)(3)(B), expressing its opposition to the additional enactment and enforcement of the federal "Drug Offender's Driving Privileges Suspension Act of 1990" or a similar qualifying license suspension law for drug offenses.

Section 3. That Governor Brereton C. Jones is requested to submit written certification to Secretary Pena expressing his opposition to this federal mandate which is currently addressed by existing Kentucky statutes.

Section 4. That copies of this Resolution be transmitted to Governor Jones, the members of the Kentucky Congressional Delegation, and United States Transportation Secretary Federico Pena, 400 Seventh Street, SW, Washington, DC 20590.

SJR 27, A JOINT RESOLUTION directing the Transportation Cabinet to name a bypass near Mount Washington the Harold Bradley Allgood Memorial Highway, and place appropriate signs.

WHEREAS, Harold Bradley Allgood was an Emergency Medical Technician and Assistant Safety Officer with the Mount Washington Fire Department; and

WHEREAS, Harold Bradley Allgood was tragically killed, at age twenty-one, on November 15, 1993, responding to a rescue while riding the tailboard of a fire department pumper; and

WHEREAS, Harold Bradley Allgood had worked for the Mount Washington Fire Department for six years, first as a junior firefighter, then a firefighter, and finally the Assistant Safety Officer; and

WHEREAS, Harold Bradley Allgood was a member of the Bullitt County Disaster and Emergency Services, the American Red Cross, the American Heart Association, and a former member of the Civil Air Patrol; and

WHEREAS, Harold Bradley Allgood was also Operations Manager and Safety Officer for All County Wheelchair Transport Service, and worked on a daily basis with mentally and physically disabled persons and the elderly; and

WHEREAS, Harold Bradley Allgood was known throughout his community as a caring and compassionate man who was dedicated to serving his fellow citizens in many different ways, and is sorely missed by many who wish to honor his memory;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Transportation Cabinet is directed to name the entire length of the bypass around Mount Washington on Highway 44E, the Harold Bradley Allgood Memorial Highway.

Section 2. That the Transportation Cabinet is directed to place appropriate signs, to be paid for by the family of Harold Bradley Allgood, along the bypass.

Section 3. That the Clerk of the Senate is directed to transmit a copy of this Resolution to Secretary Don Kelly, Transportation Cabinet, State Office Building, Frankfort, Kentucky 40601, and to Judy Allgood-Hodge, Post Office Box 592, Mount Washington, Kentucky 40047.

(5) If the aggrieved party is not represented by counsel, then the health care provider or providers shall be encouraged to respond to mediation without counsel, but may engage counsel at the health care provider's option.

(6) If the mediation does not result in a resolution of the dispute, the aggrieved party has ninety (90) days after the mediator files a report with the court in which to file a complaint for lawsuit, within the Kentucky Rules of Civil Procedure, and to issue summons to be served upon the health care provider or providers for that purpose.

(7) If the mediation does not result in the resolution of the dispute and the aggrieved party files a complaint under the Rules of Civil Procedure, then the mediation process required under Section 18 shall be waived.

SECTION 18. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

The following provisions shall apply to any action filed in Circuit Court by a patient or patient's representative against a health care provider alleging personal injury or wrongful death:

(1) Upon filing of a complaint in a personal injury action alleging negligence of a health care provider, the plaintiff's attorney shall file an affidavit stating as follows:

(a) That the plaintiff's attorney has gathered all pertinent medical records and has had those records reviewed by an actively practicing physician of the same specialty or subspecialty as the plaintiff and who is qualified to render opinions on the appropriate standard of care under the same or similar circumstances, and that that person, after reviewing the records, has given the opinion, predicated upon reasonable medical probability, that there was a departure from the standard of care and that the departure was a substantial factor in causing the injury or death; or

(b) That, because of significant time constraints posed by the applicable statute of limitations, the plaintiff's attorney has not had time to do the acts required in paragraph (a) of this subsection, in which case the plaintiff's attorney shall within ninety (90) days of the date of the filing of the complaint file the required affidavit, with the time for the health care provider and any other defendants to file a responsive pleading not to commence until after the affidavit is filed.

(d) The mediation conference shall be at a time and place set by order of the court in which the action is pending and shall be conducted by a mediator appointed by the court to consider the possibility of settlement, the simplification of issues, and any other matters which the mediator and the parties determine may aid in the

handling of the disposition of the proceedings. The mediator may schedule additional conferences necessary to complete the process and mediation shall continue until the parties have reached a settlement, until they are unwilling to proceed further, or until the mediator determines that further efforts would be futile. The mediator shall report to the court whether or not mediation was successful, or if further mediation might be considered after additional discovery, but the mediator shall not make findings of facts, nor shall the mediator assign blame to any party for the failure of the mediation process.

(e) If any party fails to appear at a duly-noticed and scheduled mediation conference without good cause, the trial court shall upon motion impose sanctions against the party or counsel, or both, which sanctions may include an award of attorney's fees and other reasonable costs and expenses.

1. At least ten (10) days prior to the mediation conference, each party shall submit to the mediator a written statement of the case. 2. Each party shall provide copies of the medical records believed by that party to be relevant, to the mediator and to all other parties.

(d) The mediator shall discuss the facts with all parties and their attorneys to determine the areas of conflict and shall confer with them as the mediator deems proper in accordance with the mediator's training and experience, with the intent and purpose of reaching a compromise on all or as many of the issues as is possible.

(c) The mediation communications were made in furtherance of the commission of a crime or fraud or as part

of a plan to commit a crime or fraud, but only to the extent and for the specific purpose the communication or document is required to be disclosed.

(8) Guidelines and procedures for medical negligence mediation under this section, including mediator qualifications and mediation training, shall be developed by the Supreme Court of Kentucky and issued as rules.

(9) The Supreme Court of Kentucky shall, by rule, set a fee schedule for mediation services under this section.

(10) The trial court shall, utilizing the fee schedule, set a reasonable fee for the mediator based upon the complexity of issues and the time required for mediation. This fee shall be assessed among the parties on a pro rata basis. The court in which the action is pending may, utilizing the fee schedule, upon motion, increase the mediator's fee due to the complexity of the case, or the time involved.

(11) The mediators shall successfully complete mediation training in a program approved by the Administrative Offices of the Courts.

(12) Nothing contained in this section shall be construed to limit or prohibit the trial court, upon the motion of all parties, from referring a pending case against a health care provider to mediation at any time prior to the entry of a final judgment and any subsequent referral to mediation after the initial mediation conference shall be in accordance with the provisions of this section.

(13) In any action brought against a health care provider under this section, the trial court may, after an evidentiary hearing, award attorney's fees and expenses if the court finds as fact that:

(a) The claim or defense is totally without merit; and

(b) The party against which the award is made persisted in the claim or defense after it was known that the claim or defense was without merit, after having been placed upon notice by the opposing party.

SECTION 19. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

Notwithstanding any of the provisions of this chapter to the contrary, the provisions of Section 20 of this Act shall be applicable to the arbitration of a dispute, controversy, or issue arising out of or resulting from injury to, or the death of, a person caused by an error, omission, or negligence in the performance of professional services by a health care provider in Kentucky.

SECTION 20. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(2) Arbitration shall not commence without the voluntary agreement of the claimant and all defendants. The agreement to arbitrate shall not be valid if executed prior to receipt of medical services or treatment which are at issue in the arbitration.

(3) The form of the agreement shall be established by the Supreme Court and shall be accompanied by an information brochure developed by the Administrative Office of the Courts which clearly details the agreement provisions including, but not limited to, the limit on damages of five hundred thousand dollars ($500,000).

SECTION 21. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(a) The parties may be represented by counsel, be heard, present evidence material to the controversy, and cross-examine any witness;

(b) The prevailing standard of duty, practice, or care applicable in a civil action shall be the standard applied in the arbitration, except as provided by Section 36 of this Act; and

(c) Damages shall be limited in total value to five hundred thousand dollars ($500,000).

(2) A party may appear without counsel and shall be advised of this right and the right to retain counsel in a manner calculated to inform the person of the nature and complexity of a proceeding by a simple concise form to be distributed by the Administrative Office of the Courts.

(3) Actions commenced under this section shall be in accordance with KRS 413.140.

SECTION 22. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(2) An arbitration under Sections 19 to 36 of this Act shall be heard by a panel of three (3) arbitrators. The first panel member shall be an attorney who shall be chosen by the plaintiff from a list of three (3) volunteers submitted to the Administrative Office of the Courts by the Kentucky Academy of Trial Attorneys, pursuant to subsection (3) of this section. The second panel member shall be a physician, from the defendant's medical specialty, who shall be chosen

by the defendant from a list of three (3) volunteer physicians submitted to the Administrative Office of the Courts by the Kentucky Medical Association, pursuant to subsection (3) of this section. The third panel member shall be a person chosen by agreement of the physician and attorney panel members from a list of experienced arbitrators who are Kentucky residents. The third panel member shall also serve as chairperson of the panel and shall determine hearing dates and locations.

(3) The third panel member of the panel shall be a qualified experienced arbitrator selected from a pool of candidates generated by the Administrative Office of the Courts. The Administrative Office of the Courts shall send simultaneously to each party an identical list of three (3) arbitrator candidates together with a brief biographical statement on each candidate. A party may strike from the list any name which is unacceptable and shall number the remaining names in order of preference. When the lists are returned, they shall be compared and the first mutually agreeable candidate in each category shall be invited to serve.

(4) Where no mutually agreed upon arbitrator is selected, the Administrative Office of the Courts shall generate a second list for consideration pursuant to the process defined in subsection (3) of this section. Where no mutually agreed upon arbitrator is selected from the second list, the Administrative Office of the Courts shall randomly select the arbitrator.

(5) The parties shall be restricted to the list of panel candidates submitted to them for consideration.

(6) The physician panel member shall not reside in the area development district where the defendant physician practices or resides, except upon agreement of the plaintiff and defendant.

(7) The attorney panel member shall not reside in the area development district where the plaintiff's attorney practices or resides, except on agreement of the defendant and plaintiff.

(8) The Administrative Office of the Courts, through its director or the director's designee, shall operate the arbitration process, with the initial claims filed with the Administrative Office of the Courts.

(9) All fees pursuant to subsection (1) of this section shall be submitted to the Administrative Office of the Courts to defray related expenses.

(10) Panel members shall be paid at the rate of one hundred dollars ($100) per day plus an amount for necessary expenses, as determined by the Administrative Office of the Courts.

SECTION 23. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Medical Association and the Kentucky Association of Trial Attorneys shall make an initial screening for bias and shall require a candidate for a particular case to attest and complete a current personal disclosure statement. In addition to other relevant information, the statement shall disclose any personal acquaintance with any of the parties or their counsel and the nature of the acquaintance. If the statement reveals facts which suggest the possibility of partiality, the Kentucky Medical Association or the Kentucky Association of Trial Attorneys shall communicate those facts to the Administrative Office of the Courts. The Administrative Office of the Courts shall make a final screening for bias and may eliminate from consideration any candidate determined to be unreasonably partial. The Administrative Office of the Courts shall communicate any facts regarding the possibility of the partiality of any arbitrator candidate to the defendant and claimant.

(2) Any party may propound reasonable questions to an arbitrator candidate if the questions are propounded within ten (10) days of the receipt of the candidate's name. Questions shall be propounded through the Administrative Office of the Courts, and the candidate shall respond to the Administrative Office of the Courts within ten (10) days of receipt.

(3) A party shall not communicate with a candidate directly or indirectly except through the Administrative Office of the Courts, the Kentucky Medical Association, or the Kentucky Association of Trial Attorneys any time after the filing of the request for arbitration. Any candidate who is aware of a communication shall immediately notify the Administrative Office of the Courts.

SECTION 24. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) A minor child shall be bound by a written agreement to arbitrate disputes, controversies, or issues upon the execution of an agreement on his behalf by a parent or legal guardian. The minor child shall not subsequently disaffirm the agreement.

(2) In cases involving a common question of law or fact, if a number of defendants are involved, the disputes, controversies, and issues shall be consolidated into a single arbitration proceeding if the consolidation is consistent with the Kentucky Rules of Civil Procedure.

(3) A person who is not a party to the arbitration agreement may join in the arbitration or be joined at the request of any party with all the rights and obligations of the original parties. Each party to an arbitration under Sections 19 to 36 of this Act shall be required to arbitrate with all parties, whether the parties are original or joined pursuant to this section.

SECTION 25. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Prior to the institution of a proceeding or claim by a patient, any offer of reparations and all communications

incidental thereto made in writing to a patient by a health care provider or hospital is privileged and shall not be used by any party to establish the liability or measure of damages attributable to the offeror.

(2) An offer of reparations shall provide that a patient has thirty (30) days to accept or reject the offer, or a lesser period of time as may be necessitated by the condition of the health of the patient.

(3) After any rejection or the lapse of the applicable time, any party may request binding arbitration.

(4) Any offer to a patient shall include a statement that the patient may consult legal counsel before rejecting or accepting the offer.

(5) If a potential claim is identified by a health care provider or hospital where, in its judgment, reparations are not appropriate, the provider may, at its option, file a request for arbitration which shall identify the potential claim and deny liability.

SECTION 26. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) After the appointment of the panel, the parties to the arbitration may take depositions and obtain discovery regarding the subject matter of the arbitration and use and exercise the same rights, remedies, and procedures, and be subject to the same duties, liabilities, and obligations in the arbitration with respect to the subject matter thereof, as if the subject matter of the arbitration were pending in a civil action in Circuit Court.

(2) The panel shall conclude the entire proceeding as expeditiously as possible.

(3) Discovery shall commence no earlier than twenty (20) days after all parties have received a copy of the agreement to arbitrate and shall be completed within five (5) months after the date that the last party received a copy of the agreement to arbitrate.

(4) A party may be granted an extension of time to complete discovery upon a showing that the extension is not the result of neglect and that the extension is necessary in order to avoid substantial prejudice to the rights of the party.

SECTION 27. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The name of any expert witnesses who will be called at the arbitration shall be disclosed to the opposing party, who may depose the witness.

(2) Any party may also provide discovery of that party's expert witnesses by the written interrogatory procedure provided in the Kentucky Rules of Civil Procedure. A party may disclose without request or shall disclose, upon request, the name of each expert the party expects to call at the hearing, the subject matter on which the expert will testify, the substance of facts and opinions to which the expert will testify, and a summary of the grounds for each opinion.

(3) If a party is provided or requests the discovery procedure in subsection (2) of this section and the provision or request occurs prior to the date on which an expert is noticed for deposition or other discovery is commenced under prevailing civil practice, any further discovery of the expert by any other party by deposition or otherwise shall obligate the other party to compensate the expert for time and expenses in a reasonable amount as may be determined by the panel.

SECTION 28. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) An arbitration hearing established pursuant to Sections 19 to 36 of this Act shall adhere to the Kentucky Rules of Civil Procedure.

(2) Testimony shall be taken under oath and a record of the proceedings shall be made by a tape recording. Any party, at that party's expense, may have transcriptions or copies of the recording made or may provide for a written transcript of the proceedings. The cost of any transcription ordered by the panel for its own use shall be deemed part of the cost of the proceedings.

(3) Expert testimony shall not be required; but if expert testimony is used, it shall be admitted under the same circumstances as in a civil trial and be subject to cross-examination.

(4) The party with the burden of establishing a standard of care and breach thereof shall establish standards, either by the introduction of expert testimony or by other competent proof of the standard and breach thereof, which may include the use of works as provided in subsection (5) of this section.

(5) Authoritative, published works on the general and specific subjects in issue may be admitted and argued from, upon prior notice to all other parties.

(6) The panel shall accord that weight and probative worth to expert evidence which it deems appropriate. The panel may call a neutral expert on its own motion, which expert witness shall be subject to cross-examination by the parties. The cost of the expert shall be deemed a cost of the proceeding.

SECTION 29. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

The panel or its chairperson in the arbitration proceeding shall, upon application by a party to the proceeding, and may upon its own determination, issue a subpoena requiring a person to appear and be examined with reference to a matter within the scope of the proceeding, and to produce books, records, or papers pertinent to the proceeding. In case of

disobedience to the subpoena, the chairperson or a majority of the arbitration panel in the arbitration proceeding may petition the Circuit Court of the county in which the witness resides or the Circuit Court of the county in which the inquiry is being held to require the attendance and testimony of the witness and the production of books, papers, and documents. A Circuit Court, in case of contumacy or refusal to obey a subpoena, may issue an order requiring the person to appear and to produce books, records, and papers and give evidence related to the matter in question, or which may give rise to matters relevant to the issues in question. Failure to obey the order of the court may be punished by the court as contempt.

SECTION 30. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) On application of a party to the arbitration, the panel or its chairperson may order the deposition of a witness to be taken for use as evidence and not for discovery if the witness cannot be compelled to attend the hearing or if exceptional circumstances exist making it desirable, in the interest of justice and with due regard to the importance of presenting the testimony of witnesses orally at the hearing, to allow the deposition to be taken. The deposition shall be taken in the manner prescribed by law or court rule for the taking of depositions in civil actions.

(2) In addition to the power of determining the merits of the arbitration, the panel may enforce the rights, remedies, procedures, duties, liabilities, and obligations of discovery by the imposition of the same terms, conditions, consequences, liabilities, sanctions, and penalties as may be imposed in like circumstances in a civil action by a Circuit Court of the Commonwealth, except the power to order the arrest or imprisonment of a person.

(3) For the purpose of enforcing the duty to make discovery, to produce evidence or information, including books and records, and to produce persons to testify at a deposition or at a hearing, and to impose terms, conditions, consequences, liabilities, sanctions, and penalties upon a party for violation of a duty, a party shall be deemed to include every affiliate of the party as defined in subsection (4) of this section. For that purpose, the personnel of an affiliate shall be deemed to be the officers, directors, managing agents, agents, and employees of that party to the same degree as each of them, respectively, bears that status to the affiliate; and the files, books, and records of an affiliate shall be deemed to be in the possession and control of, and capable of production by, the party.

(4) As used in this section, "affiliate" of the party to the arbitration means and includes a party or person for whose immediate benefit the action or proceeding is prosecuted or defended or an officer, director, administrator, member, agent, employee, or managing agent of that party or person.

SECTION 31. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Except for the parties to the arbitration and their agents, officers, and employees, all witnesses appearing pursuant to subpoena shall be entitled to receive fees and mileage in the same amount and under the same circumstances as prescribed by law for witnesses in civil actions in the Circuit Court. The fee and mileage of a witness subpoenaed upon the application of a party to the arbitration shall be paid by that party. The fee and mileage of a witness subpoenaed solely upon the determination of the arbitrator or the majority of a panel of arbitrators shall be paid in the manner provided for the payment of the arbitrator's expenses.

(2) The cost of each arbitrator's fees and expenses, together with any administrative fee, may be assessed against any party in the arbitration decision or may be assessed among parties in the proportions determined in the arbitration decision.

SECTION 32. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) A majority of the panel of arbitrators may grant any relief found to be equitable and just, including money damages, provision for hospitalization, medical, or rehabilitative procedures, support, or any combination thereof.

(2) The panel may order submission of written briefs within thirty (30) days after the close of hearings. In written briefs, each party may summarize the evidence and testimony and may propose a comprehensive award of remedial or compensatory elements.

(3) The panel shall render its decision within thirty (30) days after the close of the hearing or the receipt of briefs, if ordered.

(4) The decision in the arbitration proceeding shall be in writing and shall be signed by the chairperson or by the majority of the panel. The decision shall include a determination of all the questions submitted to arbitration by each party, the resolution of which is necessary to determine the dispute, controversy, or issue.

SECTION 33. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In addition to the decision, the panel shall render a written opinion which states its reasoning for the finding of liability or nonliability, and the reasoning for the amount and kind of any award. A panel member who disagrees with the majority may write a dissenting opinion.

(2) The panel shall determine the degree to which each defendant party was at fault for the total damages accruing to any other party to the arbitration, considering all sources of damage involving parties to the arbitration, but excluding the damages attributable to persons not parties to the arbitration.

(3) The panel shall prepare a schedule of contributions according to the relative fault of each party, which schedule shall be binding as between those parties, but that determination shall not affect a claimant's right to recover jointly

and severally from all parties where that right otherwise exists in the law.

SECTION 34. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In the case of an award, any element of which includes remedial services, contracts, annuities, or other noncash award element, the panel shall determine the current cash value of each element of the award and shall also determine a total current cash value of the entire award, which shall not exceed five hundred thousand dollars ($500,000).

(2) An award of remedial surgery or care shall not require that the patient undergo that treatment or care by the health care provider whose conduct resulted in the award.

(3) A claimant may refuse to accept the benefits of an award for remedial surgery or other noncash award element, and the refusal shall not affect the claimant's right to receive any other part of the award, nor shall the refusal entitle the claimant to payment of the current cash value of the portion refused.

SECTION 35. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The Administrative Office of the Courts shall transmit to the commissioner of insurance and the applicable licensing board of any defendant party a copy of the demand for arbitration within ten (10) days of filing. A copy of the decision and opinion of the panel shall be transmitted to the same parties within ten (10) days of the filing of the decision and opinion. The decision and opinion shall be filed for informational purposes and the making or filing of the decision and opinion shall not of itself be a ground for discipline.

(2) The commissioner of insurance shall by July 1, on odd numbered years, compile a report of the total number and type of demands for arbitration and the nature of the decisions and opinions reached and shall transmit the report to the Governor, Legislative Research Commission, Interim Joint Committees on Banking and Insurance and Health and Welfare, and the Kentucky Health Policy Board.

SECTION 36. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In each action brought against a physician relating to alleged negligence, the arbitration panel created pursuant to Section 22 of this Act, shall consider separately, and render a decision within thirty (30) days, any claim that the plaintiff's allegations were without probable cause or merit or were frivolous. For the purposes of this section, "frivolous" allegations means those allegations found by the arbitration panel to be so totally lacking in merit that the allegation appears to have been made in bad faith.

(2) A claim that an allegation was frivolous or was made without probable cause or merit shall be made by the defendant and asserted in the defendant's initial response to the claim, or the recourse established under this section shall be waived.

(3) If a claim that an allegation was frivolous or was made without probable cause or merit is found to be correct by the arbitration panel, the plaintiff shall pay all associated costs and defendant's attorney fees and other expenses, as determined to be reasonable by the arbitration panel.

(4) If a claim of frivolous allegation or of an allegation without probable cause or merit is found to be incorrect by the arbitration panel, the defendant shall pay all associated costs and the plaintiff's attorney fees and other expenses, incurred to consider the claim, as determined to be reasonable by the arbitration panel.

(5) For the purposes of this section, the standard of proof in arbitration panel hearings shall be whether the physician rendered care consistent with applicable practice parameters which existed at the time of service. "Applicable practice parameters" means those guidelines or parameters adopted by the national specialty board governing the procedure or by the federal Agency for Health Care Policy and Research or by other agencies as accepted by the arbitration panel or court.

- *(b) "Third-party payor" means the board, any insurance company or health maintenance organization licensed under KRS Chapter 304, the Cabinet for Human Resources, the Department for Medicaid Services, the Department for Health Services, and any other person or governmental entity which is responsible for payment of health services; and*

The Kentucky Health Policy Board shall compile the list and make it available to the public and to requesting health care providers. The board shall annually prepare a report on this information for the public in a manner to be determined by the board.

(3) No provider, excluding health facilities, may refer a patient to any other provider, health facility, or health service in which the provider has a greater than five percent (5%) financial interest, or in which remuneration of any kind is given as a direct or indirect result of the referral.

(4) No provider, excluding health facilities, who has been referred a patient in violation of subsection (2) of this section shall bill or collect from the patient or any third-party payor for the services rendered.

PART VII

TWENTY-FOUR HOUR HEALTH COVERAGE

SECTION 38. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

(1) By January 1, 1995, the Kentucky Health Policy Board shall promulgate administrative regulations pursuant to KRS Chapter 13A authorizing the establishment by March 1, 1995, of pilot projects for twenty-four (24) hour health coverage. The total number of participants in the pilot projects cannot exceed five percent (5%) of all insured persons who are covered both by workers compensation and general health insurance. The administrative regulations for the pilot projects shall provide that:

- ***(a) A twenty-four (24) hour policy may cover general health care for purposes of general health insurance, auto insurance, workers' compensation, or health care normally covered by any line of insurance written in the Commonwealth;***
- ***(b) A twenty-four (24) hour coverage policy shall not contain deductibles or copayments for medical services or treatment for work-related injuries or diseases; and***
- ***(c) There shall be no transfer of liabilities or expenses between or among particular lines of insurance whose medical or health components have been combined into a twenty-four (24) hour coverage for health care.***

(2) No policy for twenty-four (24) hour coverage shall become effective until it is reviewed and approved by the board, in consultation with the commissioner of the Department of Insurance.

(3) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, each insurer authorized or licensed to write insurance in the Commonwealth shall provide any information requested by the board for the purpose of developing a twenty-four (24) hour health policy.

(4) The purchase of a twenty-four (24) hour health policy shall not constitute an exemption from statutory provisions which require other nonmedical insurance coverage. However, an insurance carrier shall reduce its premium for insurance coverage written without the medical or health care component. Notwithstanding the provisions of Subtitle 13 of KRS Chapter 304, the premium reduction required in this subsection shall be subject to the approval of the commissioner of the Department of Insurance.

(5) If an employer obtains a twenty-four (24) hour health insurance policy, pursuant to this section, to secure payment of compensation for medical care and treatment under KRS Chapter 342, the employer shall also procure an insurance policy which shall provide indemnity benefits to ensure that the total coverage afforded by both the twenty-four (24) hour insurance policy and the policy providing indemnity benefits, shall provide the total compensation required by KRS Chapter 342.

(6) The participants in a pilot project for twenty-four (24) hour health coverage shall comply with periodic reporting requirements of the Kentucky Health Policy Board.

(7) Each insurer authorized or licensed to write insurance in the Commonwealth shall cooperate with the board and shall provide any information requested by the board for the purpose of studying twenty-four (24) hour health policy.

(8) Each agency of state government shall cooperate with the board if requested to provide information for the purposes of this section.

Section 39. KRS 342.020 is amended to read as follows:

(1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. The employee may select the physician to treat ***the*** [~~this~~] injury, and the hospital in which ***treatment may be rendered*** [~~he shall be treated~~]. The employer, or an insurer on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider

of such services within thirty (30) days of receipt of a statement for services. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter if appropriate as long as medical services are rendered.

(2) ***Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.***

(3) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall initially pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces.

(4)[~~(3)~~] Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat ***the*** [~~his~~] injury or disease, or because of the hospital selected by the employee in which ***treatment is being rendered*** [~~he is being treated~~], that the employee is not receiving proper medical treatment and ***the*** [~~his~~] recovery is being substantially affected or delayed; or that the funds for [~~his~~] medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for ***the*** [~~his~~] injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

(5)[~~(4)~~] An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury for which the employee claims compensation.

Section 40. KRS 342.375 is amended to read as follows:

Every policy or contract of workers' compensation insurance under this chapter, issued or delivered in this state, shall cover the entire liability of the employer for compensation to ***each employee*** [~~every one of his employees~~] subject to this chapter, except as otherwise provided in KRS 342.345 ***or Sections 38 to 39 of this Act***. However, if specifically authorized by the commissioner, a separate insurance policy may be issued for a specified plant or work location if the liability of ***the*** [~~such~~] employer under this chapter to ***each employee*** [~~all his other employees~~] subject to this chapter is otherwise secured and provided that no employee transferred from one plant or work location to another within the employment of the same employer shall thereby lose any benefit rights accumulated under the average weekly wage concept.

PART VIII

CERTIFICATE OF NEED

Section 41. KRS 216B.010 is amended to read as follows:

The General Assembly finds that the licensure of health facilities***,*** [~~and~~] health services***, and health care providers*** is a means to insure that the citizens of this Commonwealth will have safe, adequate***,*** and efficient medical care; that the proliferation of unnecessary health care facilities, health services and major medical equipment results in costly duplication and underuse of such facilities, services and equipment; and that such proliferation increases the cost of quality health care within the Commonwealth. Therefore, it is the purpose of this chapter to ***fully authorize and empower the Kentucky Health Policy Board to perform any certificate-of-need function and other statutory functions necessary to improve the quality and increase access to health care facilities, services, and providers, and to create a cost-efficient health care delivery system for the citizens of the Commonwealth. The Kentucky Health Policy Board may recommend to the Kentucky General Assembly methods to increase access to health care facilities, services, and providers*** [~~provide for the establishment of the Commission for Health Economics Control in Kentucky for the purpose of acting on applications for certificates of need~~].

Section 42. KRS 216B.015 is amended to read as follows:

(2) "Affected persons" means the applicant; any person residing within the geographic area served or to be served by the applicant; any person who regularly uses health facilities within that geographic area; health facilities located in the health service area in which the project is proposed to be located which provide services similar to the services of the facility under review; health facilities which, prior to receipt by the agency of the proposal being reviewed, have formally

indicated an intention to provide similar services in the future; the cabinet and third-party payors who reimburse health facilities for services in the health service area in which the project is proposed to be located.

(3) "Applicant" means ***any physician's office requesting a major medical equipment expenditure of five hundred thousand dollars ($500,000) or more or*** any person, health facility, or health service requesting a certificate of need or license***, from the Kentucky Health Policy Board***.

(c) "Health benefit plan" means a health benefit plan which affects the rights of a Kentucky insured and bears a reasonable relation to Kentucky, whether delivered or issued for delivery in Kentucky.

(5) "Insurer" means a person who provides heath benefit plans in this state and is subject to insurance regulation in this state, including an authorized insurance company, health maintenance organization, self-insurer or multiple welfare arrangement not exempt from state regulation by ERISA, accountable health plans as defined in Section 65 of this Act, and nonprofit hospital, medical-surgical, dental, and health service corporation.

SECTION 73. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

All health benefit plans issued or renewed on or after January 1, 1995, shall comply with the following provisions:

(1) All health benefit plans shall be renewable with respect to all eligible persons and dependents at the option of the policyholder or contract holder, except:

(a) For nonpayment of the required premiums by the policyholder or contract holder;

(b) For fraud or misrepresentation of the policyholder or contract holder;

(c) For noncompliance with health benefit plan provisions;

(d) If the insurer ceases doing business in Kentucky and notice of the decision to cease to do business in Kentucky is provided to the Kentucky Health Policy Board, the department, and to either the policyholder or contract holder. Health benefit plans shall not be canceled by the insurer for one (1) year after the date of the notice required under this paragraph unless the business has been sold to another insurer. An insurer that ceases to do business in Kentucky shall not reenter Kentucky for a period of five (5) years from the date of the notice required under this paragraph.

(2) (a) Pre-existing conditions provisions shall not exclude or limit coverage for a period beyond six (6) months following the individual's effective date of coverage and may only relate to conditions which had, during the six (6) months immediately preceding the effective date of coverage, manifested themselves in a manner that would cause an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment or for which medical advice, diagnosis, care, or treatment was recommended or received or as to a pregnancy existing on the effective date of coverage;

(b) In determining whether a pre-existing conditions provision applies to a person covered under a plan, all health benefit plans shall credit the time the person was covered under a previous health benefit plan provided by an insurer if the previous coverage was continuous to a date not more than sixty (60) days prior to the effective date of the new coverage.

SECTION 74. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Each insurer issuing policies or contracts under Subtitles 18, 32, or 38 of this chapter shall, before use thereof, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges to be paid by insureds, members, enrollees, or subscribers and shall comply with the provisions of KRS 304.17-383.

(1) For all health benefit plans issued or renewed on or after January 1, 1995, insurers shall use a modified community rating methodology filed with and approved by the Kentucky Health Policy Board in which the premium for each individual policy and group policy is determined solely on the basis of age, geography, family composition, benefit plan design and cost containment provisions, and limited discounts for healthy lifestyles.

(2) Premium variations based on age shall not vary more than three hundred percent (300%) from the lowest to the highest price.

(3) The Kentucky Health Policy Board shall establish guidelines for geographic rating areas that take into consideration the following:

(a) Geographic rating should not be used to prevent areas with lower cost, more efficient delivery systems from cross-subsidizing areas where health benefit plans and providers operate efficiently;

(b) Geographic rating shall not increase rates of higher risk and needier populations relative to healthier and wealthier populations, nor to effectively discriminate on the basis of race or socio-economic class;

(c) Geographic rating areas may include entire communities and single metropolitan statistical areas but shall not fold lower cost and lower income rural areas into the same rating areas as higher cost urban areas.

(4) Adjustments for healthy lifestyles shall be approved by the Kentucky Health Policy Board and shall not discriminate on the basis of race, sex, or occupation. The board shall approve adjustments only for lifestyles that are free of voluntary behaviors that have been definitively documented as contributing to health care costs.

(5) The rate structure shall differentiate between single individuals, couples, single-parent families, and two-parent families with children.

SECTION 76. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

All health benefit plans issued or renewed on or after January 1, 1995, which provide coverage for a family member of the insured shall provide that the health plan benefits applicable for children shall be payable with respect to legally adopted children of the insured or any child for which the insured is a court appointed guardian from and after the date of the filing of the petition for adoption.

SECTION 77. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) It is an unfair trade practice for an insurer as defined in Section 72 of this Act, agent, broker, or any other person in the business of marketing and selling health plans, to commit or perform any of the following acts:

(a) Encourage individuals or groups to refrain from filing an application for coverage with the insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(b) Encourage or direct individuals or groups to seek coverage from another insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(c) Encourage an employer to exclude an employee from coverage.

The provisions of paragraphs (a) and (b) of this subsection shall not apply to information provided regarding the established geographic service area of an insurer.

(2) It is an unfair trade practice for an insurer to compensate an agent, broker, or any other person in the business of marketing and selling health plans on the basis of the health status, claims experience, industry, occupation, or geographic location of the insured or prospective insured.

(3) The remedy provided by KRS 304.12-120 shall be available for conduct proscribed by subsections (1) and (2) of this section.

SECTION 78. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Health Policy Board shall define no more than five (5) standard health care benefit plans, one (1) of which shall be a basic benefit plan. The board shall submit the plans to the commissioner within one hundred eighty (180) days after appointment of the board. The commissioner shall review the forms and return them with written comments to the board within thirty (30) days of receipt. The standard plans shall become operational on the date

designated by the board, which shall be no later than one hundred eighty (180) days after the board receives the forms and comments from the commissioner.

(2) On and after the date the standard benefit plans become operational:

(a) No insurer doing business in Kentucky shall issue or renew health benefit plans other than the standard health benefit plans established by the board, and any of the five (5) standard benefit plans offered shall be offered on a guaranteed-issue basis;

(b) Every insurer shall, as a condition of transacting business in this state, offer and issue the basic health benefit plan on a guaranteed-issue basis to all individuals and employers that elect to be covered under a plan and agree to make the required premium payments; and

(c) No insurer shall exclude any eligible person or dependent, who would otherwise be covered under a group health benefit plan, on the basis of an actual or expected health condition of the person.

(3) Each of the standard plans shall be in two (2) forms, one (1) of which shall be in the form of insurance and the second of which shall be consistent with the basic method of operation and benefit plans of health maintenance organizations, including federally qualified health maintenance organizations. Each of the standard plans shall provide for two (2) levels of cost sharing. The board shall take into consideration the levels of benefits provided in health benefit plans in Kentucky and appropriate medical and economic factors. The plans shall include cost containment features, such as utilization review of health care services, including review of medical necessity of hospital and physician services; case management benefit alternatives; selective contracting with hospitals, physicians, and other health care providers; reasonable benefit differentials applicable to participating and nonparticipating providers; and other managed care provisions.

(4) All policies and contracts providing health care benefits issued or renewed on or after the date the standard benefit plans become operational shall be uniform in structure, language, designation, and format to the standard benefit plans defined by the board and shall be filed with and approved by the board before being delivered or issued for delivery in Kentucky.

(5) The board shall inform residents of Kentucky of the existence and provisions of the standard benefit plans. The board shall develop an outline and chart of coverage that describes the features of each of the standard benefit plans available in Kentucky. The board shall broadly publicize a twenty-four hour toll-free telephone number for information on health care benefit plans available in Kentucky.

(6) The commissioner and the department shall render assistance on approval of plans and any other insurance matter as requested by the board.

(7) Any insurer that between the effective date of this Act and January 1, 1995, knowingly and willfully terminates coverage of any insured or dependent solely because the insured is eligible for coverage through a health purchasing alliance shall be prohibited from issuing or delivering any health benefit plan in the Commonwealth for a period of five (5) years from the date of exclusion.

Section 79. KRS 304.17-380 is amended to read as follows:

Each insurer issuing health insurance policies for delivery in this state shall, before use thereof, file with the ***Kentucky Health Policy Board, created by Section 2 of this Act, within the time and in the form designated by the Kentucky Health Policy Board,*** [~~commissioner~~] its premium rates and classification of risks pertaining to such policies. The insurer shall adhere to its rates and classifications as filed with the ***Kentucky Health Policy Board*** [~~commissioner~~]. The insurer may ***submit new*** [~~change such~~] filings from time to time as it deems proper.

Section 80. KRS 304.17-383 is amended to read as follows:

(1) No filing under KRS 304.17-380 [~~that contains an increase in premium rates~~] shall become effective until the ***Kentucky Health Policy Board, created by Section 2 of this Act,*** [~~commissioner~~] has issued an order approving the filing ***within thirty (30) days after receiving the filing. At the expiration of the thirty (30) day period, the filing shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the Kentucky Health Policy Board or a hearing has been held***. The ***Kentucky Health Policy Board*** [~~commissioner~~] may hold a hearing within thirty (30) days after receiving a filing under this subtitle [~~containing a rate increase,~~] and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.

(2) In approving or disapproving a filing under subsection (1) of this section, the ***Kentucky Health Policy Board*** [~~commissioner~~] shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium charged;

(b) ***Whether the fees charged for the covered services are reasonable in relation to the premium charged;***

(c) Previous premium rates for the policies to which the filing applies; and

(d)[~~(c)~~]The effect of the ***rate or rate*** increase on policyholders.

(3) Not less than ten (10) days in advance of a hearing held under subsection (1) of this section, the ***Kentucky Health Policy***

Board [~~commissioner~~] shall notify the Attorney General in writing of the hearing [~~and of the premium increase to be considered~~]. The Attorney General shall be considered a party to such a hearing if he chooses to participate.

(4) No insurer receiving the ***Kentucky Health Policy Board's*** [~~commissioner's~~] approval of a filing under this section shall submit a new filing containing a rate increase for any of the same policies until at least ***twelve (12)*** [~~six (6)~~] months have elapsed following the effective date of the approved increase.

(5) At any time, the ***Kentucky Health Policy Board*** [~~commissioner~~], after a public hearing of which at least thirty (30) days' written notice has been given, may withdraw approval of rates previously approved under this section if he determines that the benefits are no longer reasonable in relation to the premium charged.

[~~(6) (a) Subsections (1) to (3) of this section shall not apply and premium rates shall be deemed approved upon filing with the Department of Insurance if the filing is accompanied by a loss ratio guarantee, and benefits shall be deemed reasonable in relation to the premium rates so long as the insurer complies with the terms of the loss ratio guarantee. This loss ratio guarantee shall be in writing and shall contain at least the following:~~

~~1. A recitation of the anticipated loss ratio standards contained in the original actuarial memorandum filed with the policy form when it was originally approved by the commissioner;~~

~~2. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the loss ratio standards referred to in subparagraph 1. of this paragraph. If the annual earned premium volume in Kentucky under the particular policy form is less than one million dollars ($1,000,000) and therefore not actuarially credible, the loss ratio guarantee shall be based on the actual nationwide loss ratio for the policy form;~~

~~3. A guarantee that the actual Kentucky loss ratio results for each year at issue shall be independently audited at the insurer's expense. This audit shall be done in the second quarter of the next year and the audited results shall be reported to the commissioner not later than the date for filing the applicable accident and health policy experience exhibit;~~

~~4. A guarantee that affected Kentucky policyholders will be issued a proportional refund, based on premium paid, of the amount necessary to bring the actual aggregate loss ratio up to the anticipated loss ratio standards referred to in subparagraph 1. of this paragraph. The refund shall be made to all Kentucky policyholders insured under the applicable policy form as of the last of the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from the end of the year at issue until the date of payment. Payment shall be made during the third quarter of the next year; and~~

~~5. A guarantee that refunds of less than ten dollars ($10) will be aggregated by the insurer and paid to the Department of Insurance.~~

~~(b) As used in this subsection, the term "loss ratio" means the ratio of incurred claims to earned premium by number of years of policy duration, for all combined durations.~~]

Section 81. KRS 304.17-060 is amended to read as follows:

There shall be a provision as follows:

"Time Limit on Certain Defenses: [~~(a)~~] After three (3) years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such three (3) year period."

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial three (3) year period, nor to limit the application of KRS 304.17-190 to 304.17-230, inclusive, in the event of misstatement with respect to age or occupation or other insurance.)

A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (a) until at least age fifty (50) or (b) in the case of a policy issued after age forty-four (44) for at least five (5) years from its date of issue, may contain in lieu of the foregoing the following provision, from which the clause in parentheses may be omitted at the insurer's option, under the caption "Incontestable":

"After the policy has been in force for a period of three (3) years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application."

[~~(b) No claim for loss incurred or disability (as defined in the policy) commencing after two (2) years from the date of issue of this policy, shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.~~]

Section 82. KRS 304.17-270 is amended to read as follows:

[~~Except as provided in KRS 304.17-275,~~] Health insurance policies, other than accident insurance only policies, in which the insurer reserves the right to refuse renewal on an individual basis, shall provide in substance in a provision thereof or in an indorsement thereon or rider attached thereto that subject to the right to terminate the policy upon nonpayment of premium when due, such right to refuse renewal may not be exercised so as to take effect before the renewal date occurring on, or after and nearest, each policy anniversary (or in the case of lapse and reinstatement, at the renewal date occurring on, or after and nearest, each anniversary of the last reinstatement), and that any refusal of renewal shall be without prejudice to any claim originating while the policy is in force. (The parenthetic reference to lapse and reinstatement may be omitted at the insurer's option.)

Section 83. KRS 304.14-120 is amended to read as follows:

(1) No basic insurance policy or annuity contract form, or application form where written application is required and is to be made a part of the policy or contract, or printed rider or indorsement form or form of renewal certificate, shall be delivered, or issued for delivery in this state, unless the form has been filed with and approved by the commissioner. This provision shall not apply to ***standard health care benefit plans established under Section 78 of this Act, or to*** surety bonds, or to specially rated inland marine risks, or to policies, riders, indorsements or forms of unique character designed for and used with relation to insurance upon a particular subject, or which relate to the manner or distribution of benefits or to the reservation of rights and benefits under life or health insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. As to group insurance policies issued and delivered to an association outside this state but covering persons resident in this state, all or substantially all of the premiums for which are payable by the insured members, the group certificates to be delivered or issued for delivery in this state shall be filed with and approved by the commissioner. As to forms for use in property, marine (other than wet marine and transportation insurance), casualty and surety insurance coverages the filing required by this subsection may be made by rating organizations on behalf of its members and subscribers; but this provision shall not be deemed to prohibit any such member or subscriber from filing any such forms on its own behalf.

(2) Every such filing shall be made not less than sixty (60) days in advance of any such delivery. At the expiration of such sixty (60) days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the commissioner. Approval of any such form by the commissioner shall constitute a waiver of any unexpired portion of such waiting period. The commissioner may extend by not more than a thirty (30) day period within which he may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial sixty (60) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The commissioner may at any time, after notice and for cause shown, withdraw any such approval.

(3) Any order of the commissioner disapproving any such form or any notice of the commissioner withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonably to inform the insurer thereof. Any such withdrawal of a previously approved form shall be effective at expiration of such period, not less than thirty (30) days after the giving of the notice of withdrawal, as the commissioner shall in such notice prescribe.

(4) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper any insurance document or form or type thereof as specified in such order, to which, in his opinion, this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

(5) Appeals from orders of the commissioner disapproving any such form or withdrawing a previous approval shall be taken as provided in Subtitle 2 of this chapter.

Section 84. KRS 304.14-130 is amended to read as follows:

(1) The commissioner shall disapprove any form filed under KRS 304.14-120, or withdraw any previous approval thereof, only on one (1) or more of the following grounds:

    (a) If it is in any respect in violation of, or does not comply with, this code.

    (b) If it contains or incorporates by reference, where such incorporation is otherwise permissible, any inconsistent, ambiguous, or misleading clauses, or exceptions and conditions which deceptively affect the risk purported to be assumed in the general coverage of the contract.

    (c) If it has any title, heading, or other indication of its provisions which is misleading, or is printed in such size of type or manner of reproduction as to be substantially illegible.

    (d) [~~As to an individual health insurance policy, if the benefits provided therein are unreasonable in relation to the premium charged.~~

    ~~(e)~~] If it excludes coverage for human immunodeficiency virus infection or acquired immunodeficiency syndrome or contains limitations in the benefits payable, or in the terms or conditions of the contract, for human immunodeficiency virus infection or acquired immunodeficiency syndrome which are different than those which apply to any other sickness or medical condition.

(2) The insurer shall not use in this state any such form after disapproval or withdrawal of approval.

Section 85. KRS 304.38-200 is amended to read as follows:

Health maintenance organizations shall be subject to the provisions of this subtitle, and to the following provisions of Chapter 304, to the extent applicable and not in conflict with the expressed provisions of this subtitle:

(1) Subtitle 1 – Scope of Code;

(9)[~~(8)~~] Subtitle 33 -- Rehabilitation and Liquidation; and

(10)[~~(9)~~] Subtitle 99 -- Penalties.

The members shall select the initial Health Reinsurance Board subject to approval by the Kentucky Health Policy Board. The Kentucky Health Policy Board shall, after notice and hearing, approve the plan of operation, provided the Kentucky Health Policy Board determines it to be suitable to assure the fair, reasonable, and equitable administration of the program and provides for the sharing of program gains or losses on an equitable and proportionate basis in accordance with the provisions of subsection (11) of this section. The plan of operation shall become effective upon approval in writing by the Kentucky Health Policy Board consistent with the date on which the coverage under this section shall be made available. Any plan of operation, or amendments thereto, submitted by the Health Reinsurance Board to the Kentucky Health Policy Board pursuant to this subsection shall be deemed approved by the Kentucky Health Policy Board if not expressly disapproved in writing by the Kentucky Health Policy Board within ninety (90) days of its receipt by the Kentucky Health Policy Board.

(5) If the Health Reinsurance Board fails to submit a suitable plan of operation within one hundred eighty (180) days after its appointment, the Kentucky Health Policy Board shall, after notice and hearing, adopt and promulgate a temporary plan of operation. The Kentucky Health Policy Board shall amend or rescind any plan adopted by the Kentucky Health Policy Board under this subsection at the time a plan of operation is submitted by the Health Reinsurance Board and approved by the Kentucky Health Policy Board.

(j) Establishing participation standards at issue and renewal for reinsured cases;

(k) Establishing standards for those conditions under which an insurer would not be required to write business received from a particular agent or broker; and

(l) Any additional matters at the discretion of the Health Reinsurance Board.

(7) The program shall have the general powers and authority granted under this chapter to insurance companies licensed to transact health insurance except the power to issue insurance. In addition the Health Reinsurance Board shall have the specific authority to:

(a) Enter into contracts as are necessary or proper to carry out the provisions and purposes of this section, including the authority, with the approval of the Kentucky Health Policy Board, to enter into contracts with similar programs of other states for the joint performance of common functions, or with persons or other organizations for the performance of administrative functions;

(a) The program shall reinsure the level of coverage provided in the basic health benefit plan;

(b) With respect to the coverage provided to insureds issued after the effective date of this section, the insurer shall be required to use high-cost case management, hospital precertification techniques, and other cost containment techniques as established by the program;

(c) With respect to eligible employees and their dependents who are hired subsequent to the commencement of the employer's coverage by an insurer and who are not late enrollees, coverage may be reinsured;

1. Within sixty (60) days of the commencement of their coverage under the plan except in the case of late enrollees; or

2. Commencing on a date established by the Health Reinsurance Board, but no later than eighteen (18) months after the program becomes operational, on the first plan anniversary after the employer's coverage has been in effect with the employer insurer for at least three (3) years and every third plan anniversary thereafter; or

3. For late enrollees the later of eighteen (18) months following the date the late enrollee becomes a member of the employer's plan or at the conclusion of the three (3) year reinsurance period.

(d) With respect to eligible employees and their dependents who are employed by a employer as of the date the

employer's coverage commences, coverage may be reinsured:

1. Within sixty (60) days of the commencement of the employer's coverage with the insurer, except in the case of late enrollees; or

2. Commencing on a date established by the Health Reinsurance Board, but no later than eighteen (18) months after the program becomes operational, on the first plan anniversary after the employer's coverage has been in effect with the employer insurer for at least three (3) years and every third plan anniversary thereafter; or

3. For late enrollees the later of eighteen (18) months following the date the late enrollee becomes a member of the employer's plan or at the conclusion of the three (3) year reinsurance period.

(e) With respect to eligible employees and their dependents, an insurer may reinsure the entire employer group:

1. Within sixty (60) days of the commencement of the employer group's coverage under the plan; or

2. In the case where a new entrant to an employer group is reinsured under the provisions of paragraph (c) of this subsection, on the first plan anniversary after the new entrant became a member of the employer's plan; or

3. Commencing on a date established by the Health Reinsurance Board, but no later than eighteen (18) months after the program becomes operational, on the first plan anniversary after the employer's coverage has been in effect with the employer for at least three (3) years and every third plan anniversary thereafter.

(9) Except as provided in subsection (10) of this section, premium rates charged for coverage reinsured by the program shall be established as follows:

(a) For whole group reinsurance coverage, one and one half (1.5) times the adjusted average market premium price established by the program for that classification or group with similar characteristics and coverage, with respect to the eligible employees and their dependents of a employer, all of whose coverage is reinsured with the program, minus a ceding expense factor determined by the program.

(b) For individual reinsurance coverage, five (5) times the adjusted average market premium price established by the program for an individual in that classification or group with similar characteristics and coverage, with respect to an individual or eligible employee or that individual's or employee's dependents, minus a ceding expense factor determined by the program.

(10) Premium rates charged for reinsurance by the program to a health maintenance organization which is approved by the secretary of the United States Department of Health and Human Services as a federally qualified health maintenance organization pursuant to 42 U.S.C. 300 et seq., and as such is subject to requirements that limit the amount of risk that may be ceded to the program, may be modified to reflect the portion of risk that may be ceded to the program.

(11) (a) Following the close of each fiscal year, the administering insurer shall determine the net premiums, the program expenses for administration and the incurred losses, if any, for the year, taking into account investment income and other appropriate gains and losses. For purposes of this section, health benefit plan premiums earned by multiple employer welfare arrangements shall be established by adding paid claim losses and administrative expenses of the multiple employer welfare arrangement. Health benefit plan premiums and benefits paid by a member that are less than an amount determined by the Health Reinsurance Board to justify the cost of collection shall not be considered for purposes of determining assessments. For purposes of this subsection, "net premiums" means health benefit plan premiums, less administrative expense allowances.

(b) Any net loss for the year shall be recouped first by assessments of members to the extent provided below:

1. Assessments shall first be apportioned by the Health Reinsurance Board among all members in proportion to their respective shares of the total health benefit plan premiums, net of reinsurance premiums paid for coverage under this program, earned in Kentucky from health benefit plans, and to the extent permitted by ERISA, other benefit arrangements during the calendar year coinciding with or ending during the fiscal year of the program, or on any other equitable basis as may be provided in the plan of operation. An assessment shall be made pursuant to this subsection against a health maintenance organization which is approved by the Secretary of United States Department of Health and Human Services as a federally-qualified health maintenance organization pursuant to 42 U.S.C. 300 et seq., subject to an assessment adjustment formula adopted by the Health Reinsurance Board and approved by the Kentucky Health Policy Board for those approved health maintenance organizations which recognizes the restrictions imposed on the health maintenance organizations by federal law. This adjustment formula shall be adopted by the Health Reinsurance Board and approved by the Kentucky Health Policy Board prior to the first anniversary of the program's operation.

2. Assessments under this paragraph shall be capped at four percent (4%) of the premium for health benefit plans.

(c) If assessments exceed actual losses and administrative expenses of the program, the excess shall be held at interest and used by the Health Reinsurance Board to offset future losses or to reduce program premiums. As used in this subsection, "future losses" includes reserves for incurred but not reported claims.

(d) Each member's proportion of participation in the program shall be determined annually by the Health Reinsurance

Board based on annual statements and other reports deemed necessary by that board and filed by the member with that board. Multiple employer welfare arrangements shall report to the Health Reinsurance Board claims payments made and administrative expenses incurred in Kentucky on an annual basis on a form prescribed by the Kentucky Health Policy Board.

(e) Provision shall be made in the plan of operation for the imposition of an interest penalty for late payment of assessments.

(f) A member may seek from the Kentucky Health Policy Board a deferment, in whole or in part, from any assessment issued by the Health Reinsurance Board. The Kentucky Health Policy Board may defer, in whole or in part, the assessment of a member if, in the opinion of the Kentucky Health Policy Board, payment of the assessment would endanger the member's ability to fulfill its contractual obligations.

(g) If an assessment against a member is deferred in whole or in part, the amount by which the assessment is deferred may be assessed against the other members in a manner consistent with the basis for assessments set forth in this subsection. The member receiving the deferment shall remain liable to the program for the amount deferred. The Kentucky Health Policy Board may attach appropriate conditions to any deferment.

(12) Neither the participation as members of the program or as Health Reinsurance Board members, the establishment of rates, forms, or procedures for coverage issued by the program, nor any other joint or collective action required by this section, shall be the basis of any legal action, criminal or civil liability or penalty against the program, the Health Reinsurance Board, or any of its members either jointly or separately.

For the purpose of improving and assessing the quality of clinical care, the Kentucky Health Policy Board, created by Section 2 of this Act, through the various professional licensure boards and any volunteer advisory committees deemed necessary by the board, shall develop, update, and recommend implementation of parameters for clinical practice for use by health care providers as defined in Section 1 of this Act. The board may adopt any parameters for clinical practice as developed and updated by the federal Agency for Health Care Policy Research, or the board may adopt other parameters for clinical practice which are developed by qualified bodies, as determined by the board, with periodic updating based on data collected during the application of the parameters. Outcome measures shall be developed by the board in conjunction with the provider community. After these measures have been established they shall be disseminated to the various professional licensure boards.

PART V

PROVIDER ARBITRATION AND MEDIATION

SECTION 17. KRS CHAPTER 417A IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

The following provisions shall apply to actions prior to filing a lawsuit against a health care provider alleging personal injury or wrongful death:

(1) Any person, or the personal representative of a deceased person, aggrieved by reason of any action or inaction of a health care provider may, in person or by counsel, file with the clerk of the Circuit Court a preliminary complaint which alleges the names and addresses of the health care provider or providers by whom the party claims to have been injured and sets forth sufficient facts to establish where, when, and how the patient was injured, and requests mediation prior to submission of a formal complaint. Upon filing the preliminary complaint the clerk of the court shall notify the health care provider or providers of the allegation and request to mediate. Upon receipt of written agreement by the health care provider or providers, a mediation process shall be initiated.

(2) The filing of the preliminary complaint shall initiate the mediation process pursuant to Section 18 of this Act, and shall toll the statute of limitations so long as the preliminary complaint is filed within the period allowed for filing a complaint against a health care provider.

(3) The notification issued against the health care provider or providers shall state that the subject matter of the preliminary complaint shall be submitted to mediation; shall identify the mediator; and shall state the time and place of the mediation which shall be scheduled no sooner than thirty (30) days following the filing of the preliminary complaint nor later than sixty (60) days from the filing of the preliminary complaint.

(4) The health care provider or providers may file a responsive pleading to a preliminary complaint within a time allowed by the court.

(5) If the aggrieved party is not represented by counsel, then the health care provider or providers shall be encouraged to respond to mediation without counsel, but may engage counsel at the health care provider's option.

(6) If the mediation does not result in a resolution of the dispute, the aggrieved party has ninety (90) days after the mediator files a report with the court in which to file a complaint for lawsuit, within the Kentucky Rules of Civil Procedure, and to issue summons to be served upon the health care provider or providers for that purpose.

(7) If the mediation does not result in the resolution of the dispute and the aggrieved party files a complaint under the Rules of Civil Procedure, then the mediation process required under Section 18 shall be waived.

SECTION 18. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

The following provisions shall apply to any action filed in Circuit Court by a patient or patient's representative against a health care provider alleging personal injury or wrongful death:

(1) Upon filing of a complaint in a personal injury action alleging negligence of a health care provider, the plaintiff's attorney shall file an affidavit stating as follows:

(a) That the plaintiff's attorney has gathered all pertinent medical records and has had those records reviewed by a qualified expert in the same field that is the subject of the action and who is qualified to render opinions on the appropriate standard of care under the same or similar circumstances, and that person, after reviewing the records, has given the opinion, predicated upon reasonable medical probability, that there was a

departure from the standard of care and that the departure was a substantial factor in causing the injury or death; or

(b) That, because of significant time constraints posed by the applicable statute of limitations, the plaintiff's attorney has not had time to do the acts required in paragraph (a) of this subsection, in which case the plaintiff's attorney shall within ninety (90) days of the date of the filing of the complaint file the required affidavit, with the time for the health care provider and any other defendants to file a responsive pleading not to commence until after the affidavit is filed.

(2) The complaint shall be dismissed at the cost of the plaintiff and any other sanctions as the trial court deems appropriate may be assessed against the plaintiff and plaintiff's attorney for failure to comply with the provisions of paragraph (a) or (b) of subsection (1) of this section.

(3) In all actions covered by this section the case shall be referred to mediation as follows:

(a) After the expiration of ninety (90) days from the date of service of summons upon the health care provider, or at an earlier time as the health care provider may agree, the trial court shall order the parties to mediation which mediation shall be held no later than one hundred and eighty (180) days from the date of service of summons upon the health care provider or at an earlier date as the parties may agree;

(b) The parties may serve interrogatories, requests for documents, requests for admissions, and obtain medical records by agreement or subpoena prior to mediation without leave of court, but any depositions to be taken shall be taken only with leave of court upon a showing of good cause, or by agreement of the parties;

(c) The parties shall attend a mediation conference on a date and at a time certain with the following persons required to be present:

1. The parties in the case of individuals, or the duly-appointed personal representative of an estate, or in the case of a corporate entity, a duly-authorized representative with authority to settle;

2. Each party's counsel of record, if any;

3. A representative of each party's insurer who is not the counsel for the health care provider and who has authority to settle at any amount up to the total liability covered provided without further consultation; and

4. Other persons as the trial court may order, or the parties may agree, including but not limited to factual and expert witnesses.

(d) The mediation conference shall be at a time and place set by order of the court in which the action is pending and shall be conducted by a mediator appointed by the court to consider the possibility of settlement, the simplification of issues, and any other matters which the mediator and the parties determine may aid in the handling of the disposition of the proceedings. The mediator may schedule additional conferences necessary to complete the process and mediation shall continue until the parties have reached a settlement, until they are unwilling to proceed further, or until the mediator determines that further efforts would be futile. The mediator shall report to the court whether or not mediation was successful, or if further mediation might be considered after additional discovery, but the mediator shall not make findings of facts, nor shall the mediator assign blame to any party for the failure of the mediation process.

(e) If any party fails to appear at a duly-noticed and scheduled mediation conference without good cause, the trial court shall upon motion impose sanctions against the party or counsel, or both, which sanctions may include an award of attorney's fees and other reasonable costs and expenses.

1. At least ten (10) days prior to the mediation conference, each party shall submit to the mediator a written statement of the case. The statement shall be confidential and shall not be disclosed to the other party or parties without first obtaining permission of the party presenting the statement. Each statement shall contain the following information:

a. When and by whom the patient was treated and the nature of that treatment;

b. The alleged propriety or impropriety of the treatment and the nature and extent of the patient's injuries and damages; and

c. The amount, if any, that the parties would be willing to settle the matter at that stage of the proceeding.

2. Each party shall provide copies of the medical records believed by that party to be relevant, to the mediator and to all other parties.

3. Upon conclusion of the mediation conference the mediator shall return to the parties the written statements of the case, unless otherwise agreed by the parties.

(4) The procedure for mediation shall be as follows:

(a) All persons required by paragraph (c) of subsection (3) of this section shall be present with the mediator

presiding;

(b) The plaintiff if an individual, the personal representative of the patient's estate, or the attorney representing the plaintiff may present the facts, and if the party states the facts, the attorney may elaborate upon them or make positional or conclusionary statements regarding the facts;

(c) The defendant, or, in the case of a corporate entity, the representative of that health care provider, or the attorney for the health care provider may make statements of facts as deemed necessary and the attorney for each health care provider may make additional statements or make positional or conclusionary statements regarding the facts; and

(d) The mediator shall discuss the facts with all parties and their attorneys to determine the areas of conflict and shall confer with them as the mediator deems proper in accordance with the mediator's training and experience, with the intent and purpose of reaching a compromise on all or as many of the issues as is possible.

(5) Except as otherwise provided for in this section, all mediation documents and mediation communications are privileged and confidential and shall not:

(a) Be disclosed;

(b) Be subject to disclosure through discovery or any other process;

(c) Be admissible into evidence in any judicial or administrative proceeding; or

(d) Be considered a public record.

(6) Any party may, during the mediation process, name an expert witness, but no party may depose that expert unless the party identifying the expert later advises that the expert will be called as a witness at the trial. The opposing party shall not later designate the expert as a witness, nor may the witness be examined concerning any report that may have been furnished during the mediation process, unless the party producing the witness intends to offer the report into evidence.

(7) There is no privilege and no restriction on release of information considered privileged or confidential under subsection (5) of this section if:

(a) All parties consent in writing;

(b) The mediation communication or mediation document gives the mediator knowledge of or a reasonable cause to suspect a child has been abused or neglected, but only to the extent and for the specific purpose the communication or document is required to be disclosed; or

(c) The mediation communications were made in furtherance of the commission of a crime or fraud or as part of a plan to commit a crime or fraud, but only to the extent and for the specific purpose the communication or document is required to be disclosed.

(8) Guidelines and procedures for medical negligence mediation under this section, including mediator qualifications and mediation training, shall be developed by the Supreme Court of Kentucky and issued as rules.

(9) The Supreme Court of Kentucky shall, by rule, set a fee schedule for mediation services under this section.

(10) The trial court shall, utilizing the fee schedule, set a reasonable fee for the mediator based upon the complexity of issues and the time required for mediation. This fee shall be assessed among the parties on a pro rata basis. The court in which the action is pending may, utilizing the fee schedule, upon motion, increase the mediator's fee due to the complexity of the case, or the time involved.

(11) The mediators shall successfully complete mediation training in a program approved by the Administrative Offices of the Courts.

(12) Nothing contained in this section shall be construed to limit or prohibit the trial court, upon the motion of all parties, from referring a pending case against a health care provider to mediation at any time prior to the entry of a final judgment and any subsequent referral to mediation after the initial mediation conference shall be in accordance with the provisions of this section.

(13) In any action brought against a health care provider under this section, the trial court may, after an evidentiary hearing, award attorney's fees and expenses if the court finds as fact that:

(a) The claim or defense is totally without merit; and

(b) The party against which the award is made persisted in the claim or defense after it was known that the claim or defense was without merit, after having been placed upon notice by the opposing party.

SECTION 19. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

Notwithstanding any of the provisions of this chapter to the contrary, the provisions of Section 20 of this Act shall be applicable to the arbitration of a dispute, controversy, or issue arising out of or resulting from injury to, or the death of, a person caused by an error, omission, or negligence in the performance of professional services by a health care provider in

Kentucky.

SECTION 20. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Any person who receives allegedly negligent health care from a health care provider shall have the option to execute an agreement to arbitrate a dispute, controversy, or issue arising out of the allegedly negligent health care or treatment, in lieu of civil action.

(2) Arbitration shall not commence without the voluntary agreement of the claimant and all defendants. The agreement to arbitrate shall not be valid if executed prior to receipt of medical services or treatment which are at issue in the arbitration.

(3) The form of the agreement shall be established by the Supreme Court and shall be accompanied by an information brochure developed by the Administrative Office of the Courts which clearly details the agreement provisions including, but not limited to, the limit on damages of five hundred thousand dollars ($500,000). The agreement to arbitrate shall specify that the maximum limit on damages which may be awarded in arbitration shall be five hundred thousand dollars ($500,000).

(4) (a) The agreement shall be executed only upon filing a notice of agreement in the Circuit Court which would otherwise have jurisdiction if a civil action were filed in a dispute, controversy, or issue arising out of or resulting from injury to, or the death of, a person caused by an error, omission, or negligence in the performance of a health care provider in Kentucky. All parties shall be present at the hearing in the Circuit Court and shall have a right to consult counsel. If after being advised of their right to consult counsel, the parties choose to waive that right the Circuit Court shall further advise the parties that by executing the arbitration agreement they are waiving:

1. The right to a trial by jury;

2. The right to appeal to the Kentucky and United States appellate courts; and

3. The right to have their case tried pursuant to the Kentucky Rules of Evidence.

(b) The Circuit Court shall allow the agreement to be executed only after the court is satisfied that all of the parties are capable of understanding the waivers set forth in paragraph (a) of this subsection, are executing the waivers without duress or under influence, and do in fact understand the waivers.

(5) The agreement to arbitrate shall state that any issues on appeal of an arbitration decision shall be limited to issues allowed in appeals of arbitration cases generally under state law.

(6) Each party to the agreement to arbitrate shall be entitled to cancel the agreement within three (3) business days by notifying the Administrative Office of the Courts in writing by midnight of the third business day following the date that the party signed the agreement to arbitrate. Written notification is deemed given if mailed or delivered by midnight of the third business day.

(7) The agreement to arbitrate shall state in at least ten (10) point bold faced type the following: "NOTICE TO EACH PARTY TO AGREEMENT TO ARBITRATE: IF WITHIN THREE (3) BUSINESS DAYS YOU DECIDE THAT YOU DO NOT WISH TO SUBMIT THE CASE TO ARBITRATION AND REMAIN A PARTY TO THIS AGREEMENT TO ARBITRATE, YOU MAY CANCEL THIS AGREEMENT BY MAILING A NOTICE TO THE ADMINISTRATIVE OFFICE OF THE COURTS BY MIDNIGHT OF THE THIRD BUSINESS DAY FOLLOWING THE DAY THAT YOU SIGNED THE AGREEMENT TO ARBITRATE. THE WRITTEN NOTICE SHOULD BE MAILED TO THE FOLLOWING ADDRESS: (current address of the Administrative Office of the Courts)."

SECTION 21. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In a proceeding pursuant to Sections 19 to 36 of this Act:

(a) The parties may be represented by counsel, be heard, present evidence material to the controversy, and cross-examine any witness;

(b) The prevailing standard of duty, practice, or care applicable in a civil action shall be the standard applied in the arbitration, except as provided by Section 36 of this Act; and

(c) Damages shall be limited in total value to five hundred thousand dollars ($500,000).

(2) A party may appear without counsel and shall be advised of this right and the right to retain counsel in a manner calculated to inform the person of the nature and complexity of a proceeding by a simple concise form to be distributed by the Administrative Office of the Courts. The agreement to arbitrate shall specify that the parties have the right to representation by counsel during the arbitration proceedings.

(3) Actions commenced under this section shall be in accordance with KRS 413.140.

(4) Issues on appeal of an arbitration decision shall be limited to issues allowed in appeals of arbitration cases generally under state law.

SECTION 22. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The arbitration process shall administer the proceeding without charge to the claimant. The administrative expense shall be one hundred fifty dollars ($150) per party per case, or as may be agreed by the parties and the Administrative Office of the Courts.

(2) An arbitration under Sections 19 to 36 of this Act shall be heard by a panel of three (3) arbitrators. The first panel member shall be an attorney who shall be chosen by the plaintiff from a list of three (3) volunteers submitted to the Administrative Office of the Courts by the Kentucky Academy of Trial Attorneys, pursuant to subsection (3) of this section. The second panel member shall be a health care provider, from the defendant's area of specialty, who shall be chosen by the defendant from a list of three (3) volunteer providers submitted to the Administrative Office of the Courts by the professional provider organization in the same field as the defendant, pursuant to subsection (3) of this section. The third panel member shall be a person chosen by agreement of the provider and attorney panel members from a list of experienced arbitrators who are Kentucky residents. The third panel member shall also serve as chairperson of the panel and shall determine hearing dates and locations.

(3) The third panel member of the panel shall be a qualified experienced arbitrator selected from a pool of candidates generated by the Administrative Office of the Courts. The Administrative Office of the Courts shall send simultaneously to each party an identical list of three (3) arbitrator candidates together with a brief biographical statement on each candidate. A party may strike from the list any name which is unacceptable and shall number the remaining names in order of preference. When the lists are returned, they shall be compared and the first mutually agreeable candidate in each category shall be invited to serve.

(4) Where no mutually agreed upon arbitrator is selected, the Administrative Office of the Courts shall generate a second list for consideration pursuant to the process defined in subsection (3) of this section. Where no mutually agreed upon arbitrator is selected from the second list, the Administrative Office of the Courts shall randomly select the arbitrator.

(5) The parties shall be restricted to the list of panel candidates submitted to them for consideration.

(6) The health care provider panel member shall not reside in the area development district where the defendant provider practices or resides, except upon agreement of the plaintiff and defendant.

(7) The attorney panel member shall not reside in the area development district where the plaintiff's attorney practices or resides, except on agreement of the defendant and plaintiff.

(8) The Administrative Office of the Courts, through its director or the director's designee, shall operate the arbitration process, with the initial claims filed with the Administrative Office of the Courts.

(9) All fees pursuant to subsection (1) of this section shall be submitted to the Administrative Office of the Courts to defray related expenses.

(10) Panel members shall be paid at the rate of one hundred dollars ($100) per day plus an amount for necessary expenses, as determined by the Administrative Office of the Courts.

SECTION 23. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The professional provider organization in the same field as the defendant and the Kentucky Academy of Trial Attorneys shall make an initial screening for bias and shall require a candidate for a particular case to attest and complete a current personal disclosure statement. In addition to other relevant information, the statement shall disclose any personal acquaintance with any of the parties or their counsel and the nature of the acquaintance. If the statement reveals facts which suggest the possibility of partiality, the professional provider organization or the Kentucky Academy of Trial Attorneys shall communicate those facts to the Administrative Office of the Courts. The Administrative Office of the Courts shall make a final screening for bias and may eliminate from consideration any candidate determined to be unreasonably partial. The Administrative Office of the Courts shall communicate any facts regarding the possibility of the partiality of any arbitrator candidate to the defendant and claimant.

(2) Any party may propound reasonable questions to an arbitrator candidate if the questions are propounded within ten (10) days of the receipt of the candidate's name. Questions shall be propounded through the Administrative Office of the Courts, and the candidate shall respond to the Administrative Office of the Courts within ten (10) days of receipt.

(3) A party shall not communicate with a candidate directly or indirectly except through the Administrative Office of the Courts, the professional provider organization in the same field as the defendant, or the Kentucky Academy of Trial Attorneys any time after the filing of the request for arbitration. Any candidate who is aware of a communication shall immediately notify the Administrative Office of the Courts.

SECTION 24. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(2) In cases involving a common question of law or fact, if a number of defendants are involved, the disputes, controversies, and issues shall be consolidated into a single arbitration proceeding if the consolidation is consistent with the Kentucky Rules of Civil Procedure.

(3) A person who is not a party to the arbitration agreement may join in the arbitration or be joined at the request of any party with all the rights and obligations of the original parties. Each party to an arbitration under Sections 19 to 36 of this Act shall be required to arbitrate with all parties, whether the parties are original or joined pursuant to this section.

SECTION 25. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Prior to the institution of a proceeding or claim by a patient, any offer of reparations and all communications incidental thereto made in writing to a patient by a health care provider or hospital is privileged and shall not be used by any party to establish the liability or measure of damages attributable to the offeror.

(2) An offer of reparations shall provide that a patient has thirty (30) days to accept or reject the offer, or a lesser period of time as may be necessitated by the condition of the health of the patient.

(3) After any rejection or the lapse of the applicable time, any party may request binding arbitration.

(4) Any offer to a patient shall include a statement that the patient may consult legal counsel before rejecting or accepting the offer.

(5) If a potential claim is identified by a health care provider or hospital where, in its judgment, reparations are not appropriate, the provider may, at its option, file a request for arbitration which shall identify the potential claim and deny liability.

SECTION 26. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) After the appointment of the panel, the parties to the arbitration may take depositions and obtain discovery regarding the subject matter of the arbitration and use and exercise the same rights, remedies, and procedures, and be subject to the same duties, liabilities, and obligations in the arbitration with respect to the subject matter thereof, as if the subject matter of the arbitration were pending in a civil action in Circuit Court.

(2) The panel shall conclude the entire proceeding as expeditiously as possible.

(3) Discovery shall commence no earlier than twenty (20) days after all parties have received a copy of the agreement to arbitrate and shall be completed within five (5) months after the date that the last party received a copy of the agreement to arbitrate.

(4) A party may be granted an extension of time to complete discovery upon a showing that the extension is not the result of neglect and that the extension is necessary in order to avoid substantial prejudice to the rights of the party.

SECTION 27. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The name of any expert witnesses who will be called at the arbitration shall be disclosed to the opposing party, who may depose the witness.

(2) Any party may also provide discovery of that party's expert witnesses by the written interrogatory procedure provided in the Kentucky Rules of Civil Procedure. A party may disclose without request or shall disclose, upon request, the name of each expert the party expects to call at the hearing, the subject matter on which the expert will testify, the substance of facts and opinions to which the expert will testify, and a summary of the grounds for each opinion.

(3) If a party is provided or requests the discovery procedure in subsection (2) of this section and the provision or request occurs prior to the date on which an expert is noticed for deposition or other discovery is commenced under prevailing civil practice, any further discovery of the expert by any other party by deposition or otherwise shall obligate the other party to compensate the expert for time and expenses in a reasonable amount as may be determined by the panel.

SECTION 28. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) An arbitration hearing established pursuant to Sections 19 to 36 of this Act shall adhere to the Kentucky Rules of Civil Procedure.

(2) Testimony shall be taken under oath and a record of the proceedings shall be made by a video tape recording. Any party, at that party's expense, may have transcriptions or copies of the recording made or may provide for a written transcript of the proceedings. The cost of any transcription ordered by the panel for its own use shall be deemed part of the cost of the proceedings.

(3) Expert testimony shall not be required; but if expert testimony is used, it shall be admitted under the same circumstances as in a civil trial and be subject to cross-examination.

(4) The party with the burden of establishing a standard of care and breach thereof shall establish standards, either by the introduction of expert testimony or by other competent proof of the standard and breach thereof, which may include the use of works as provided in subsection (5) of this section.

(5) Authoritative, published works on the general and specific subjects in issue may be admitted and argued from, upon prior notice to all other parties.

(6) The panel shall accord that weight and probative worth to expert evidence which it deems appropriate. The panel may call a neutral expert on its own motion, which expert witness shall be subject to cross-examination by the parties. The cost of the expert shall be deemed a cost of the proceeding.

SECTION 29. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

The panel or its chairperson in the arbitration proceeding shall, upon application by a party to the proceeding, and may upon its own determination, issue a subpoena requiring a person to appear and be examined with reference to a matter within the scope of the proceeding, and to produce books, records, or papers pertinent to the proceeding. In case of disobedience to the subpoena, the chairperson or a majority of the arbitration panel in the arbitration proceeding may petition the Circuit Court of the county in which the witness resides or the Circuit Court of the county in which the inquiry is being held to require the attendance and testimony of the witness and the production of books, papers, and documents. A Circuit Court, in case of contumacy or refusal to obey a subpoena, may issue an order requiring the person to appear and to produce books, records, and papers and give evidence related to the matter in question, or which may give rise to matters relevant to the issues in question. Failure to obey the order of the court may be punished by the court as contempt.

SECTION 30. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) On application of a party to the arbitration, the panel or its chairperson may order the deposition of a witness to be taken for use as evidence and not for discovery if the witness cannot be compelled to attend the hearing or if exceptional circumstances exist making it desirable, in the interest of justice and with due regard to the importance of presenting the testimony of witnesses orally at the hearing, to allow the deposition to be taken. The deposition shall be taken in the manner prescribed by law or court rule for the taking of depositions in civil actions.

(2) In addition to the power of determining the merits of the arbitration, the panel may enforce the rights, remedies, procedures, duties, liabilities, and obligations of discovery by the imposition of the same terms, conditions, consequences, liabilities, sanctions, and penalties as may be imposed in like circumstances in a civil action by a Circuit Court of the Commonwealth, except the power to order the arrest or imprisonment of a person.

(3) For the purpose of enforcing the duty to make discovery, to produce evidence or information, including books and records, and to produce persons to testify at a deposition or at a hearing, and to impose terms, conditions, consequences, liabilities, sanctions, and penalties upon a party for violation of a duty, a party shall be deemed to include every affiliate of the party as defined in subsection (4) of this section. For that purpose, the personnel of an affiliate shall be deemed to be the officers, directors, managing agents, agents, and employees of that party to the same degree as each of them, respectively, bears that status to the affiliate; and the files, books, and records of an affiliate shall be deemed to be in the possession and control of, and capable of production by, the party.

(4) As used in this section, "affiliate" of the party to the arbitration means and includes a party or person for whose immediate benefit the action or proceeding is prosecuted or defended or an officer, director, administrator, member, agent, employee, or managing agent of that party or person.

SECTION 31. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Except for the parties to the arbitration and their agents, officers, and employees, all witnesses appearing pursuant to subpoena shall be entitled to receive fees and mileage in the same amount and under the same circumstances as prescribed by law for witnesses in civil actions in the Circuit Court. The fee and mileage of a witness subpoenaed upon the application of a party to the arbitration shall be paid by that party. The fee and mileage of a witness subpoenaed solely upon the determination of the arbitrator or the majority of a panel of arbitrators shall be paid in the manner provided for the payment of the arbitrator's expenses.

(2) The cost of each arbitrator's fees and expenses, together with any administrative fee, may be assessed against any party in the arbitration decision or may be assessed among parties in the proportions determined in the arbitration decision.

SECTION 32. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) A majority of the panel of arbitrators may grant any relief found to be equitable and just, including money damages, provision for hospitalization, medical, or rehabilitative procedures, support, or any combination thereof.

(2) The panel may order submission of written briefs within thirty (30) days after the close of hearings. In written briefs, each party may summarize the evidence and testimony and may propose a comprehensive award of remedial or compensatory elements.

(3) The panel shall render its decision within thirty (30) days after the close of the hearing or the receipt of briefs, if ordered.

(4) The decision in the arbitration proceeding shall be in writing and shall be signed by the chairperson or by the majority of the panel. The decision shall include a determination of all the questions submitted to arbitration by each party, the resolution of which is necessary to determine the dispute, controversy, or issue.

SECTION 33. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In addition to the decision, the panel shall render a written opinion which states its reasoning for the finding of liability or nonliability, and the reasoning for the amount and kind of any award. A panel member who disagrees with the majority may write a dissenting opinion.

(2) The panel shall determine the degree to which each defendant party was at fault for the total damages accruing to any other party to the arbitration, considering all sources of damage involving parties to the arbitration, but excluding the damages attributable to persons not parties to the arbitration.

(3) The panel shall prepare a schedule of contributions according to the relative fault of each party, which schedule shall be binding as between those parties, but that determination shall not affect a claimant's right to recover jointly and severally from all parties where that right otherwise exists in the law.

SECTION 34. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In the case of an award, any element of which includes remedial services, contracts, annuities, or other noncash award element, the panel shall determine the current cash value of each element of the award and shall also determine a total current cash value of the entire award, which shall not exceed five hundred thousand dollars ($500,000).

(2) An award of remedial surgery or care shall not require that the patient undergo that treatment or care by the health care provider whose conduct resulted in the award.

(3) A claimant may refuse to accept the benefits of an award for remedial surgery or other noncash award element, and the refusal shall not affect the claimant's right to receive any other part of the award, nor shall the refusal entitle the claimant to payment of the current cash value of the portion refused.

SECTION 35. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The Administrative Office of the Courts shall transmit to the commissioner of insurance and the applicable licensing board of any defendant party a copy of the demand for arbitration within ten (10) days of filing. A copy of the decision and opinion of the panel shall be transmitted to the same parties within ten (10) days of the filing of the decision and opinion. The decision and opinion shall be filed for informational purposes and the making or filing of the decision and opinion shall not of itself be a ground for discipline.

(2) The commissioner of insurance shall by July 1, on odd numbered years, compile a report of the total number and type of demands for arbitration and the nature of the decisions and opinions reached and shall transmit the report to the Governor, Legislative Research Commission, Interim Joint Committees on Banking and Insurance and Health and Welfare, and the Kentucky Health Policy Board.

SECTION 36. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In each action brought against a health care provider relating to alleged negligence, the arbitration panel created pursuant to Section 22 of this Act, shall consider separately, and render a decision within thirty (30) days, any claim that the plaintiff's allegations were without probable cause or merit or were frivolous. For the purposes of this section, "frivolous" allegations means those allegations found by the arbitration panel to be so totally lacking in merit that the allegation appears to have been made in bad faith.

(2) A claim that an allegation was frivolous or was made without probable cause or merit shall be made by the defendant and asserted in the defendant's initial response to the claim, or the recourse established under this section shall be waived.

(3) If a claim that an allegation was frivolous or was made without probable cause or merit is found to be correct by the arbitration panel, the plaintiff shall pay all associated costs and defendant's attorney fees and other expenses, as determined to be reasonable by the arbitration panel.

(4) If a claim of frivolous allegation or of an allegation without probable cause or merit is found to be incorrect by the arbitration panel, the defendant shall pay all associated costs and the plaintiff's attorney fees and other expenses, incurred to consider the claim, as determined to be reasonable by the arbitration panel.

(5) For the purposes of this section, the standard of proof in arbitration panel hearings shall be whether the health care provider rendered care consistent with applicable practice parameters which existed at the time of service. "Applicable practice parameters" means those guidelines or parameters adopted by the national specialty board governing the procedure or by the federal Agency for Health Care Policy and Research or by other agencies as accepted by the arbitration panel. In the absence of practice parameters adopted by the national specialty board governing the procedure, the federal Agency for Health Care Policy and Research, or other agencies, regarding the procedure which is the subject of the action, the standard of proof in arbitration panel hearings shall be whether the health care provider rendered care consistent with what a reasonably prudent health care provider in the same field that is the subject of the action would render under the same or similar circumstances.

(2) (a) No provider shall knowingly make, offer, or receive a payment, a rebate of a fee, or a charge for referring a recipient to another provider for furnishing of benefits.

(b) Any conduct or activity which does not violate or which is protected under the provisions of 42 U.S.C. sec. 1395nn or 42 U.S.C. sec. 1320A-7B(b), as amended, or federal regulations promulgated under those statutes, shall not be deemed to violate the provisions of this section and the conduct or activity shall be accorded the same protections allowed under federal law and regulation.

(3) Any person who violates subsection (1) or (2) of this section shall be guilty of a Class A misdemeanor unless the combination or aggregation of offenses is valued at three hundred dollars ($300) or more, in which case it shall be a Class D felony. PART VII

TWENTY-FOUR HOUR HEALTH COVERAGE

SECTION 38. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

(1) By January 1, 1995, the Kentucky Health Policy Board shall promulgate administrative regulations pursuant to KRS Chapter 13A authorizing the establishment by March 1, 1995, of pilot projects for twenty-four (24) hour health coverage. The administrative regulations for the pilot projects shall provide that:

(a) A twenty-four (24) hour policy may cover general health care for purposes of general health insurance, auto insurance, workers' compensation, or health care normally covered by any line of insurance written in the Commonwealth;

(b) A twenty-four (24) hour coverage policy shall not contain deductibles or copayments for medical services or treatment for work-related injuries or diseases; and

(c) There shall be no transfer of liabilities or expenses between or among particular lines of insurance whose medical or health components have been combined into a twenty-four (24) hour coverage for health care.

(2) No policy for twenty-four (24) hour coverage shall become effective until it is reviewed and approved by the board, in consultation with the commissioner of the Department of Insurance.

(3) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, each insurer authorized or licensed to write insurance in the Commonwealth shall provide any information requested by the board for the purpose of developing a twenty-four (24) hour health policy.

(4) The purchase of a twenty-four (24) hour health policy shall not constitute an exemption from statutory provisions which require other nonmedical insurance coverage. However, an insurance carrier shall reduce its premium for insurance coverage written without the medical or health care component. Notwithstanding the provisions of Subtitle 13 of KRS Chapter 304, the premium reduction required in this subsection shall be subject to the approval of the commissioner of the Department of Insurance.

(5) If an employer obtains a twenty-four (24) hour health insurance policy, pursuant to this section, to secure payment of compensation for medical care and treatment under KRS Chapter 342, the employer shall also procure an insurance policy which shall provide indemnity benefits to ensure that the total coverage afforded by both the twenty-four (24) hour insurance policy and the policy providing indemnity benefits, shall provide the total compensation required by KRS Chapter 342.

(6) The participants in a pilot project for twenty-four (24) hour health coverage shall comply with periodic reporting requirements of the Kentucky Health Policy Board.

(7) Each insurer authorized or licensed to write insurance in the Commonwealth shall cooperate with the board and shall provide any information requested by the board for the purpose of studying twenty-four (24) hour health policy.

Section 39. KRS 342.020 is amended to read as follows:

(1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and

surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. The employee may select the physician to treat ***the*** [~~his~~] injury, and the hospital in which ***treatment may be rendered*** [~~he shall be treated~~]. The employer, or an insurer on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of such services within thirty (30) days of receipt of a statement for services. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter if appropriate as long as medical services are rendered.

(2) ***Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.***

(3) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall initially pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces.

(4)[~~(3)~~] Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat ***the*** [~~his~~] injury or disease, or because of the hospital selected by the employee in which ***treatment is being rendered*** [~~he is being treated~~], that the employee is not receiving proper medical treatment and ***the*** [~~his~~] recovery is being substantially affected or delayed; or that the funds for [~~his~~] medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for ***the*** [~~his~~] injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

(5)[~~(4)~~] An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury for which the employee claims compensation.

Section 40. KRS 342.375 is amended to read as follows:

Every policy or contract of workers' compensation insurance under this chapter, issued or delivered in this state, shall cover the entire liability of the employer for compensation to ***each employee*** [~~every one of his employees~~] subject to this chapter, except as otherwise provided in KRS 342.345 ***or Sections 38 to 39 of this Act***. However, if specifically authorized by the commissioner, a separate insurance policy may be issued for a specified plant or work location if the liability of ***the*** [~~such~~] employer under this chapter to ***each employee*** [~~all his other employees~~] subject to this chapter is otherwise secured and provided that no employee transferred from one plant or work location to another within the employment of the same employer shall thereby lose any benefit rights accumulated under the average weekly wage concept.

PART VIII

Section 41. KRS 216B.010 is amended to read as follows:

The General Assembly finds that the licensure of health facilities***,*** [~~and~~] health services***, and health care providers*** is a means to insure that the citizens of this Commonwealth will have safe, adequate***,*** and efficient medical care; that the proliferation of unnecessary health care facilities, health services and major medical equipment results in costly duplication and underuse of such facilities, services and equipment; and that such proliferation increases the cost of quality health care within the Commonwealth. SECTION 66. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) There is hereby created the Kentucky Health Purchasing Alliance consisting of the entire Commonwealth. The alliance shall operate independently from the Kentucky Health Policy Board but shall be attached to the Kentucky Health Policy Board for administrative purposes. The alliance shall be operational by July 15, 1995.

(2) The alliance designated in subsection (1) of this section shall be the only entity permitted to operate as a statewide health purchasing alliance in the Commonwealth and shall operate for the benefit of the members of the alliance. The alliance is the exclusive entity for the oversight and coordination of alliance member purchases. Any health benefit plan offered through the alliance shall be offered by an accountable health plan, and the alliance shall not:

(a) Directly provide insurance;

(b) Directly contract, for purposes of providing insurance, with a health care provider or provider network; or

(c) Bear any risk, or form self-insurance plans among its members.

Nothing in Sections 65 to 71 of this Act shall limit or authorize the formation of business health coalitions; however, a person or entity that pools together or assists in purchasing health coverage shall not discriminate in its activities based on the health status or historical or projected claims experience of such employers or recipients.

(3) Participation in the alliance shall be voluntary and open to those persons set forth in subsection (3) of Section 65 of this Act.

(4) The alliance shall be governed by a board of directors consisting of five (5) members to be appointed by the Governor and confirmed by the Kentucky Senate. Members shall have expertise in business, finance, economics, or health benefits management and shall represent the interests of employers and health care consumers. No member shall be, nor have been:

(a) A health care provider or health insurer;

(b) An employee of a health care provider, health insurer, or health plan; or

(c) A person having a fiduciary relationship to a health care provider, health insurer, or health plan.

(5) The Governor may at any time remove any member of the alliance board of directors for cause after furnishing the member with a written copy of the charges against the member and affording the member a public hearing if requested.

(6) The alliance may have regional advisory boards with the number of members, terms of office, and conditions of participation to be determined by the alliance and with the members to be appointed by the Governor from a list of three (3) candidates for each open position on each regional advisory board submitted by the President of the Senate and the Speaker of the House; however, the terms of office of any member of a regional advisory board shall not exceed four (4) years. The qualifications for regional advisory board members shall be the same as for alliance board members as set forth in subsection (4) of this section.

(7) The members of the alliance board of directors and regional advisory boards shall be reimbursed for actual expenses incurred in the discharge of the member's duties.

(8) The alliance board of directors shall employ a chief executive officer and comptroller for the alliance. The chief

executive officer shall employ any professional staff necessary to carry out the duties of the alliance and any regional advisory board subject to the approval of the Kentucky Health Policy Board.

(9) No member of the alliance board of directors or any regional advisory board shall be subject to any personal liability for any loss sustained or damage suffered on account of any action or inaction of the alliance.

(10) Nothing in Sections 65 to 71 of this Act shall be construed to prohibit or compel the health purchasing alliance or an accountable health plan from using the services of a licensed insurance agent or broker in order to assist in marketing, consumer education, claims assistance, grievance resolution, and servicing of health benefit coverage offered by the accountable health plan or through the health purchasing alliance. Any commissions or compensation paid by an accountable health plan to a licensed insurance agent or broker shall be determined between the accountable health plan and the agent or broker. An accountable health plan shall not vary compensation or commissions to such agents, brokers, contractors, or producers based directly or indirectly, on the anticipated or actual claims experience or health status associated with particular employers to which each plan is sold.

SECTION 67. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

The alliance shall pay participating accountable health plans their contracting premium amounts on a prepaid monthly basis, or as otherwise mutually agreed upon;

(16) Setting reasonable fees, not to exceed three percent (3%) of annual premiums for health benefit plans offered by the alliance, which shall finance all reasonable and necessary costs incurred in administering the alliance. Imposition of fees shall be subject to the approval of the board;

(17) Administering the risk adjustment process established by the Kentucky Health Policy Board pursuant to Section 76 of this Act if so directed by the board, but only as to accountable health plans participating in the alliance; and

(18) Ensuring that each alliance member always has a choice of one (1) fee-for-service plan.

1. An employer shall not be required to pay a premium that exceeds the amount of the premium that the employer was charged for a health benefit plan providing the same coverage immediately prior to becoming a member of the alliance; and

2. An employee of an employer that is a member of the alliance shall not be required to pay any premium that exceeds the amount of the premium that the employee was charged for a health benefit plan providing the same coverage immediately prior to the date that the employer became a member of the alliance, if the employee purchased health insurance through a group plan made available to the employer;

(d) Assurance that an employer that lays off or terminates the employment of an employee allows the employee, at the employee's expense, the opportunity to continue coverage with any health benefit plan with which the employee was enrolled at the time of the layoff or termination of employment. The employee shall not be required to pay a premium that exceeds the amount charged to the employer or other employees; and

(e) Assurance that any employee who voluntarily terminates employment with an employer shall be permitted to continue to participate, at the employee's expense, in any health benefit plan with which the employee was enrolled at the effective date of the voluntary termination. The employee shall not be required to pay a premium that exceeds the amount charged to the employer or other employees.

SECTION 73. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

All health benefit plans issued or renewed on or after July 15, 1995, shall comply with the following provisions:

(1) All health benefit plans shall be renewable with respect to all eligible persons and dependents at the option of the policyholder or contract holder, except:

(a) For nonpayment of the required premiums by the policyholder or contract holder;

(b) For fraud or misrepresentation of the policyholder or contract holder;

(c) For noncompliance with health benefit plan provisions;

(d) If the insurer ceases doing business in Kentucky and notice of the decision to cease to do business in Kentucky is provided to the Kentucky Health Policy Board, the department, and to either the policyholder or contract holder. Health benefit plans shall not be canceled by the insurer for one (1) year after the date of the notice required under this paragraph unless the business has been sold to another insurer. An insurer that ceases to do business in Kentucky shall not reenter Kentucky for a period of five (5) years from the date of the notice required under this paragraph.

(2) (a) Pre-existing conditions provisions shall not exclude or limit coverage for a period beyond six (6) months following the individual's effective date of coverage and may only relate to conditions which had, during the six (6) months immediately preceding the effective date of coverage, manifested themselves in a manner that would cause an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment or for which medical advice, diagnosis, care, or treatment was recommended or received or as to a pregnancy existing on the effective date of coverage;

(b) In determining whether a pre-existing conditions provision applies to a person covered under a plan, all health benefit plans shall credit the time the person was covered under a previous health benefit plan provided by an insurer if the previous coverage was continuous to a date not more than sixty (60) days prior to the effective date of the new coverage.

(3) Health benefit plans shall not discriminate against any class of health care providers in their coverage of services.

insurer shall forfeit its license.

(5) It shall be the responsibility of the health care provider who renders services to an insured to initiate and comply with any pre-certification process required by a health benefit plan that requires advance review and authorization to obtain any covered service under the health benefit plan. SECTION 74. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provisions of this chapter to the contrary:

(a) Each insurer maintaining policies or contracts under this chapter on February 1, 1994, shall, by September 1, 1994, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers in effect on February 1, 1994.

(b) Each insurer that issues, delivers, or renews any policy or contract after October 1, 1994, shall, before use thereof, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the Kentucky Health Policy Board. The insurer may submit new filings from time to time as it deems proper, except as provided in paragraph (d) of subsection (2) of this section.

(c) Each insurer that issues, delivers, or renews any standard health benefit plan under Section 79 of this Act shall, before use thereof, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the Kentucky Health Policy Board. The insurer may submit new filings from time to time as it deems proper, except as provided in paragraph (d) of subsection (2) of this section.

(2) (a) No filing under paragraphs (b) or (c) of subsection (1) of this section shall become effective until the Kentucky Health Policy Board, created by Section 2 of this Act, has issued an order approving the filing within thirty (30) days after receiving the filing. At the expiration of the thirty (30) day period, the filing shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the Kentucky Health Policy Board or a hearing has been held. The Kentucky Health Policy Board may hold a hearing within thirty (30) days after receiving a filing under this subtitle and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.

(b) In approving or disapproving a filing under paragraph (a) of this subsection, the Kentucky Health Policy shall consider:

1. Whether the benefits provided are reasonable in relation to the premium or fee charged;

2. Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;

3. Previous premium rates or fees for the policies or contracts to which the filing applies;

4. The effect of the rate or rate increase on policyholders, enrollees, and subscribers;

5. Whether discounts given to providers are reflected in the premium or fee; and

6. Whether the rates, fees, dues, or other charges are excessive, inadequate, or unfairly discriminatory.

(c) Not less than ten (10) days in advance of a hearing held under paragraph (a) of this subsection, the Kentucky Health Policy Board shall notify the Attorney General in writing of the hearing. The Attorney General shall be considered a party to the hearing if the Attorney General chooses to participate.

(d) No insurer receiving the Kentucky Health Policy Board's approval of a filing under this section shall submit a new filing containing a rate or fee increase for any of the same policies or contracts until at least twelve (12) months have elapsed following the effective date of the approved increase.

(e) At any time, the Kentucky Health Policy Board, after a public hearing of which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund to policyholders, enrollees, and subscribers if the board determines that the benefits are no longer reasonable in relation to the premium or fee charged.

(3) The Kentucky Health Policy Board may by administrative regulation prescribe any additional information it deems relevant to be included in the filings and the form of the filings required by this section.

(4) As a condition of doing business in Kentucky, each insurer as defined in Section 72 of this Act shall comply with the provisions of this section.

SECTION 75. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For all health benefit plans issued or renewed on or after July 15, 1995, insurers shall use a modified community rating methodology filed with and approved by the Kentucky Health Policy Board in which the premium for each individual policy and group policy is determined solely on the basis of age, geography, family composition, benefit plan design and cost containment provisions, and whether or not the product is offered through an alliance.

(2) The board may establish limits on the premium variations based on age of the persons insured.

(3) The Kentucky Health Policy Board shall establish guidelines for geographic rating areas that take into consideration the following:

(a) Geographic rating should not be used to prevent areas with lower cost, more efficient delivery systems from cross-subsidizing areas where health benefit plans and providers operate inefficiently;

(b) Geographic rating shall not increase rates of higher risk and needier populations relative to healthier and wealthier populations, nor to effectively discriminate on the basis of race or socio-economic class; and

(c) Geographic rating areas may include entire communities and single metropolitan statistical areas but shall not fold lower cost and lower income rural areas into the same rating areas as higher cost urban areas.

(4) The rate structure shall differentiate between single individuals, couples, single-parent families, and two-parent families with children.

SECTION 76. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Health Policy Board shall promulgate administrative regulations for the establishment of a risk adjustment process to be used in equalizing risk between insurers which participate within and outside of the Kentucky Health Purchasing Alliance.

(2) Prior to promulgating the administrative regulations, the board shall appoint an expert advisory panel to provide input on the process. The panel shall be comprised of nine (9) members, one (1) of whom shall be designated by the board as chairman. The board shall appoint three (3) members and the President of the Senate and the Speaker of the House of the General Assembly shall each appoint three (3) members to the panel. The appointees shall be named no later than September 1, 1994, and shall consist of individuals with expertise particularly germane to risk adjustment, including representatives of health plans, academics, and actuaries.

(3) The risk adjustment process shall at minimum be based on gender, retiree status, continuation status, and medical condition information which represent the relative risk of individuals participating with various insurers. The risk adjustment process is not intended to, and shall not, neutralize cost variations among insurers based on efficiency, ability to manage health costs and patient care, and the administration of policy provisions. The process shall not base adjustment for insurers on their individual premiums, administrative expenses, claims, or use of health care services. Preset amounts shall be established to reflect the demographic and medical risk characteristics of individuals enrolled by insurers.

(4) The risk adjustment process shall be administered by the board so that the process can be applied on a marketwide basis. All insurers shall submit information designated by the board as necessary to administer the risk adjustment process. All insurers shall contribute on an annual basis a preset amount for each person covered toward the establishment and administration of the risk adjustment process. Insurers shall receive from, or contribute amounts to, the board based on the insurer's relative risk profile as determined by the risk adjustment process.

(5) The risk adjustment process shall be established by no later than April 1, 1995. The board may authorize one (1) or more pilot projects as part of an ongoing reevaluation and refinement of the risk adjustment process.

SECTION 77. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

All health benefit plans issued or renewed on or after July 15, 1995, which provide coverage for a family member of the insured shall provide that the health plan benefits applicable for children shall be payable with respect to legally adopted children of the insured or any child for which the insured is a court-appointed guardian from and after the date of the filing of the petition for adoption or the filing of the application for appointment of guardian.

SECTION 78. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) On and after July 15, 1995, it is an unfair trade practice for an insurer as defined in Section 72 of this Act, agent, broker, or any other person in the business of marketing and selling health plans, to commit or perform any of the following acts:

(a) Encourage individuals or groups to refrain from filing an application for coverage with the insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(b) Encourage or direct individuals or groups to seek coverage from another insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(c) Encourage an employer to exclude an employee from coverage.

The provisions of paragraphs (a) and (b) of this subsection shall not apply to information provided regarding the established geographic service area of an insurer.

(2) It is an unfair trade practice for an insurer to compensate an agent, broker, or any other person in the business of marketing and selling health plans on the basis of the health status, claims experience, industry, occupation, or geographic location of the insured or prospective insured.

(3) The remedy provided by KRS 304.12-120 shall be available for conduct proscribed by subsections (1) and (2) of this section.

SECTION 79. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Health Policy Board shall define no more than five (5) standard health benefit plans, one (1) of which shall be a basic benefit plan, and one (1) of which shall be comparable to the coverage provided under Kentucky Kare Standard as of January 1, 1994. The board shall submit the plans to the commissioner and the Legislative Research Commission no later than February 1, 1995. The commissioner shall review the plans and return them with written comments to the board within thirty (30) days of receipt. After consideration of the commissioner's and the Legislative Research Commission's comments, the board shall give final approval to the standard health benefit plans no later than April 1, 1995, and the plans shall become operational on July 15, 1995.

(2) Notwithstanding any other provision of this chapter to the contrary, on and after July 15, 1995 the standard benefit plans become operational:

(a) No insurer doing business in Kentucky shall issue or renew health benefit plans other than the standard health benefit plans established by the board, and any of the standard health benefit plans offered shall be offered on a guaranteed-issue basis;

(b) Every insurer shall, as a condition of transacting business in this state, offer and issue the basic health benefit plan on a guaranteed-issue basis;

(c) An insurer may elect to offer health benefit plans only to individuals and groups that purchase coverage through the Kentucky Health Purchasing Alliance and not offer coverage to individuals and groups that purchase coverage outside of the alliance; and

(d) No insurer shall exclude any eligible person or dependent, who would otherwise be covered under a group health benefit plan, on the basis of an actual or expected health condition of the person.

(3) Each of the standard health benefit plans shall be in two (2) forms, one (1) of which shall be in the form of insurance and the second of which shall be consistent with the basic method of operation and benefit plans of health maintenance organizations, including federally-qualified health maintenance organizations. Each of the standard plans shall provide for two (2) levels of cost sharing. The board shall take into consideration the levels of benefits currently provided in health benefit plans in Kentucky and appropriate medical and economic factors. The plans shall include cost containment features, such as utilization review of health care services, including review of medical necessity of hospital and physician services; case management benefit alternatives; selective contracting with hospitals, physicians, and other health care providers; reasonable benefit differentials applicable to participating and nonparticipating providers; and other managed care provisions. If a standard benefit plan issued by an insurer covers services which the plan's beneficiaries lawfully obtain from health departments established pursuant to KRS Chapter 212 in medically-underserved areas designated by the Kentucky Health Policy Board, that insurer shall pay the plan's established rate for those services to the health departments.

(4) All policies and contracts providing health care benefits issued or renewed on or after July 15, 1995, shall be uniform in structure, language, designation, and format to the standard benefit plans defined by the board and shall be filed with and approved by the board before being delivered or issued for delivery in Kentucky.

(5) The board shall inform residents of Kentucky of the existence and provisions of the standard benefit plans. The board shall develop an outline and chart of coverage that describes the features of each of the standard benefit plans available in Kentucky. The board shall broadly publicize a twenty-four hour toll-free telephone number for information on health care benefit plans available in Kentucky.

(6) The commissioner and the department shall render assistance on approval of plans and any other insurance matter as requested by the board.

Section 118. KRS 205.560 is amended to read as follows:

(1) The scope of medical care for which the Cabinet for Human Resources undertakes to pay shall be designated and limited by regulations promulgated by the cabinet, pursuant to the provisions in this section. Within the limitations of any appropriation therefor, the provision of complete upper and lower dentures to recipients of Medical Assistance Program benefits who have their teeth removed by a dentist resulting in the total absence of teeth shall be a mandatory class in the scope of medical care. Payment to a dentist of any Medical Assistance Program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the Medical Assistance Program and the dentist prior to the removal of the teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for Human Resources after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available, including, but not limited to, the following categories, except where the aid is for the purpose of obtaining an abortion:

(a) Hospital care, including drugs, and medical supplies and services during any period of actual hospitalization;

(b) Nursing home care, including medical supplies and services, and drugs during confinement therein on prescription of a physician, dentist, or podiatrist;

(c) Drugs, nursing care, medical supplies, and services during the time when a recipient is not in a hospital but is under treatment and on the prescription of a physician, dentist, or podiatrist;

(d) Physician, podiatric, and dental services;

(e) Optometric services for all age groups shall be limited to prescription services, services to frames and lenses, and diagnostic services provided by an optometrist, to the extent the optometrist is licensed to perform the services and to the extent the services are covered in the ophthalmologist portion of the physician's program. Eyeglasses shall be provided only to children under age twenty-one (21);

(f) Drugs on the prescription of a physician used to prevent the rejection of transplanted organs if the patient is indigent;

(g) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where the students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified herein;

(h) Services provided by health care delivery networks as defined in KRS 216.900; and

(i) Services provided by midlevel health care practitioners as defined in KRS 216.900.

(2) Payments for hospital care, nursing home care, and drugs or other medical, ophthalmic, podiatric, and dental supplies shall be on bases which relate the amount of the payment to the cost of providing the services or supplies. It shall be one (1) of the functions of the council to make recommendations to the Cabinet for Human Resources with respect to the bases for payment. In determining the rates of reimbursement for long-term care facilities participating in the Medical Assistance Program, the Cabinet for Human Resources shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:

(a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;

(b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars ($15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the U. S. Department of Labor. Medically equipped motor vehicles, vans or trucks shall be exempt from the fifteen thousand dollar ($15,000) limitation. Costs exceeding this limit shall not be reimbursable and shall be borne by the facility. Costs for additional motor vehicles, not to exceed a total of three (3) per facility, may be approved by the Cabinet for Human Resources if the facility demonstrates that each additional vehicle is necessary for the operation of the facility as required by regulations of the cabinet;

(c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;

(d) The cost of contracts, loans, or other payments made by the facility to owners, administrators or both, unless the payments are for services which would otherwise be necessary to the operation of the facility and the services are required by regulations of the Cabinet for Human Resources. Any other payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Human Resources. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;

(e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators, and other indirect payments made to the owner, unless the payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Human Resources; and

(f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship shall be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles, and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. An exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.

(3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

(4) The rules and regulations of the Cabinet for Human Resources shall require that a written statement, including the required opinion of a physician, shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing the medical services.

(5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.

(6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

(7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advance registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.

(8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

(9) No long-term care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for medicaid reimbursement. No facility may decertify a bed occupied by a medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.

(10) Family practice physicians practicing in geographic areas with no more than one (1) primary care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.

(11) The Cabinet for Human Resources shall not expand the scope of services or categories of eligible recipients beyond those receiving services on January 1, 1994, unless:

(a) The expansion of the scope of services or eligible recipients is mandated by the federal government; or

(b) The General Assembly has specifically appropriated funds for the expansion of the scope of services or eligible recipients.

(12) The provisions of subsection (11) of this section shall not prevent the Cabinet for Human Resources from petitioning the federal government for waivers to expand or alter the Medicaid program. The cabinet shall notify the Legislative Research Commission in writing prior to petitioning the federal government for any waiver that will expand or alter the Medicaid program. The notification shall describe the expansion or amendment sought and the estimated fiscal impact of the waiver if granted. Any waiver granted that has the effect of expanding the scope of services or eligible recipients shall not be implemented until specifically authorized by the General Assembly. The provisions of this subsection shall apply to any waivers that have been granted but not implemented as of January 1, 1994, as well as any waivers obtained in the future.

(13) For all medicaid covered long-term care services, the Cabinet for Human Resources shall implement a standardized patient assessment tool, develop additional medicaid reimbursement methodologies as may be needed, and implement consistent quality of care mandates.

(2) Nothing in this section shall preclude providers from charging less than the maximum allowable rate for services, nor shall health insurers and health maintenance organizations be precluded from developing rate schedules that result in payments for services rendered that are less than the applicable maximum allowable rate. If provider rates are less than the maximum allowable rates established by the board, they shall be deemed approved.

(c) The rates are set equitably among all purchasers or classes of purchasers without undue discrimination or preference.

(7) A facility shall charge for services only at a rate set or negotiated in accordance with this section.

(8) In determining the reasonableness of any rate set or negotiated under this section, the board may take into account objective standards of efficiency and effectiveness and the following methods of reimbursement:

(a) The rates paid by the medicaid and medicare programs;

(b) Rates for services not reimbursed by medicare and which are derived on the basis of the methodology underlying the initial calculation of the Federal Health Care Financing Administration's resource based relative value scale and diagnostic related groups;

(c) Factors used by the Federal Prospective Payment Advisory Commission in developing reimbursement rates for the medicare program; and

(d) A price-indexing system deemed appropriate by the board.

(2) Each health care provider shall use the uniform accounting and financial reporting system.

(3) As required by this section, the board may allow and provide for modifications in the uniform accounting and financial reporting system to reflect correctly any differences among health care providers by type, size, financial structure, or scope or type of service.

(4) The board shall use generally accepted accounting principles to establish or negotiate rates for each health care provider or class of health care providers.

SECTION 133. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

HB 439, AN ACT relating to a seismic monitoring network and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

It is a finding of the General Assembly that Kentucky is located in an active seismic zone and the possibility of occurrence

of a major earthquake in Kentucky is significant. The New Madrid earthquakes of 1811-1812 were some of the most severe earthquakes recorded in the history of the United States. The earthquakes caused damage as far east as Cincinnati, Ohio, and Maysville, Kentucky, and ground subsidence along the Kentucky-Tennessee border that resulted in the formation of Reelfoot Lake. Thousands of earthquakes have been recorded in Kentucky, from the New Madrid seismic zone in the western tip of the state to Greenup, Bell, and other counties in the east. It is imperative that the people of the Commonwealth of Kentucky be provided with the information needed to plan for a major earthquake, including the information for improved building designs that will assist in the construction of buildings such as schools, hospitals, police and fire stations, college dormitories, and nursing homes, so that they will withstand a major earthquake. The same type of information is also needed to help protect bridges and roadways, water supplies, airports, and energy and food supplies by implementing needed policies and procedures. Current data indicate that an earthquake of a magnitude similar to the four great ones that occurred in the winter of 1811-1812 in the New Madrid seismic zone would close most of the major highways west of Louisville, including those across the Ohio and Mississippi Rivers. Major natural gas transmission lines would also be in jeopardy. Data from the statewide seismic monitoring network would provide the tools needed to prepare for and mitigate the effects a major earthquake in the Commonwealth.

SECTION 2. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Geological Survey shall establish a program to initiate and develop a long-term seismic monitoring network for the purpose of characterizing seismic activity in and adjacent to the Commonwealth of Kentucky to protect the citizens of the state in event of a catastrophic earthquake.

(2) The program shall include the installation and maintenance of a statewide seismic monitoring network and provide for long-term data collection to determine the nature of earthquakes throughout the state. The Kentucky Geological Survey shall utilize the data to support state efforts to develop models of seismic zones and to determine actions to be taken to protect the welfare of Kentucky's citizens from a catastrophic earthquake.

(3) The Kentucky Geological Survey shall enter data from the seismic network into a seismic data base which will be readily available to the public, government agencies, industry, and other entities that need and request access. The analyzed data shall also be made available in the forms of maps, seismic records, bulletins, and reports.

(4) The Kentucky Geological Survey shall solicit information from state and local agencies, industry, universities, and the public to assist in determining priority areas to be covered by the network as it is developed.

(5) The Kentucky Geological Survey, through the University of Kentucky, shall annually provide to the Governor or his designated representative a summary of the data collected by the seismic monitoring network and an analysis of the activities associated with the network.

SECTION 3. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

(1) There is established a technical advisory board whose purpose shall be to provide assistance to the Kentucky Geological Survey in the development and maintenance of the seismic monitoring network.

(2) The board shall consist of the following members:

(a) The executive director of the Kentucky Division of Disaster and Emergency Services or designee;

(b) A designee from the Governor's Earthquake Hazards and Safety Technical Advisory Panel;

(c) The commissioner of the Department of Housing, Buildings, and Construction or designee;

(d) The commissioner of the Kentucky Department of Highways or designee;

(e) The commissioner of the Kentucky Department for Natural Resources or designee;

(f) A designee of the Kentucky Transportation Center;

(g) A registered professional engineer appointed by the Governor, from two (2) persons nominated by the Kentucky Society of Professional Engineers;

(h) A registered professional geologist appointed by the Governor, from two (2) persons nominated by the Kentucky Board of Registration for Professional Geologists;

(i) A representative of the public at large appointed by the Governor; and

(j) The director of the Kentucky Geological Survey or designee.

The executive director of the Kentucky Division of Disaster and Emergency Services or designee shall act as chairman of the technical advisory board. For members identified in paragraphs (g), (h), and (i), appointments shall be for three (3) year terms and members may be reappointed.

Section 4. For the purposes of this Act, there is appropriated to the Kentucky Geological Survey from the general fund of the State Treasury $93,600 for fiscal year 1994-95 and $81,400 for fiscal year 1995-96.

The licensee shall attach to any claim form submitted to any third-party payor a copy of any coupon or a summary of the terms of any discount given; ~~[or]~~

(g) Accepting for services rendered assigned payments from any third-party payor as payment in full, if the effect is to eliminate the need for payment by the patient of any required deductible or copayment applicable in the patient's health benefit plan, or collecting a fee or charge the licensee submits to a third-party payor for that service or treatment. However, in instances where the intent is not to collect excessive remuneration from a third-party payor but rather to provide services at a reduced rate to a patient unable to afford the deductible or copayment, the services may be performed for a lesser charge or fee. The third-party payor shall be informed by the licensee of the reduced charge*; or*

(h) Conviction of a misdemeanor offense under KRS Chapter 510 involving a patient while the patient was under the care of the chiropractor, or a felony offense under KRS Chapter 510, 530.064, or 531.310, or the chiropractor having been found by the board to have had sexual contact as defined in KRS 510.010 with a patient while the patient was under the care of the chiropractor.

(3) Upon receipt and due consideration of such charges, the board upon an affirmative vote of a majority of its members shall determine whether the nature and quality of the charges are such that further investigation or initiation of formal or informal disciplinary proceedings against the charged licensee is indicated. If the board determines that disciplinary proceedings are appropriate the charges shall be set down for hearing at a future meeting of the board, and the charged licensee shall be notified of this action in writing and shall be furnished a copy of said charges at least twenty (20) days before the date set for the hearing.

The board may at any time proceed against a licensee on its own initiative either on the basis of information contained in its own records or on the basis of information obtained through its informal investigation. When a formal complaint verified by affidavit is filed with the board by a responsible citizen or organization and containing allegations that if true would warrant suspension or revocation of a license, the board shall proceed against the licensee within three (3) months.

(5) A written notice stating grounds for possible suspension or revocation of the license, setting forth with reasonable particularity the facts constituting the alleged offense and the time and place of the hearing before the board on the charges, shall be served on the charged licensee not less than twenty (20) days prior to the date of the hearing either personally or by mailing a copy thereof by certified mail, return receipt requested to the address of the licensee last known to the board.

(6) If the board substantiates that sexual contact occurred between the chiropractor and a patient while the patient was under the care of or in a professional relationship with the chiropractor, the chiropractor's license may be revoked or suspended with mandatory treatment of the chiropractor as prescribed by the board. The board may require the chiropractor to pay a specified amount for mental health services for the patient which are needed as a result of the sexual contact."

The board shall also be responsible for administering an interim testing program to assess student skills in reading, mathematics, writing, science, and social studies in grades four (4), eight (8), and twelve (12). (4) By October 1 of each year, local boards of education shall publish in the newspaper with the largest circulation in the county an annual performance report on district accomplishments and activities pertaining to performance goals including, but not limited to, retention rates and student performance, the districts' goals for the succeeding year, and other items as may be set forth in State Board for Elementary and Secondary Education administrative regulations.

"Section 3. KRS 158.6451 is amended to read as follows:

(1) Upon July 13, 1990, the Council on School Performance Standards established by Executive Order 89-151 shall be reconvened by the chairman to frame the following six (6) goals for the schools of the Commonwealth in measurable terms which define the outcomes expected of students:

(a) Schools shall expect a high level of achievement of all students.

(b) Schools shall develop their students' ability to:

1. Use basic communication and mathematics skills for purposes and situations they will encounter throughout their lives;

2. Apply core concepts and principles from mathematics, the sciences, the arts, the humanities, social studies, and practical living studies to situations they will encounter throughout their lives;

3. Become a self-sufficient individual;

4. Become responsible members of a family, work group, or community, including demonstrating effectiveness in community service;

5. Think and solve problems in school situations and in a variety of situations they will encounter in life; and

6. Connect and integrate experiences and new knowledge from all subject matter fields with what they have previously learned and build on past learning experiences to acquire new information through various media sources.

(c) Schools shall increase their students' rate of school attendance.

(d) Schools shall reduce their students' dropout and retention rates.

(e) Schools shall reduce physical and mental health barriers to learning.

(f) Schools shall be measured on the proportion of students who make a successful transition to work, post-secondary education, and the military.

(2) The Council on School Performance Standards shall employ necessary staff and shall be attached to the Department of Education for administrative purposes. Members of the council and its committees may receive reimbursement of actual expenses for attending meetings and may be reimbursed for other actual and necessary expenses incurred in the performance of their duties authorized by the council. (3) ***(a)*** The Council on School Performance Standards shall establish a number of committees with statewide representation of certified personnel to frame the goals in measurable terms which specify the expected outcomes. After submitting its final report the council shall cease to exist. The State Board for Elementary and Secondary Education shall adopt the goals of the council.

The framework shall identify teaching and assessment strategies, instructional material resources, ideas on how to incorporate the resources of the community, a directory of model teaching sites, and alternative ways of using school time.

Section 4. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

(1) The State Board for Elementary and Secondary Education shall promulgate administrative regulations to establish a system of determining successful schools and dispensing appropriate rewards. The system shall be based on the following:

(a) A school shall be the unit of measure to determine success;

(b) School success shall be determined by measuring a school's improvement over a two (2) year period;

(c) A school shall be rewarded for an increased proportion of successful students, including those students who are at risk of school failure;

(d) A threshold level for school improvement shall be established by the board to determine the amount of success needed for a school to receive a reward. The threshold definition shall establish the percentage of increase required in a school's percentage of successful students as compared to a school's present proportion of successful students, with consideration given to the fact that a school closest to having one hundred percent (100%) successful students will have a lower percentage increase required;

(e) Rewards shall be given to the school on behalf of the full-time, part-time, and itinerant instructional staff of a school who generate the reward when the school achieves at least one percent (1%) gain over its threshold as defined in paragraph (d) of this subsection. Substitute teachers shall not be used in calculating the reward;

(f) Rewards shall be calculated by applying the percentage set by the General Assembly in the biennial budget to the current annual salary of each certified staff person employed in the school on the last working day of the year of the reward. The reward for part-time and itinerant staff shall be calculated for the proportion of time spent in the school. In determining the percentage to be applied to a school for calculation of the rewards for the school's staff, consideration shall be given to the fact that schools already having a high percentage of successful students shall have a lower requirement for a percentage increase in its number of successful students. The staff person's identity in connection to his share of the reward shall be maintained when his share of the reward is deposited to the school's account;

(g) The certified staff members shall by majority rule collectively decide on the ways the reward funds shall be spent. Each individual staff person shall use the amount he earned in accordance with the decisions made by the total staff. Rewards shall not be added to a staff person's base salary and shall not be defined as compensation for retirement purposes under KRS 161.220(10); and

(h) The Department of Education shall send the school's reward to the local district office for transmittal to the school.

(2) The State Board for Elementary and Secondary Education, after adopting the goals of the Council on School Performance Standards and determining the definition of a successful student, shall adopt by administrative regulation the formula to be used to determine successful schools. The formula shall be a calculus of factors which reflect the school

goals[~~outcomes~~] described in KRS 158.6451***, except there shall be no measurement of the goals included in subsection (1)(b)3 and (1)(b)4***.

(3) A school that does not reach its threshold level as defined in paragraph (d) of subsection (1) of this section but maintains the previous proportion of successful students shall be required to develop a school improvement plan and shall be eligible to receive funds from the school improvement fund pursuant to KRS 158.805. A school that does not reach its threshold level but maintains the previous proportion of successful students after the second biennial review shall be required to meet the provisions of subsection (4) of this section.

(4) A school in which the proportion of successful students declines by less than five percent (5%) shall be required to develop a school improvement plan, shall be eligible to receive funds from the school improvement fund, and shall have one (1) or more Kentucky distinguished educators assigned to the school to carry out the duties as described in KRS 158.782. If the school does not meet its original threshold after the next biennial review, the school shall be subject to the requirements of subsection (5) of this section.

(5) ***(a) Except as provided in paragraph (b) of this subsection,*** a school in which the proportion of successful students declines by five percent (5%) or more shall be declared by the State Board for Elementary and Secondary Education to be a "school in crisis." When a school is declared to be a "school in crisis," the following actions shall be required:

1.[~~(a)~~] The full-time and part-time certified staff of that school shall be placed on probation;

2.[~~(b)~~] The principal shall immediately notify the students' parents of the students' right to transfer to a successful school, with procedures for initiating the request;

3.[~~(c)~~] Within thirty (30) days after the declaration by the state board under this subsection or no later than thirty (30) days before the start of the next school year, whichever is later, any student in that school may request and shall be allowed to transfer to a successful school as determined under the provisions of subsection (2) of this section. The superintendent shall select the receiving successful school in the home district or make arrangements with a neighboring district. If two (2) districts cannot agree, the superintendent of the student's resident district shall request the State Board for Elementary and Secondary Education to resolve the issue and make a decision on the placement of the student within thirty (30) days of the request. The board of the district in which the student resides shall be responsible for all tuition and transportation costs incurred as a result of a student transferring from a "school in crisis" to a successful school. If a decline in student enrollment causes overstaffing at the "school in crisis," personnel shall be reduced or transferred pursuant to KRS 161.760 and 161.800.

4.[~~(d)~~] One (1) or more Kentucky distinguished educators shall be assigned to the school by the commissioner of education to carry out the duties as described in KRS 158.782. Notwithstanding any other statute to the contrary, at the end of six (6) months, the Kentucky distinquished educator shall evaluate and make a recommendation to the superintendent regarding the retention, dismissal, or transfer of each full-time and part-time certified staff member. Recommendations for transfer shall conform to any employer-employee bargained contract which is in effect. Recommendations for dismissal shall be binding on the superintendent who shall notify the staff member pursuant to KRS 161.790. This evaluation process shall continue every six (6) months until the school is no longer a "school in crisis" as determined by the State Board for Elementary and Secondary Education; and

5.[~~(e)~~] The school shall be required to develop a school improvement plan and shall be eligible to receive funds from the school improvement fund.

(b) A school qualifying as a "school in crisis" pursuant to paragraph (a) of this subsection on the basis of the 1992-94 biennium assessment results shall be subject to subsection (4) of this section until it is determined if the school met its threshold for the 1994-96 biennium.

(6) The State Board for Elementary and Secondary Education shall develop a system of rewards and sanctions for certified staff who are not assigned to a school in a local school district. The system shall be analogous to the system described in subsections (1) through (5) of this section. Rewards shall be given to non-school-based staff when the district's proportion of successful students increases above a threshold adopted by the state board and comparable to the threshold adopted for schools. Sanctions shall be imposed when the proportion of successful students in the district declines in the same proportion used to determine school sanctions under subsections (3), (4), and (5) of this section. A school district that does not meet its threshold shall be required to develop a district improvement plan defined in KRS 158.650.

(7) ***(a) Except as provided in paragraph (b) of this subsection,*** a school district in which the proportion of successful students declines by five percent (5%) or more shall be assigned one (1) or more Kentucky distinguished educators to assist the system, evaluate personnel, and notwithstanding any other statute to the contrary, make personnel recommendations every six (6) months on retention, dismissal, or transfer. Personnel recommendations shall be made to the superintendent. Recommendations on the superintendent's status shall be made to the local board of education. If the recommendation is to terminate the superintendent, the board shall terminate the contract pursuant to KRS 160.350. If a district has a declining proportion of successful students for two (2)

consecutive biennial assessment periods, the district shall be declared an education development district pursuant to KRS 158.685 and the board members and the superintendent shall be removed under the provisions of KRS 156.132 and 156.136.

(b) A school district qualifying for sanctions pursuant to paragraph (a) of this subsection on the basis of the 1992-94 biennium assessment results shall be subject to subsection (6) of this section until it is determined if the district has met its threshold for the 1994-96 biennium.

(8) The State Board for Elementary and Secondary Education shall adopt administrative regulations to establish a process whereby a school shall be allowed to appeal a performance judgment which it considers grossly unfair. The state board may adjust a performance judgment on appeal when evidence of highly unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the biennial assessment period which are beyond the control of the school."

HB 482, AN ACT relating to the sale and distribution of fertilizers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 250.366 is amended to read as follows:

As used in KRS ***250.361*** [~~250.371~~] to 250.451, unless the context otherwise requires:

(1) "Fertilizer" means any substance containing one (1) or more recognized plant nutrients which is used for its plant nutrient content and which is designed for use or claimed to have value in promoting plant growth, except unmanipulated animal and vegetable manures, marl, lime, limestone, wood ashes and other products exempted by regulation by the director.

(2) "Fertilizer material" means a fertilizer which either:

(a) Contains important quantities of no more than one (1) of the primary plant nutrients: nitrogen (N), phosphorus (P) and potassium (K); or

(b) Has eighty-five percent (85%) or more of its plant nutrient content present in the form of a single chemical compound; or

(c) Is derived from a plant or animal residue or by-product or natural material deposit which has been processed in such a way that its content of plant nutrients has not been materially changed except by purification and concentration.

(3) "Mixed fertilizer" means a fertilizer containing any combination or mixture of fertilizer materials.

(4) "Specialty fertilizer" means a fertilizer distributed for nonfarm use.

(5) "Bulk fertilizer" means a fertilizer distributed in a nonpackaged form.

(6) "Brand" means a term, design, or trademark used in connection with one (1) or several grades of fertilizer but shall not include any numeral ***that is misleading or confusing***.

(7) "Guaranteed analysis" means, until the director prescribes the alternative form of "guaranteed analysis" in accordance with the provisions of this subsection, the minimum percentage of plant nutrients claimed in the following order and form:

Total nitrogen (N)	----percent
Available ***phosphate*** [~~phosphoric acid~~] (P205)	----percent
Soluble potash (K20)	----percent

For unacidulated mineral phosphatic material and basic slag, bone, tankage and other organic phosphatic materials, the total ***phosphate*** [~~phosphoric acid~~] or degree of fineness may also be guaranteed. Guarantees for plant nutrients other than nitrogen, phosphorus and potassium may be permitted or required by regulation by the director. The guarantees for such other nutrients shall be expressed in the form of the element. The source, e.g. oxides, salts, chelates, etc. of such other nutrients may be required to be stated on the application for registration and may be included on the label. Other beneficial substances or compounds, determinable by laboratory methods, also may be guaranteed by permission and advice of the director. When any plant nutrients or other substances or compounds are guaranteed, they shall be subject to inspection and analysis in accord with the methods and regulations prescribed by the director. When the director finds, after public hearing following due notice, that the requirement for expressing the guaranteed analysis of phosphorus and potassium in elemental form would not impose an economic hardship on distributors and users of fertilizer by reason of conflicting labeling requirements among the states, he may require by regulation thereafter that the "guaranteed analysis" shall be in the following form:

Total nitrogen (N) ----percent
Available phosphorus (P) ----percent
Soluble potassium (K) ----percent

The effective date of ***the*** [~~said~~] regulation shall be not less than six (6) months following the issuance thereof, except that the equivalent of phosphorus and potassium may also be shown in the form of available ***phosphate*** [~~phosphoric acid~~] and soluble potash for a period of two (2) years following the effective date of ***the*** [~~said~~] regulation. After the effective date of ***the*** [~~said~~] regulation total nitrogen, available phosphorus, and soluble potassium shall constitute the grade.

(8) "Grade" means the percentage of total nitrogen, available phosphorus or ***phosphate***[~~phosphoric acid~~], and soluble potassium or potash stated in whole numbers in the same terms, order, and percentages as in the guaranteed analysis; except specialty fertilizers may be guaranteed in fractional units of less than one percent (1%) of total nitrogen, available phosphorus or ***phosphate***[~~phosphoric acid~~], and soluble potassium or potash and fertilizer materials, bone meal, manures, and similar materials may be guaranteed in fractional units.

(9) "Official sample" means any sample of fertilizer taken by the director and designated as "official" by the director.

(10) "Ton" means a net weight of two thousand (2,000) pounds avoirdupois.

(11) "Primary nutrient" means total nitrogen, available ***phosphate*** [~~phosphoric acid~~] or phosphorus, and soluble potash or potassium.

(12) "Percent" or "percentage" means the percentage by weight.

(13) "Person" means individual, partnership, association, firm or corporation.

(14) "Distribute" means to import, consign, manufacture, produce, compound, mix, or blend fertilizer, or to offer for sale, sell, barter or otherwise supply fertilizer in this state.

(15) "Distributor" means any person who distributes ***fertilizer in this Commonwealth***.

(16) "Registrant" means the person who registers fertilizer under the provisions of KRS ***250.361***[~~250.371~~] to 250.451.

(17) "Label" means the display of all written, printed, or graphic matter, upon the immediate container, or a statement accompanying a fertilizer.

(18) "Labeling" means all written, printed, or graphic matter, upon or accompanying any fertilizer, or verbal statements, advertisements, brochures, posters, television or radio announcements used in promoting the sale of ***the*** [~~such~~] fertilizer.

(19) "Investigational allowance" means an allowance for variations inherent in the taking, preparation and analysis of an official sample of fertilizer.

(20) "Manufacturer" means any person engaged in the business of preparing, mixing, or manufacturing fertilizers or the person whose name appears on the label as being responsible for the guarantee.

(21) "Manufacturing" means preparing, mixing, or combining fertilizer materials chemically or physically, including the mixing through the simultaneous application of two (2) or more fertilizer materials, by a manufacturer or contract applicator.

(22) "Lot" means an identifiable quantity of fertilizer that can be sampled according to ***AOAC International*** [~~Association of Official Analytical Chemists~~] procedures, such as, the amount contained in a single vehicle, or the amount delivered under a single invoice, and, in the case of bagged fertilizer, not more than twenty-five (25) tons.

(23) "Blending" means physically mixing or combining two (2) or more fertilizer materials including the mixing through the simultaneous application of two (2) or more fertilizer materials by a blender or another person.

(24) "Blender" means any person who is engaged in the business of blending fertilizers.

(25) "Custom-mixed fertilizer" means a fertilizer blended according to specifications that are furnished to a blender by the consumer prior to blending.

(26) "Licensee" means the person who is licensed to distribute fertilizer.

Section 2. KRS 250.371 is amended to read as follows:

(1) Each brand and grade of fertilizer shall be registered in the name of that person whose name appears upon the label before being distributed in this state. The application for registration shall be submitted to the director on a form furnished by the director. For specialty fertilizers a registration fee of fifty dollars ($50) per each grade of each brand shall accompany the registration application. Upon approval by the director, a copy of the registration shall be furnished to the applicant. All registrations expire on December 31 of each year. The application shall include the following information:

(a) The net weight of packages;

(b) The brand and grade;

(c) The guaranteed analysis; and

(d) The name and address of the registrant.

(2) A distributor shall not be required to register any fertilizer which is already registered under KRS ***250.361*** [~~250.371~~] to 250.451 by another person, ***if*** [~~providing~~] the label does not differ in any respect.

(3) A ***blender*** [~~distributor~~] shall not be required to register each ***custom-mixed farm*** [~~grade of~~] fertilizer [~~formulated according to specifications which are furnished by a consumer prior to mixing~~], but shall be required to ***license*** [~~register~~] his firm on a form furnished by the director and to label ***the*** [~~such~~] fertilizer as provided in subsection (2) of KRS 250.376. ***The label of each custom-mixed fertilizer shall be maintained by the blender for one (1) year for inspection by the director.***

(4) A distributor of custom-mixed specialty fertilizers or bulk specialty fertilizers for home lawns, golf courses, recreational areas, or other nonfarm areas shall not be required to register each grade distributed but shall license his firm on a form furnished by the director for an annual fee of one hundred dollars ($100) and label the fertilizers as provided in subsection (1) of KRS 250.376. The label of each fertilizer distributed under this subsection shall be maintained by the distributor for one (1) year for inspection by the director.

Section 3. KRS 250.376 is amended to read as follows:

(1) Any fertilizer distributed in this state in containers shall have placed on or affixed to the container a label setting forth in clearly legible and conspicuous form the following information:

(a) Net weight;

(b) Brand and grade, except that the grade shall not be required when no primary nutrients are claimed;

(c) Guaranteed analysis; ***and***

(d) Name and address of the registrant ***or licensee***.

In case of bulk shipments, this information in written or printed form shall accompany each delivery and be supplied to the purchaser at time of delivery.

(2) A ***custom-mixed farm*** fertilizer [~~formulated according to specifications which are furnished by or for a consumer prior to mixing~~] shall be labeled to show the net weight, the guaranteed analysis***,*** or the guaranteed analysis and net weight of each material used in the formulation or both, and the name and address of the ***licensee*** [~~registrant~~] and the consumer.

Section 4. KRS 250.381 is amended to read as follows:

(1) There shall be paid to the Kentucky Agricultural Experiment Station for all fertilizers distributed in this state to nonregistrants ***or nonlicensees*** an inspection fee at the rate of fifty cents ($0.50) per ton; except sales or exchanges between importers, manufacturers, distributors***, licensees,*** or registrants are [~~hereby~~] exempted.

(2) Every registrant ***or licensee*** who distributes fertilizer in the state shall file on forms approved by the director a monthly, quarterly, or semiannual statement for the reporting period setting forth the number of net tons of each grade of fertilizer [~~so~~] distributed in this state during ***the*** [~~such~~] period. The report shall be due on or before twenty (20) days following the close of the filing period and upon ***the filing of the*** [~~such~~] statement shall pay the inspection fee at the rate stated in subsection (1) of this section. If the tonnage report is not filed and the payment of inspection fees is not made within thirty (30) days after the due date, a collection fee, amounting to ten percent (10%), with a minimum of fifty dollars ($50), of the amount due shall be assessed against the registrant ***or licensee*** and added to the amount due.

(3) When more than one (1) person is involved in the distribution of a fertilizer, the last person who has the fertilizer registered ***or is licensed*** and who distributed to a nonregistrant dealer or consumer ***shall be*** [~~is~~] responsible for reporting the tonnage and paying the inspection fee, unless the report and payment is made by a prior distributor of the fertilizer.

(4) On individual packages of fertilizer containing ten (10) pounds or less***,*** there shall be paid, in lieu of the inspection fee of fifty cents ($0.50) per ton required by subsection (1) of this section and the tonnage report required by KRS 250.386, an annual inspection fee of fifty dollars ($50) for each grade of each brand sold or distributed. ***If*** [~~Where~~] a person distributes fertilizer in packages of ten (10) pounds or less and in packages over ten (10) pounds, the annual fee shall apply only to that portion distributed in packages of ten (10) pounds or less.

Section 5. KRS 250.386 is amended to read as follows:

(2) No information furnished to the director under this section shall be disclosed in [~~such~~] a way [~~as~~] to divulge the operation of any person.

The director ***may*** [~~is authorized to~~] enter upon any public or private premises or carriers during regular business hours in order to have access to fertilizer subject to the provisions of KRS ***250.361*** [~~250.371~~] to 250.451 and the ***administrative*** regulations pertaining thereto, and to the records relating to their distribution.

(2) The methods of sampling and analysis shall be those adopted by the ***AOAC International, 2200 Wilson Boulevard, Suite 400, Arlington, VA 22201-3301***[~~Association of Official Analytical Chemists (AOAC)~~]. The penalty shall not exceed three (3) times the monetary value of the deficiency or the retail value of the lot of fertilizer, whichever is less, with the penalty assessment being adjusted for the magnitude of the deficiency and the value of any overages of guaranteed nutrients as established by regulation.

(2) Deficiencies beyond the investigational allowances as established by regulation in constituents other than total nitrogen (N), available ***phosphate*** [~~phosphoric acid~~] (P205), or soluble potash (K20), which the registrant ***or licensee*** is required to or may guarantee, shall be evaluated and penalty payments assessed and paid as established by ***administrative*** regulation.

(3) If, upon satisfactory evidence, a person is shown to have altered the content of a fertilizer shipped to him by a registrant or to have mixed or commingled fertilizer from two (2) or more suppliers so that the result of either alteration changes the analysis of the fertilizer as originally guaranteed, [~~then~~] that person shall become responsible for obtaining a registration and shall be held liable for all penalty payments and be subject to other provisions of KRS ***250.361*** [~~250.371~~] to 250.451, including seizure, condemnation***,*** and stop sale.

(2) Any person convicted of violating any provision of KRS ***250.361*** ~~[250.371]~~ to 250.451 or the ***administrative*** regulations ***promulgated*** ~~[issued]~~ thereunder shall be punished in the discretion of the court.

(3) Nothing in KRS ***250.361*** ~~[250.371]~~ to 250.451 shall be construed as requiring the director to report for prosecution or for the institution of seizure proceedings minor violations of KRS ***250.361*** ~~[250.371]~~ to 250.451, when he believes that the public interests will be best served by a suitable notice of warning in writing.

(4) It shall be the duty of the Attorney General or appropriate county attorney to whom any violations are reported to cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay.

(5) The director ***may*** ~~[is hereby authorized to]~~ apply for, and the court to grant, a temporary or permanent injunction restraining any person from violating or continuing to violate any of the provisions of KRS ***250.361*** ~~[250.371]~~ to 250.451 or any ***administrative*** regulation promulgated under KRS ***250.361*** ~~[250.371]~~ to 250.451, notwithstanding the existence of other remedies at law. The director may by regulation omit the requirement for variety designation for those kinds of seeds not commonly sold by variety name, and if the person labeling the seed does not know and is unable to determine the variety, the term "Variety Unknown" may be used in lieu of the variety designation. Hybrids shall be labeled as hybrids;

(1) As used in this section:

(a) "Policy" means an automobile liability insurance policy, delivered or issued for delivery in this state, insuring a single individual or husband and wife resident of the same household, as named insured, and under which the insured vehicles therein designated are of the following types only:

1. A motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers, nor rented to others;
2. Any other four-wheel motor vehicle with a load capacity of fifteen hundred (1500) pounds or less which is not used in the occupation, profession, or business of the insured; provided, however, that this section shall not apply:
   - a. To any policy issued under an automobile assigned risk plan;
   - b. To any policy insuring more than four (4) automobiles; or
   - c. To any policy covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards;

(b) "Automobile liability insurance policy" includes only coverage for bodily injury and property damage liability, basic reparations benefits and the provisions therein, if any, relating to medical payments, uninsured motorists coverage, and automobile physical damage coverage;

(c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than three (3) months shall for the purpose of this section be considered as if written for a policy period or term of three (3) months. Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and such policy may be terminated at the expiration of any annual period upon giving seventy-five (75) days' notice of cancellation prior to such anniversary date, and such cancellation shall not be subject to any other provisions of this section; and

(d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(2) (a) A notice of cancellation of a policy shall be effective only if it is based on one (1) or more of the following reasons:

1. Nonpayment of premium; or

2. The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date;

(b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy;

(c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy; and

(d) This subsection shall not apply to nonrenewal.

(3) No notice of cancellation of a policy to which subsection (2) of this section applies shall be effective unless mailed or delivered by the insurer to the named insured at least twenty (20) days prior to the effective date of cancellation; provided, however, that where cancellation is for nonpayment of premium at least fourteen (14) days' notice of cancellation accompanied by the reason therefor shall be given. This subsection shall not apply to renewals.

(4) No insurer shall refuse to renew a policy of automobile insurance solely because of the age of the insured.

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least seventy-five (75) days' advance notice of its intention not to renew.

(6) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

(7) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date, unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

(8) (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (7) of this section.

(b) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy, shall be sufficient proof of notice.

(9) No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is handicapped or a physically disabled person, so long as the handicap or physical disability does not substantially impair the person's mechanically assisted driving ability.

(10) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance to which subsection (5) of this section applies, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. Such notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. Such notice shall also inform the insured that he may, within four (4) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days

of receiving such a written request, the commissioner shall send his findings to the insurer and to the insured. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b). ***The party requesting the hearing shall give the commissioner written confirmation of attendance at the hearing not more than four (4) days before, nor less than twenty-four (24) hours before, the scheduled hearing. If the requesting party fails to give the required written confirmation, the commissioner shall cancel the hearing.***

(11) The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.

(12) Except where the maximum limits of coverage have been purchased, every notice of first renewal shall include a provision or be accompanied by a notice stating in substance that added uninsured motorists, underinsured motorists, and personal injury protection coverages may be purchased by the insured.

(13) There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employees, or any firm, person or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

The Committee on Banking and Insurance reported **HB 548**, with Committee Amendment attached thereto, and **HB 562**, with Committee Substitute attached thereto, with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and such policy may be terminated at the expiration of any annual period upon giving seventy-five (75) days' notice of cancellation prior to such anniversary date, and such cancellation shall not be subject to any other provisions of this section; and

(d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

This subsection shall not apply to renewals.

(4) No insurer shall refuse to renew a policy of automobile insurance solely because of the age of the insured.

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least seventy-five (75) days' advance notice of its intention not to renew.

(10) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance to which subsection (5) of this section applies, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. Such notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. (c) If the insurer has manifested its willingness to renew by mailing or delivering of a renewal notice, bill, certificate, or policy to the first named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist; ~~{and}~~

(d) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date shall constitute a presumption of receipt pursuant to paragraph (c) of this subsection***; and***

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 83A.045 is amended to read as follows:

(1) Except as provided in KRS 83A.047, partisan elections of city officers shall be governed by the following provisions, regardless of the form of government or classification of the city:

(a) A candidate for party nomination to city office shall file his nomination papers with the county clerk of the county not less than one hundred nineteen (119) days before the day fixed by KRS Chapter 118 for holding a primary election. All nomination papers shall be filed no later than 4 p.m. local time when filed on the last day on which the papers are permitted to be filed.

(b) An independent candidate for nomination to city office shall not participate in a primary election, but shall file his nomination papers with the county clerk of the county not less than ninety-one (91) days before the day fixed by KRS Chapter 118 for holding a regular election. All nomination papers shall be filed no later than 4 p.m. local time when filed on the last day on which the papers are permitted to be filed.

(c) A candidate for city office who is defeated in a partisan primary election shall be ineligible as a candidate for the same office in the regular election. However, if a vacancy occurs in the party nomination for which he was an unsuccessful candidate in the primary election, his name may be placed on the voting machines for the regular election as a candidate of that party if he has been duly made the party nominee after the vacancy occurs, as provided in KRS 118.105.

(2) Except as provided in KRS 83A.047, nonpartisan elections of city officers shall be governed by KRS 83A.050, 83A.170, 83A.175, and the following provisions, regardless of the form of government or classification of the city:

(a) A candidate for city office shall file his nomination papers with the county clerk of the county not less than one hundred nineteen (119) days before the day fixed by KRS Chapter 118 for holding a primary election. All nomination papers shall be filed no later than 4 p.m. local time when filed on the last day on which the papers are permitted to be filed;

(b) Any city of the ***third*** ~~[fourth]~~ to sixth class may by ordinance provide that the nomination and election of candidates for city office in a nonpartisan election shall be conducted pursuant to the provisions of this subsection:

1. A city may forgo conducting a nonpartisan primary election for the nomination of candidates to city office, regardless of the number of candidates running for each office, and require all candidates to file their nomination papers with the county clerk of the county no less than ninety-one (91) days before the day fixed by KRS Chapter 118 for holding a regular election.

2. All nomination papers shall be filed no later than 4 p.m. local time when filed on the last day on which the papers are permitted to be filed.

3. If a city does not conduct a primary election pursuant to this subsection, the election of candidates to city office shall be governed by the provisions of this subsection, KRS 83A.175(2) to (6), and KRS Chapters 116 to 121.

4. In the absence of a primary pursuant to this subsection, the number of candidates equal to the number of city offices to be filled who receive the highest number of votes cast in the regular election for each city office shall be elected.

5. Candidates shall be subject to all other applicable election laws pursuant to this chapter and KRS Chapters 116 to 121.

6. If a vacancy occurs in a candidacy for city office in any city which has not held a primary pursuant to this subsection after the expiration of time for filing nomination papers due to the death, incapacity, or withdrawal of a candidate, or if there are fewer candidates than there are offices to be filled, the vacancy in candidacy shall be filled in the following manner:

a. If the vacancy in candidacy occurs less than ninety-one (91) days but more than thirty (30) days prior to the regular election, candidates shall file petitions of nomination to fill the vacancy with the county clerk not less than thirty (30) days prior to the regular election.

b. If the vacancy in candidacy occurs less than thirty (30) days prior to the regular election, candidates shall not file petitions of nomination to fill the vacancy with the county clerk, but shall seek election by write-in vote. If no person is elected to the office by write-in vote at the regular election, the vacancy in office shall be filled temporarily by appointment by the officer or body designated by law to fill the appointment.

(c) A candidate for city office who is defeated in a nonpartisan primary election shall be ineligible as a candidate for the same office in the regular election.

(2) Vacancies in the office of mayor or city legislative body that are to be filled temporarily by appointment shall be governed by the provisions of KRS 83A.040 and Section 152 of the Kentucky Constitution.

(4) Vacancies in the office of mayor or city legislative body that are to be filled by nonpartisan election shall be governed by the following provisions:

(b) If the vacancy occurs on or after the one hundred thirty-fourth day before a May primary, the election to fill the unexpired term shall be held in the manner prescribed in Section 152 of the Kentucky Constitution; and

(c) Vacancies in candidacy in any city of the ***third*** ~~[fourth]~~ to sixth class, that has not conducted a nonpartisan primary election shall be governed by the provisions of KRS 83A.045(2)(b)6.

Section 3. KRS 83A.175 is amended to read as follows:

(1) The election to fill the regular term of a nonpartisan city office shall be conducted in the manner prescribed in KRS 83A.165 when, in a regular election for nonpartisan city office no candidates nominated to an office as provided in KRS 83A.170 are available due to death, incapacity, or withdrawal, or when city legislative body members are to be elected at large and there are fewer nominees than there are offices to be filled, or when a city of the ***third*** ~~[fourth]~~ to sixth class has not conducted a primary election pursuant to KRS 83A.045.

(2) Each candidate shall, by at least the last date prescribed by the election law generally for filing petitions of nomination with the county clerk or the Secretary of State, file with the county clerk or the Secretary of State a petition for candidacy. The petition shall be prescribed by the State Board of Elections and shall be signed by at least two (2) registered voters in the city. Each voter may sign individual petitions equal to the number of offices to be filled. If a voter signs petitions for more candidates than he is authorized, he shall be counted as a petitioner for the candidate whose petition is filed first.

(3) The county clerk or the Secretary of State shall examine the petition of each candidate to determine whether it is regular on its face. If there is an error, the county clerk or the Secretary of State shall notify the candidate by certified mail within twenty-four (24) hours of filing.

(4) The ballot position of a candidate shall not be changed after the ballot position has been designated by the county clerk.

(5) If, before the ballots are printed, any candidate whose petition has been filed in the office of the county clerk or the Secretary of State, dies or notifies the clerk or the Secretary of State in writing, signed and properly notarized, that he will not accept the election, the clerk shall not cause his name to be printed on the ballot.

(6) If, after the ballots are printed, any candidate whose name appears thereon shall withdraw pursuant to KRS 118.212 or die,

(a) Neither the precinct election officers nor the county board of elections shall tabulate or record the votes cast for the candidate.

(b) The county clerk shall provide notices to the precinct election officers who shall see that a notice is conspicuously displayed at the polling place advising voters of the change, and that votes for the candidate shall not be tabulated or recorded. If the county clerk learns of the death or withdrawal at least five (5) days prior to the election and provides the notices required by this subsection and the precinct officers fail to post the notices at the polling place, the officers shall be guilty of a violation.

(a) "Relative" shall mean father, mother, brother, sister, husband, wife, son, daughter, aunt, uncle, son-in-law, and daughter-in-law.

(b) "Vacancy" shall mean any certified position opening created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member of a local school district, or a new position created in a local school district for which certification is required. However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.

(2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the State Board for Elementary and Secondary Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year.

(b) When a vacancy occurs in a local school district, the superintendent shall notify the chief state school officer thirty (30) days before the position shall be filled. The chief state school officer shall keep a registry of local district vacancies which shall be made available to the public. The local school district shall post position openings in the local board office for public viewing.

(c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.

(d) When a vacancy occurs in a local district, the superintendent shall conduct a search to locate minority teachers to be considered for the position.

(e) Effective July 1, 1991, no relative of a superintendent of schools shall be an employee of the school district. However, this shall not apply ***if:***

1. ~~[to]~~ A relative ~~[who]~~ is an employee of the school district prior to July 13, 1990, and ~~[who]~~ is certified for the position he holds, as long as the superintendent is holding office on July 1, 1991***;*** ~~[, and it shall not apply to]~~

2. A superintendent's spouse ~~[who]~~ has at least twenty (20) years of service in school systems***; or***

3. After the effective date of this Act, a newly hired superintendent's spouse has tenure in the district prior to the superintendent being hired.

A superintendent's spouse who is employed under this ***paragraph*** ~~[provision]~~ shall not hold a position in which the spouse supervises certified or classified employees. A superintendent's spouse may supervise teacher aides and student teachers. However, the superintendent shall not promote his relative who continues employment under an exception of this subsection.

(f) No superintendent shall employ a relative of a school board member of the district, unless on July 13, 1990, the board member's relative is an employee of the district, the board member is holding office, and the relative was not initially hired by the district during the tenure of the board member. A relative employed in 1989-90 and initially hired during the tenure of a board member serving on July 13, 1990, may continue to be employed during the remainder of the board member's term. However, the superintendent shall not promote any relative of a school board member who continues employment under the exception of this subsection.

(g) No principal's relative shall be employed in the principal's school, except a relative who is not the principal's spouse and who was employed in the principal's school during the 1989-90 school year. No spouse of a principal shall be employed in the principal's school, except a principal's spouse who was employed in the principal's school during the 1989-90 school year for whom there is no position for which the spouse is certified to fill in another school operated in the district. The provisions of KRS 161.760 shall not apply to any transfer made in order to comply with the provisions of this paragraph.

(3) No superintendent shall employ in a position which involves supervisory or disciplinary power over a minor, any person who is a violent offender or has been convicted of a sex crime as defined by KRS 17.165 which is classified as a felony. The superintendent may employ, at his discretion, persons convicted of sex crimes classified as a misdemeanor. Each superintendent shall request all conviction information for any applicant for initial employment from the Justice Cabinet prior to employing the applicant.

(4) (a) If a school term has begun and a position remains unfilled or if a vacancy occurs during a school term, a superintendent may employ an individual, who will have supervisory or disciplinary authority over minors, on probationary status pending receipt of the required records. Application for the criminal record of a probationary employee shall be made no later than the date probationary employment begins.

(b) Employment shall be contingent on the receipt of records documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

(c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the district of a record documenting a criminal act as defined above and no further procedures shall be required.

(5) Each application or renewal form, provided by the employer to the applicant, shall conspicuously state the following: "FOR THIS TYPE OF EMPLOYMENT, STATE LAW REQUIRES A CRIMINAL RECORD CHECK AS A CONDITION OF EMPLOYMENT."

(6) Any request for records under subsection (3) of this section shall be on a form approved by the Justice Cabinet, and the cabinet may charge a fee to be paid by the applicant in an amount no greater than the actual cost of processing the request.

(7) The provisions of this section shall apply to all applicants for initial employment in a position which involves supervisory or disciplinary power over a minor after July 15, 1988. Initial employment shall include first time applicants and applicants who were former employees of the district but have not been employed by the district for six (6) months.

The purpose of the optional retirement plan shall be to provide suitable retirement and death benefits, while affording the maximum portability of these benefits to the eligible employees as an alternative to membership in the retirement system. Benefits shall be provided by the purchase of annuity contracts, fixed or variable in nature, or a combination thereof, at the option of the participant.

(2) The boards of regents of those institutions identified in KRS 161.220(4)(b) shall select no less than two (2) but no more than three (3) companies from which to purchase contracts under the optional retirement plan. As criteria for this selection, the boards of regents shall consider, among other things, the following:

- *(b) The efficacy of the contracts in the recruitment and retention of employees for the various state public institutions of higher education;*
- *(c) The nature and extent of the rights and benefits to be provided by the contracts for participating employees and their beneficiaries;*
- *(d) The relation of the rights and benefits to the amount of contributions required;*
- *(e) The suitability of the rights and benefits to the needs and interests of eligible employees and the various state public institutions of higher education; and*
- *(f) The ability of the designated companies to provide the rights and benefits under those contracts.*

These elections shall be made in writing and filed with the appropriate officer of the employer institution.

(2) Elections of eligible employees hired on or after the implementation date of the optional retirement plan at their employer institution shall be effective on the date of their employment. If an eligible employee hired subsequent to the implementation date at the employer institution fails to make the election provided for in this section, he shall become a member of the regular retirement plan of the Kentucky Teachers' Retirement System.
